MEMOIRS.

REV. HIRAM M. AYRES.

Rev. Hiram M. Ayres, B. S., died in Minonk, Illinois, August 4, 1870, in the thirtieth year of his age.

He was born in Pennsylvania, in the year 1840; came to this state when quite young; and at the early age of seventeen years, he was converted and joined the M. E. Church. He entered the Illinois Wesleyan University in the year 1860, graduating to the degree of B. S., in 1863.

His christian walk and influence during his college life, was not only unexceptionable but strongly marked by devotedness to the cause of Christ. When twenty-three years of age, he entered the traveling ministry of the M. E. Church, in connection with the Cent. Ill. Conf., Sept., 16, 1863.

His appointments have been as follows: In 1863 as junior preacher on the Metamora circuit with Rev. G. B. Snedaker; in 1864 as preacher in charge on the Mt. Langum circuit; 1865, on the Mackinaw circuit; 1866, on the Hudson circuit, to which he was re-appointed in 1867; in 1868 stationed at Minonk, to which he was re-appointed in 1869, with the addition of New Rutland to the former year's work. In November, 1864, he was united in marriage with Miss Sarah S. Bishop, of Bloomington, Illinois.

In 1865 he was ordained a deacon by Bishop Ames, and in 1867 an elder by the same Bishop. As a pastor he was faithful and acceptable; as a preacher he was sound in doctrine and earnest in manner, convincing all who heard him that he had a message from God to them, and that he felt the importance of delivering it aright.

As a man he was loved and admired by all who knew him, and most by those who knew him best. As a Christian his life and death abundantly testify. His life was a beautiful representation of the highest development of the Christian graces, and as may always be expected of such a life, in the end there was peace. In the last conversation the writer had with him, he expressed a very natural desire to live, that he might continue to do the work assigned him by the Master, and assist his companion in raising and educating their two little ones whom the Lord had given them; but this desire was mingled with expressions plainly indicating a perfect resignation to the will of God, so much so, that he clapped his hands and in triumph shouted — Victory!

His death was the result of sun stroke, received some five weeks before he died,

and from which it was thought he was recovering until a few days before he passed away, when he grew worse very rapidly, and in the conscious triumph of his soul over death, he departed this life, leaving his wife and two children to mourn their loss. F. M. CHAFFEE.

BISHOP EDWARD THOMSON.

In the Chuch and State in every age of the world are found a few representative men. The subject of this memoir was one of that class. Born in England, he came to this country so early in life as to imbibe thoroughly American ideas and sympathies; leaving few marks, and none that were objectionable, of his foreign birth. He was a man of most elevated character in intellect and morals. In youth, the tendency to require reason and proof for everything led him through limited investigation and ungodly associates to reject the Christian religion. But upon hearing the eloquent Bigelow preach the unsearchable riches of Christ his objections were removed, his heart was touched and he became a willing captive to the truth as it is in Christ Jesus. Converted to God, he immediately began an upward career in the Church of his choice. Not however without meeting with difficulties. He selected the profession of medicine as his future calling, but God had designed him for a greater work, namely, to lead the souls of men, instrumentally, rather than the bodies of men. Briefly passing over his early history, we reach the first period of his labors in the Christian ministry. In Northern Ohio, where his work began, he attracted attention as a man of mark from the first. At Norwalk and Sandusky, Ohio, and at Detroit and elsewhere, he speedily manifested such ability that his brethren elevated him to the editorship of the Ladies' Repository. Such was the demand for talent of the order which he possessed, in common with but few of his cotemporaries, that he was removed from this position, for which he was well fitted, for a still higher one at the head of the Ohio Wesleyan University, then in its infancy. Here his administrative ability, and especially his literary taste and power were brought into active service and development. During a series of fifteen years, from 1845 to 1860, is the period perhaps of his most brilliant success. In that time his most beautiful lectures, now in book form, were delivered before the University and citizens of Delaware. Within the same period, none but God knows, and eternity alone can exhibit the fruits of his precepts and example. Gentle, pure, manly and elevated in character he unconsciously led others to emulate his virtues. All parts of this vast country, as well as many foreign lands, have to-day representatives from the institution of which he was the head, laboring for the same Savior that he loved, and with quickened energies which he aided them in preparing for successful execution. Though feeble in body he was a man of giant mind; a mind that like the steam engine in its power and adaption to any work could move a mountain or point a cambric needle. The irresistable power of his logic was like the stroke of the lightning, while the onward march of his mighty words and sentences was like the advance of a vast army with squadrons of horse and artillery; or

more appropriately still, as the roll of heavy thunder reverberating amid the mountains. None that have read his works, still less those who have listened to his words, can forget their beauty, truth and power. His labors in the church have been great and incessant. No general in the army during our late war did more efficient service than he, as editor of our official paper at New York. None more completely defeated his opponents in the combat than he, in these, to him, painful yet necessary battles. And while the swords of the combatants gleamed in the lurid light, and the blows fell heavily,—while the shock of horse rushing together and the roar of artillery shook the earth, the voice of the departed leader was heard above the din of battle, and his shout of victory cheering the most distant parts of the army of the Lord, was heard at the close of every engagement. As a Bishop, we have all observed his wisdom, meekness and pulpit ability. In this his highest and last office in the church of Christ, traveling in one year 40,000 miles, suffering under the tropics, confined in a narrow berth on board the vessel that carried him to heathen lands, he contracted the disease, or hastened its issue, that took his life, a martyr to the cause of Christ. He fell at last on the field of battle wrapped in the folds of the bloodstained banner of love. From his lofty abode in heaven he looks down over the battlements of that immeasurably happy land, saying to us as we gaze upon his footsteps, "Follow me as I followed Christ." Truly though dead he yet speaketh. Like Elijah he ascended in a chariot of fire. May his mantle with all its purity and brilliancy fall upon his son now entering the gospel ministry, and upon the many young men whom he has sent out by his influence, as ambassadors for Christ; and may the blessings of God rest upon a bereaved family and church.

BISHOP CALVIN KINGSLEY.

Rev. Calvin Kingsley, D. D., one of the Bishops of the M. E. Church, was born in Amesville, N. Y., September 8, 1812, and died suddenly of heart disease in Beyroot, Syria, April 6th, 1870, in the 58th year of his age. His early habits of industry gave him a robust frame, which prepared him for great endurance and labor in after life. He united with the Church in the latter part of the year 1831, in Ellington, Chautauque county, N. Y. The country at that time was a vast wilderness, and his strong arms were employed with his axe in subduing the country for cultivation, using his wages to assist in the support of his father's family. His thirst for knoweldge led him, with very limited means, to enter Alleghany College in 1836, he was then an exhorter in the church and was licensed to preach in 1837, he graduated with honor in 1841 and the same year was elected to the Chair of Mathematics in the same College. In 1856 he was elected Editor of the *Western Christian Advocate*, and served eight years in that capacity, doing good service for the Church and country in those stormy times. Elected Bishop in 1864. As an author his little book on the Resurrection illustrates what he could have done had he applied himself to writing books. Next to the Bible, the above treaties on that subject is fully equal to anything in the English language; and his

letters while traveling round the world are among the rich treasures sent out by our noble Book Concern, and one read by all classes of readers with profit and pleasure.

As a Bishop, he performed faithfully his share of labor with his laborious colleagues. Twice he crossed the continent to the pacific coast, and in July, 1869, Bishop Kingsly, our then junior Bishop, started on his journey round the world His ocean voyages were attended with constant sea sickness, which left him in a weak state when he landed on any foreign shore. In China he was received with that heartiness of affection from all evangelical Missionaries which is manifested in Protestant Missions in foreign lands toward their fellow laborers. His travels and labor in China in the limited time he spent in that vast country was probably greater than that of any other Christian minister of the age, and the effect of his visit will be felt through all coming time. The benefit arising from the ordination of seven native Chinese Christians to the full Ministry according to the order of our Church by the Bishop cannot be fully estimated. He left a labor and a name in China which is like precious ointment poured fourth. He landed in India under great physical prostration by reason of sea sickness on his voyage from China, but it did not hinder him from pushing forward to the district where our Indian Missions are located. His limited time forced him to employ every hour in the duties of his mission, traveling by day and night, counceling with the Missionaries, preaching the Gospel to the English speaking population, and to the natives through an interpreter. He left a good impression on the minds of the people, and his footprints, as though chiseled in solid rock, will remain as long as there are sinners to be saved.

At the close of the India Annual Conference, at which he presided with great dignity and profit, he set his face homeward, expecting after meeting his high trust in Europe to embrace his beloved family and friends in his native country. By the good providence of God he reached Palestine in safety and visited the principal places of interest in that country, he wrote to his wife that he was much fatigued by his exposure and horseback travel, was almost tired to death, and if he had known beforehand that it was so hard he should not have engaged in it. His last sermon was preached in camp at Bethel, in the Holy Land, his Text was Rom. 14, 17. He dwelt much on heaven and the heavenly state. One of the persons who heard his last sermon says "I had frequent conversations with the Bishop on personal religion and experience, and he was always bright and joyous in his faith. At Beyroot he was received by our country's Consul, the Missionaries and the foreign residents of that city as an honored Minister of the Lord Jesus Christ, and when he fell in death and his soul ascended to God, holy men buried him in the Prussian Protestant cemetery in Beyroot, in the distant country of Syria, in Asia. Dr. Coke, our first Bishop, was buried in the Indian ocean. Cox, our first Missionary to Africa, found a grave in that distant land. Rutter our first Missionary to Texas, fell at his post and is buried in that distant State. Our Bishop Calvin Kingsley in his pastoral tour round the world died and is buried in Beyroot.

Let them rest until the resurrection of the just.

We close this very brief sketch with an extract from the Editor's Table of the *Ladies' Repository:*

Bishop Kingsley, always impressed us as made of the material out of which God makes heroes.

A heroic boy, he helped his father raise a family of twelve children. A heroic youth, he worked his way through college. A heroic Christian, he fought many a hard battle for his master. A heroic patriot, he stood firmly by the truth and right in times of storm.

A heroic Bishop, he accepted the world as his parish and died performing his duties. A man so eminently fitted to live was as eminently fitted to die.

JOHN CHANDLER,
WM. H. HUNTER,
L. JANES. } Committee.

MRS. LAURA HULL CHANDLER.

Mrs. Laura Hull Chandler, the wife of our aged father, John Chandler of our Conference, was born in Saratoga county, New York, June 22, 1801, and died in Peoria, Ill., of heart disease, June 7, 1870, aged nearly 69. Her early religious advantages were very good, her father's house having been a home and preaching place for the itinerant Methodist ministers, from her early childhood until her marriage. She united with the M. E. Church about forty-seven years ago. Her religious experience was both bright and deep, which she manifested in her walk and conversation, in her communion with God, while her fellowship with his people was her greatest joy. She was married July 2, 1829. She shared largely the privations and responsibilities of the wife of a minister. She likewise shared largely the sympathies and love of the Church. It was her joy to be active in prayer-meetings, and she was a very efficient laborer among mourners at the altar. She received the higher blessing of perfect love thirty-seven years ago, and walked in that light until the Lord took her unto himself. In her household she was a good wife and mother, and her only daughter, Mrs. I. E. Benton, and her niece, Mrs. Freeborn Haney, who has shared her motherly sympathies for many years, mourn deeply their loss, but rejoice in their mourning that they shared so long the love and counsel of so good a mother. Since the 29th of December, 1869, she walked with death constantly in view, knowing that she might be called away at any moment, but she was always cheerful and triumphantly happy. Her last public testimony was given in general class-meeting about thirty hours before her death, and was characterized by a spirit of thankfulness, strong confidence in God, and an expressed desire to be with Christ, and with loved ones who had preceded her to the mansions of glory. She passed away calmly and joyfully to the bosom of her God.

MRS. HARRIET M. CRIST.

Mrs. Harriet M. Crist, wife of Rev. P. A. Crist, of Central Ill. Conference, died of pulmonary consumption, in Wenona, Ill.. December 12, 1869. Sister Crist was the daughter of James and Eleanor Mitchell, and was born in Ross county, Ohio, in the year 1840. She was converted in early life, and joined the M. E. Church, of which she continued an active and faithful member until her life work was done. She was united to Rev. P. A. Crist in marriage on the 28th of September, 1859. Her last afflictions were protracted and severe. The great struggle of her mind, was with the thought of parting with her two small and somewhat delicate children, but grace triumphed in this conflict. In the time of her conflict and near the close of her days on earth, she said to the writer, that she found some trouble in being resigned to the Providence of God in removing her from her family. She proceeded to give in touching detail, the exercise of her mind as follows:

"I am young and full of hope; my plans reach far out into the future of life, it would seem that we had just begun the work the Master has given us to do; and then I have so much desire to assist in the education and training of our little ones."

Here her feelings became too intense for her to say any more, and after a short prayer, she seemed flushed with victory, as she said, "I have made the surrender of myself, my husband, my children and all to God." For the last day or two previous to her departure, she enjoyed perfect peace, and freedom from pain of mind or body. A more beautiful example of triumphant victory over death and the world is seldom seen. She has left the testimony of an earnest christian life, and of a triumphant death, that she has gone to a better world.

REPORTS.

(A) On Education.

To the Bishops and Members of the Central Illinois Conference:

DEAR FATHERS AND BROTHERS—Your Committee on Education beg leave to present the following report:

ILLINOIS WESLYAN UNIVERSITY.

We rejoice in the continued and increasing prosperity of this Institution.

The visitors appointed at the last Session of this Conference were all in attendance at the Commencement in June last, and have presented the following very satisfactory report:

Dear Fathers and Brethren:

It affords us great pleasure to be able to report that by the blessing of a beneficent Providence the lives and health of both Faculty and students have been preserved through the year, not a single case of serious affliction having occcured. The moral discipline of the University is of a high order,—a very large portion of the students are religious. Respect for authority and obedience to the duties of student life are marked characteristics. The President and Faculty are earnest capable, faithful and efficient men as is evinced in the uniform and thcrough preparation of the several classes for examination in the studies and their very excellent public performances. The graduating class will compare very favorably with similar classes in any institution in the land. The University is sending out, from time to time, highly cultured pious young men whose influence will be felt as a great blessing to the world. The attendance of students is good, with an increase in the college classes.

The first story of a spacions and commodious new building is now up at a cost of about $14,000. With the growing favor of the University and three active and efficient financial agents in the field, and the present means at the command of the Board of Trustees, they judged it proper to accept a contract for the prosecution of the work, and it is confidently expected that in a very brief period the building will be pushed forward to completion.

The revenue arising from tuition and the endowment fund meets all current expenses. The joint Board after mature and deliberate consideration, judged it

wise to recommend to the two patronizing conferences, the opening of the University to the admission of ladies to all the classes, upon the same terms as gentlemen.

We earnestly commend the University to the confidence, sympathies and prayers of the Conference, and a Christian public.

Bloomington, Ill., June 16th, 1870.

W. C. KNAPP, G. W. ARNOLD, F. M. CHAFFEE,
P. A. CRIST, E. P. HALL, E. WASMUTH.

Since the date of the above report, the work upon the new building has been rapidly progressing, and it is confidently expected that the edifice will be completed externally, within three months. With the increased facilities afforded by the new building, the University will be able to take a higher rank, and will be greatly enlarged in its usefulness. The finances of the institution are in a good condition, the current expenses being carefully kept within the limits of the income from the endowment fund and receipts from tuition. The building fund has been increased by the soliciting agents from $40,000 to $76,000. About $30,000 more are necessary to complete the building, which amount, it is hoped can be realized during the coming year.

The healthy condition of its finances, the well earned reputation of its faculties, and the warm attachment and enterprise of its friends, are such as to warrant our entire confidence in its success, and command our most earnest efforts in its support.

At the annual meeting of the joint Board of Trustees and Visitors, the following resolutions were adopted and are now submitted for our action:

Resolved 1st, That we recommend that the classes of the University be opened to ladies.

Resolved, 2d, That if the patronizing conferences concur in this action, the said classes shall be so opened from and after such concurrence.

Whereas, We are deeply interested in the work of Christian education, and feel it our duty to cherish the interests of the University; therefore

Resolved 1st, That we heartily concur in the action of the joint Board of Trustees and Visitors, for the admission of ladies to the classes of the University.

Resolved 2d, That the Bishop be requested to reappoint Rev. O. S. Munsell, D. D., Rev. J. R. Jaques, A. M. and Rev. W. P. Graves, to the positions they now hold in the University.

Resolved, 3d, That Revs. L. B. Kent and J. G. Evans, Mr. O. T. Reeves, Esq., and Hon. W. M. Smith, be re-elected Trustees of the University, for the term of three years.

Resolved 4th, That Revs. W. H. Hunter, J. P. Brooks, G. R. Palmer, R. G. Pearse, P. Warner, and G. W. Gue, be appointed visitors from this Conference to the University, for the ensuing year.

1870

HEDDING FEMALE COLLEGE AND SEMINARY.

The committee from observation and from information otherwise obtained, feel assured that the general administration of the affairs of this institution in all its departments of instruction and discipline, has been prudent and successful, and that the former excellent reputation of the College and Seminary has been fully sustained during the school year recently closed.

The older members of the faculty are all teachers of ability and experience, and as their professional relations to the College and Seminary are continued from year to year, their usefulness and acceptableness become more apparent. The institution is to be congratulated upon the addition to the faculty of Miss Whe aton, Preceptress, and Mrs. Dr. Clark, Teacher of Music, whose professional reputation places them in the first rank in their respective departments.

The committee feel confident in recommending to public notice and approval the courses of instruction pursued by the classes in the different departments of male and female study in the College and Seminary. The excellency of the curriculum at Hedding, is evinced by the general thoroughness of scholarship which characterizes the graduates of the institution, both male and female.

It is a gratifying circumstance and one that deserves the congratulation of all the patrons and friends of the College and Seminary, that the patronage of the institution is steadily and surely increasing. The report of the attendance of students during the school year recently closed, show the continued confidence of the public in the efficiency of the institution, and an undiminished appreciation of its advantages, while the number of students entered for the term just commencing, gives promise of a largely increased attendance of both sexes for the school year.

It is with the highest pleasure that the committee have observed the excellent religious influence that has characterized the management of the College and Seminary, as the result of this gracious influence emanating from the pastoral care and good example of the instructors in the institution. Many of the students in attendance, last year, were converted to God, while others who were already members of the church and professors of religion, were encouraged to a growth in grace, and to higher attainments in the divine life.

There is in process of erection, a large and commodious building for the accomodation of pupils, the cost of which will be $36,300, according to the contract recently made with responsible builders.

The foundation of the new building is nearly finished and the whole work will be carried forward to completion as rapidly as circumstances will permit.

The agent appointed to solicit funds to erect the new building, has been diligently employed in canvassing for subscriptions and has succeeded in securing $22,300 in pledges from responsible sources. It is thought necessary in order to secure the consummation of this desirable enterprise at as early a day as possible, to provide for the employment of an additional agent to co-operate with the trustees and with the conference agent already acting.

The following resolutions are recommended:

Resolved 1st, That we respectfully ask the re-appointment of Rev. M. C. Springer, A. M., President and Rev. D. T. Wilson, as Professor.

Resolved 2d, That we ask the appointment of Rev. C. Springer and A. J. Jones, Financial Agents, for the ensuing year.

Resolved 3d, That we ask the re-appointment of Rev. M. C. Springer and B. Applebee, and the appointment of Rev. G. W. Gue as Trustees.

Resolved 4th, That we ask the appointment of G. M. Morey, W. A. Spencer, C. H. Zimmerman, J. Matthews, H. I. Brown, G. W. Arnold, W. Leber and G. M. Irwin, as Visitors.

GRAND PRAIRIE SEMINARY AND COMMERCIAL COLLEGE.

The past year has been one of greater prosperity than the friends of the institution could have anticipated in view of the financial pressure through the almost total failure of the crops.

The finances are carefully managed. The debt of $2,000 will be liquidated without infringing on the endowment fund, which amounts to $22,500; at the same time the endowment interest and the income from tuition are amply sufficient to meet current expenses.

A good class of students have been in attendance the past year, many of whom were converted while in school. There were sixteen graduates in the commercial department. The present term opens with increasing signs of prosperity.

Under the efficient labors of the faculty and officers of the institution, and through the prayers and patronage of the church, we believe this school promises a future of great usefulness.

We recommend that F. M. Chaffee, N. C. Lewis, M. F. Havermale, J. P. Forsythe and P. A. Crist, be appointed Conference Visitors.

GARRETT BIBLICAL INSTITUTE.

Having considered carefully and with deep interest the joint report of the Faculty and Trustees of Garrett Biblical Institute, and greatly rejoicing in the continued prosperity of this most excellent institute of our church, we wish to suggest the following resolutions:

Resolved 1st, We have great confidence in the necessity and efficiency of such schools of theology as Garret Biblical Institute, where our ministers are furnished with facilities for the highest attainments in Biblical knowledge fitting them to be successful laborers in the Holy ministry.

Resolved 2d, That as pastors we will recommnd all our young men who are candidates for the ministry, to avail themselves of the most ample means for a thorough preparation for this high vocation, that they may be workmen that needeth not to be ashamed, and that we will also recommend Garrett Biblical Institute as the suitable place to secure the qualifications for this great work.

Resolved 3d, That we recommend Rev. W. Underwood, as a Visiting Committee to this institute.

SCANDINAVIAN SCHOOL.

Though we have not been able yet to fix upon a permanent location for our school, yet we found it necessary to commence it in some shape for the present, and for that purpose opened the school at Galesburg, last February, with a few

young men who are preparing for the ministry among the Scandinavian people, and we have realized so far all that we could expect from a small beginning. But that we may be able to place the school in a more permanent operation, we shall need more means. We have got towards it subscriptions among our Scandinavian people to a considerable amount, but not sufficient for the purpose. We have however been greatly encouraged by the sympathy we have already received from our American friends, and hope by their aid, that we may be able to carry out our desired object on a more permanent basis, and for this purpose, we beg leave to present the following resolutions:

Resolved 1st, That we ask the Conference to re-appoint our Presiding Elder, Rev. S. B, Newman, as an agent to travel and solicit aid for the Scandinavian School among our American friends, according to the directions of the General Conference.

Resolved 2d, That we request the Presiding Elder of the Monmouth District, the Preachers in charge of Galesburg, Monmouth and Abingdon, and Rev. Albert Errickson, editor of "Sandebudet," to be appointed as a Visiting Committee to the Scandinavian School.

N. O. WESTERGREEN, *Sub Committee.*

(B) On Tract Cause.

The whole amount of tract collections reported for this year, is $362.55. Of this amount there had been collected and expended in tracts on the different charges $109.72. The balance paid to the Tract Society was in cash $252.83. The increase over last years collections was $28.76. The amount expended in tracts and scattered through the Conference, would be about 110,000 pages. Of the sum raised, ought there not to have been at least 300,000 pages of tracts thus scattered?

Your Committee cannot but think that there ought to be a very great increase in tract distributions. We regard the tract cause as being a very effective agency of the church in diffusing abroad religious truth among the masses of the people, many of whom perhaps, would not be reached by any other means.

As systematic effort largely increases the funds in all other benevolent enterprises, we conclude that it would have the same effect in this. Therefore we would offer the following resolution:

Resolved, That we earnestly urge all the preachers to call the attention of the Tract Committee to this subject, and see that systematic tract distribution be organized in all our charges.

Pekin, Sept. 19th, 1870.

(C) Woman's Foreign Missionary Society.

WHEREAS, The Woman's Foreign Missionary Society continues to have the unqualified sanction of our Board of Bishops and of the Officers and Board of the General Missionary Society, and

WHEREAS, We learn from the constitution and reports of this society that the defined object is to promote education and Christianity among the female population of heathen lands, and

WHEREAS, The purpose is to act in harmony with the chief missionary instrumentality of the church, and to assist in the selection and support of suitable women as teachers and missionaries to be sent out to foreign fields of labor, which are under the control of our parent Missionary Society, therefore

Resolved 1st, That we hail its efforts and the success that has already attended them and its prospective prosperity and usefulness as the harbinger and instrument of great glory and power in the church.

Resolved 2d, That we as pastors, will cordially welcome to our respective charges, Mrs. Dr. Reece, of Abingdon, Ill., and now Vice President of this society for the Central Illinois Conference, and also her assistants, and will heartily co-operate with them in their efforts to organize auxilliary societies and extend the general interests of the work, and also that we will assist in the circulation of the "Heathen Woman's Friend," the official paper of the society.

[Signed.] C. H. ZIMMERMAN, J. W. HANEY, M. C. SPRINGER.

(D) American and Foreign Christian Union.

The Committee on the American and Foreign Christian Union beg leave to present the following report:

WHEREAS, Romanism is a highly vitiated form of Christianity, and one of the greatest difficulties in the way of the progress of evangelical religion among civilized nations, and as it has in the late so called Eecumenical Council enunciated the dogma of infallibility by which it proposes not only to control the faith and conscience of its votaries, but their social relations and political actions also, it becomes increasingly dangerous to our civil and religious institutions as well as to the salvation of souls, therefore

Resolved 1st, That as the American and Foreign Christian Union proposes, by all Christian means, to oppose its further aggressive movements, it shall have our earnest sympathies and prayers.

Resolved 2d, That we warmly commend its work to the favorable consideration of our people and ask their hearty co-operation.

Resolved 3d, That we will aid, as far as we can, in the circulation of the Union's organ, "The Christian World."

Resolved 4th, That should an agent, at any time visit us, we will cordially invite him to our pulpit, and commend him to our people.

Respectfully submitted.

G. W. ARNOLD, *Chairman.*

(E) Auditing Committee.

Your committee, to whom was referred the several accounts of the Presiding Elders, with regard to the disbursement of the Missionary funds, appropriated to the several districts, report that the several accounts have been carefully looked after, and are found to be all right, and proper vouchers are placed with the Conference papers.

A. KELLER.

(F) On Periodicals.

WHEREAS, We believe that our periodicals are exerting an healthful influence upon the church and the world, and that the inculcation of truth accords with the principles of Christianity, therefore

Resolved 1st, That we will make an earlier and more thorough canvass for the circulation of our periodicals.

Resolved 2d, That we will not act as agents for the circulation of those periodicals unauthorized by the church to the detriment of our own.

Resolved 3d, That a committee of one be appointed to wait upon the members of the Conference, and if possible to secure their subscription for the Quarterly Review.

Resolved 4th, That we will encourage and assist in the circulation of the Sandebudet among our Scandinavian people.

Resolved 5th, That other things being equal, we prefer for ourselves and our people our local church paper; that we like the spirit of the Northwestern Christian Advocate, and will do all we can to increase its circulation.

WM. B. FRAZELL,
WM. B. CARITHERS,
A. K. TULLIS,

(G) On Conference Collections.

The Committee to whom was referred the duty of recommending suitable times for taking Conference Collections would accordingly recommend that collections be taken as follows:

Tract Collection—In October.
Church Extension—Middle of December.
Missionary—First of February.
Sabbath School—First of April.
Conference Claimants—First of June.
Freedmen's Aid—First of August.

[Signed.] JOHN P. BROOKS,
W. A. SPENCER,
S. G. J. WORTHINGTON. } *Committee.*

(H) Freedmen's Aid Society.

Your Committee on Freedmen's Aid Society would reaffirm the following portion of the report adopted by the last session of our Conference:

WHEREAS, This enterprise contemplates the education and elevation of enfranchized millions who are called to share with us the responsibilities of the government of this great people, and to co-operate with us in the evangelization of the world, therefore

Resolved 1st, That we reassert the claims of this society as set forth in our discipline.

Resolved 2d, That the whole work of a Methodist preacher is not done until he has made an earnest appeal to his people in the interest of the cause.

The receipts of the Society for the current year were $93.46.

S. S. GRUBER,
A. BOWER,
M. F. HAVERMALE,
C. H. ZIMMERMAN.

(I) On Ministerial Education Society.

The Standing Committee on Ministerial Education would report the following resolutions for adoption:

Resolved 1st, That it be recommended to all the pastors of the Conference to give information to their churches and people concerning the object of the Ministerial Education Society, and to take, for the benefit of said society, collections in their churches at such time as may be most suitable and convenient to themselves.

Resolved 2d, That the amount now in our possession—which amount, viz: $500, is hereby reported—be forwarded to the Treasurer of the Ministerial Educational Society of the M. E. Church, and that his receipt be taken therefore.

Resolved 3d, That we request the Annual Conference at its next session, to invite the Conference Ministerial Education Society to present through its President, an address, setting forth plainly and distinctly the origin, condition and objects of the society.

J. P. BROOKS, *Secretary*.

(J) On Sanctity of the Sabbath.

To the Bishop and Members of the Central Illinois Conference.

The Committee on the Sanctity of the Sabbath would report:

The obligation to observe and keep the Christian Sabbath must be acknowledged to be universal—to rest upon each individual—upon every association of men, and upon every Christian State and nation.

The fact that this obligation has been so generally recognized by us as a nation has been one of the essential elements of our comparatively high moral and religious character, and has contributed in no small degree to our advancement in all that constitutes the real prosperity of our people.

Our Savior declared that the Sabbath was made for man, and we are convinced it was designed for his physical, intellectual and religious welfare; and we are satisfied that its proper observance will at once contribute to his happiness in all these respects.

We are free, therefore, to say that any who by precept or example shall impair the feeling of the sanctity of the Sabbath cannot be regarded as the friends of their fellowmen—consistent patriots—good citizens, and much less exemplary Christians.

We would urge that the Sabbath should be made in the family, in the church, and every where, a delight; and we believe that in the beautiful narratives and the rich instructions of the Bible, in the Christian biographies and other religious literature published by the church, and in the sweet songs of Zion there are ample means for accomplishing that object.

Worldly conversation, amusement and unnecessary labor and care should be laid aside, and to the unperverted mind, and surely to the renewed heart the exercises of religion will make the Sabbath the jewel of days—the best of all the seven.

Without deciding upon the question whether the Sabbath is less esteemed now than formerly, we may refer to some points which we think worthy of notice.

We would urge upon the heads of families and employers to arrange for the Sabbath upon the preceding day or days of the week, so that it may be as God designed, a day of rest to all who are under the direction of a Christian householder or man of business.

We would suggest the inquiry whether it is consistent for us as ministers to delay until Sabbath our rides to distant appointments, or unnecessarily to return from such appointments upon the Sabbath. The practice of social visiting upon the Sabbath is one which some need to be guarded against, and for which others need to be earnestly reproved; since by it the offenders not only sin themselves, but lead others into evil and extend it indefinitely. We are persuaded that in many instances the plea that the visit is made to the sick would by no means vindicate the act and make it no longer a Sabbath desecration.

We hardly regard it necessary to refer to Sabbath marketing, the employment of a barber upon the Sabbath, or other things of like nature. Yet as these evils exist in our communities, we may well inquire for our duty to seek for their removal.

We are convinced that the modern improvements of railroads and telegraphs are so encroaching upon the rights of many to a Christian Sabbath that numerous and serious questions must arise which the time and circumstances will not now allow us to consider. We may remark that the disturbance of worshiping congregations is not a small evil; and again that a wrong is not palliated because many are partakers in it; and if corporations have no souls, Christian stockholders have, and they need to consider carefully how they will answer to God at the judgment of the great day. We trust at least that our members will carefully seek to know and do what is right in this matter.

In conclusion, therefore, we would commend this subject to the earnest and

prayerful consideration of every member of the church and especially of this Conference and recommend the adoption of the following, viz:

Resolved, That we will during the next Conference year preach at least once at each of our appointments upon the Sanctity of the Sabbath.

N. C. Lewis, *Chairman.*
T. C. Workman, *Secretary.*

(K) On Tobacco.

The Committee on the use of tobacco by our preachers and members would respectfully submit the following for your adoption.

Resolved 1st, That we regard the use of tobacco as wholly useless, and ought not to be indulged in any form by our preachers.

Resolved 2d, That the use of tobacco by our Presiding elders and older preachers exerts a bad influence both on the people and younger brethren, and therefore ought to be abandoned by them.

Resolved 3d, That the money spent for tobacco is not and cannot be regarded as consecrated to the cause of Christ and the good of the church.

Resolved 4th, That its use is inconsistent with personal cleanliness, as well as offensive to those with whom we mingle, and on this account should be avoided by all ministers and professors of religion.

W. M. Clark.
Job B. Mills.
J. H. Rhea.

(KK) Minority Report on Temperance.

Resolved, That in our judgment it is inconsistant with ministerial character and standing to *act* as Chaplain at public festivals when dancing is indulged in and wines or other liquors used, provided he knows these things are to be indulged in.

A. J. Jones.
A. R. Morgan.

Your Committee to whom was refered the subject of temperance make the following report:

Whereas, The liquor traffic affects production, expenditures, taxation, pauperism, gambling, prostitution, murder, and all other crimes; also the peace of the streets, the security of person and property, the interests of labor, the purity of the ballot box, the Christian Sabbath, the cause of education, the success and existence of our Republican Government, and is the greatest obstacle in the work of the church in the salvation of men; therefore,

Resolved 1st, That no Christian, philanthropist, or lover of his country can engage in, or countenance by his influence in any way, either the manufacture, importation, sale or use of intoxicating drinks.

Resolved 2d, That since the abolition of slavery, and the preservation of our national Union have been accomplished no issue is now before the country equal to that of the prohibition of the manufacture, importation and sale of intoxicating liquors as a beverage.

(Q) On Popular Amusement.

To the members of the Methodist Episcopal Church, within our bounds, Greeting:

Beloved, as those appointed to watch over you in love, we have marked with painful solicitude, and even with alarm, the growing tendency amongst us to indulgence in "such diversions as cannot be taken in the name of the Lord Jesus."

We would not willingly impose restraint not indicated in the Word of God, and in the Methodist discipline; but the spirit of the times is manifestly in the direction of compromise between the church and the world on matters pertaining to the popular amusements of the day.

We render grateful acknowledgment for all benefactions flowing into the common treasury of the church through the abounding liberality of such as are not enrolled with our common membership, and yet are in active sympathy with the great work of evangelization. Nevertheless, we fear that in our solicitude to insure pecuniary success in behalf of the church, we surrender even more than the world asks at our hands.

Or at least, do we not some sometimes act unwisely in our provision for the entertainment of those who patronize our festivals, sociables, church fairs, etc., appointed for pecuniary purposes?

Are we not in danger of yielding so far to the apparent demands of an imaginary expediency that even the unconverted masses may despise us for undue compromise of religious consistency? And will not their blood be required at our hands? If we are in any degree of doubt concerning duty in this matter, let us cheerfully give the Church of our Redeemer the full benefit of that doubt.

Every Christian may well deprecate the growing popularity of certain games extensively practiced under shelter of the pretext of *healthful recreation*, but the legitimate tendency of which is most certainly to dissipation and demoralization. We earnestly recommend that all social occasions be so conducted as to promote the interests of our intellectual and moral being. Indeed, were it necessary, we might urge the laws of our physical being in opposition to the excesses largely indulged in by the votaries of fashionable amusements. "We beseech you, brethren, by the sure mercies of God, that you present your bodies a living sacrifice, Holy and acceptable unto God, which is your reasonable service."

Let every professed disciple of Christ discourage by every reasonable means all appearance of evil touching this matter, knowing well that the sanctity of our altars can be preserved only by guarding strictly the very threshold of the sanctuary.

Our agricultural fairs as a rule, give such prominence to horse racing and its adjuncts, that it has become a serious question how far they are entitled to the patronage and presence of Christian people.

The religious literature of this day is polluted by contact on the same center-table with elaborate essays in defense of fireside card-playing, as a conservative of unity and morality in the household circle.

We beseech you then, brethren, by the sacred obligations of your high and holy profession, as followers of the Lord Jesus, by the eternity of responsibility with which God has invested you, concerning the well-being of coming generations;

and by the momentous issues of life and death, that you join hands with us for the protection of our beloved Zion from the threatening danger, looking continually to God, who hath promised grace to help in every time of need.

The report of the Illinois Wesleyan University was presented by Dr. Munsell, on behalf of the Trustees, and referred to the Committee on Education.

Resolutions to include house rent in salary were adopted as follows:

Whereas, By the methods usually adopted for collecting house rent, by those charges that have no parsonages, the rent and salary become so blended that they are both reported to the Conference Stewards *as salary*, thus virtually depreciating the financial standing of those charges that have Parsonages, but receive no credit for an allowance for rent on salary; and,

Whereas, Many of the Conferences do include the house rent with the salaries, as reported by their Stewards, thus making unfavorable comparisons of salaries paid by such Conferences and our own; and,

Whereas, The universal practice of other Churches is to regard house rent as a part of the salary, which, with our practice to the contrary, makes an unfavorable showing of liberality on the part of our people to their Pastors, as compared with other Churches, but which would not be supported by the facts; therefore,

Resolved, 1st. That we hereby instruct the Stewards of this Conference to do away with columns in their Report showing the house rent, and engross the rent paid, or a fair allowance for the rent of Parsonage, if there be one, with the salary.

Resolved, 2d. That this paper be published in the minutes, as explanatory of the change in the estimate and receipts of salaries. F. M. CHAFFEE,
H. RITCHIE.

The following was adopted:

Whereas, It is necessary for the Minute Secretaries to have a copy of each Resolution and Report of Committee; therefore,

Resolved, That no Resolution or Report be acted upon until they have been presented in duplicate. A. C. PRICE,
R. HANEY.

EXPLANATIONS.—In the Table of "Steward's Report and Conference Collections," the column for "Preacher's Salary," includes House Rent and Traveling Expenses, as per Conference action.

The Tables are published as placed in the hands of the Minute Secretaries, by the several committees, without correction upon our part.

Discrepances in many cases are occasioned by failures to make *full reports early during the Conference session* on the part of some of the Pastors.

Statistics from the following Charges came in too late: *Illinois City, Rock River Valley, Eliza Creek, Onarga, Leland,* and *Fox River.*

MEMOIRS.

BISHOP D. W. CLARK, D. D.

The committee to whom was referred the preparation of a Memoir of Bishop Clark, beg leave to present the following.

Bishop D. W. Clark, D. D., was born on the Island of Mt. Desert, off the coast of Maine, Feb. 25th, 1812, died at his residence, in Cincinnati, Ohio, of disease of the heart, May 23d, 1871. Aged fifty-nine years, two months.

While very young he was led to embrace religion under the ministry of Rev. R. C. Baily, and he and his mother were two of the thirteen who constituted the first society in that place, and like many other men of distinction, he was indebted to the counsel and influence of his mother, who was a superior woman, and of whom he loved to speak in terms of reverence and the tenderest affection.

In early life he formed the purpose of devoting himself to the sea, but this plan gave a new direction to his thoughts, that of devoting himself to the ministry, and though brilliant prospects presented themselves in after years, in the study and practice of the law, and in political life, yet he never turned aside, even for a moment from the higher calling—the life and work of the ministry.

Bishop Clark graduated from the Wesleyan University, Middletown, Conn., in August, 1836, in the full classical course, having accomplished more than three years study in the space of two years. The following seven years of his life were passed as an educator at Amenia Seminary, New York.

At the age of thirty-one he was admitted on trial in the New York Conference, and commenced his public ministry. After filling five appointments in that conference, in 1852 he was elected editor of the *Ladies Repository*, and by two subsequent unanimous re-elections he retained that position until called by the General Conference of 1864, to the Episcopacy. By his indefatigable labors, scholarly attainments, and elevated literary taste, that periodical was kept fully up to the demands of the times, and now bears the imperial distinction "Queen of the Monthlies." Throughout life he was the earnest and zealous friend of education—having been elected President of these several universities, and the Wesleyan Female College in Cincinnati, is a monument of his zeal and perseverance in this interest. He was "abundant in labors." Between the years of 1864–68, in the performance of his official duties as Bishop, he traveled about 66,000 miles; presided over forty-two annual conferences; visited Origon and California; organized the Nevada, Holstein, Tenessee, Georgia, and Alabama Conferences; ordained

1871

746 ministers and stationed 4,612. In his diary of 1869 is this record. "Reached home weary and worn. My spring campaign is now closed. I have presided over seven conferences, and traveled 9,000 miles." If "deeds, not years" mark the length of life, then has he lived long and well.

The last few weeks of the Bishop's life were marked by much pain and suffering, and yet by great religious joy.

On April 23d, he said "To day is Sunday, is it not? I never expect to go to church till I enter the church triumphant above. * * * How time delays and yet it goes fast enough. The summons don't trouble me—don't trouble me. If God would only come—and yet I don't know that I ought to ask for one pang less. It is all right—all right." Later he repeated :

"When for eternal worlds we steer
And seas are calm and skies are clear."

and turning to his eldest daughter he said, "sing it." While she sang it, he joined with a clear voice in the lines, and then added, "I am glad you have learned to love and sing out beautiful hymns. I hope you will teach them to your children—

"I've Canaan's goodly land in view,
And realms of endless day."

This same Sabbath evening, while his family were geathered at his bedside, he pronounced on each one his blessing: "The Lord bless you and keep you. The Lord strengthen you and build you up. Work for him. Give your life to him. I leave you to the church." And to his children he particularly said: "You have a father's love and a father's prayers, and how intense they are. Our seperation will not be a complete one. I feel that I shall often be with you. I cannot speak words to you, but God, in his tenderness, and loving kindness will permit me to suggest beautiful thoughts to you, and lead your minds heavenward. This idea is ever present with me." At one time he said to his wife, "I don't want you to be troubled about me, but rejoice and give thanks. It will all be well. If there are any indications that the end draws nigh, make no effort to detain me. Let me depart and be with Jesus which is far better."

On May 19th, when sight and hearing were apparently gone, he put out his hand to the members of his family, gathered around him, and the tears rolling down his cheeks, imprinted a kiss upon the lips of each one—a mute and eloquent farewell. Just at twilight, he suddenly roused, and though he had not spoken more than a sentence for nearly two days, he said feebly but distinctly, "*Tireless company, tireless song.*" He paused for a moment and then added "The song of the Angels is a glorious song. It thrills my ears even now." Pausing again he spoke with renewed strength, "I am going to join the angels song. Glorious God! blessed savior! bless the Lord, O my soul! bless the Lord, O my soul!" and sank into an unconscious state from which he never roused until the glad messenger came and ushered him into the gates of heaven—no doubt with the "abundant entrance" he so ardently longed for.

We beg to conclude this memoir in the eloquent words of Bishop Janes, on the occasion of Bishop Clark's funeral services: "God grant that our lives may be

beautiful and devoted, and useful and even sublime, as was his. God grant that in death our peace and comfort may be abundant as was his. God grant that each one of us may make "our calling and election sure," and when our probation ends, may we sleep in Jesus. May we all awake with him in the resurrection morn, and may we all spend our eternity with God. God grant it. Amen."

Respectfully submitted,

G. W. Arnold.

REV. JAMES COWDEN.

Rev. James Cowden was born May, 1836, and died March 2d, 1871.

He was early "taught of the Lord," and the years of his childhood and youth were passed amid the purest of home influences. By such pious means he was peculiarly preserved from the follies and sins common to youth, and from vicious habits which not only tend to corrupt the youthful character, but often continue to exert their evil influence over the life during all its later years, and are felt and mourned over even after the period of conversion.

In the summer of 1853, Brother Cowden was converted to God at a camp meeting held in Henderson County, near the village of Olina. In 1855 he was given license to preach, and in the fall of the same year was admitted as Probationer in the Rock River Conference. His appointments for the four succeeding years were the following, in the order named, viz.: Blandinville, Lafayette, Chillicothe and New Michigan. About this time, 1858, he began to be a sufferer from bronchial disease, and hoping for relief or restoration, he went, in the spring of 1858, to Minnesota, continuing in the pastoral ministry of the church. Previous to his removal to Minnesota, in August, 1857, he was married to Miss Martha A. Klepper, the daughter of an honored and useful minister of the M. E. Church. Brother Cowden returned from Minnesota, after an absence of about six years, resuming his effective labors in the Central Illinois Conference. His pastoral appointments during the years 1865 and 1870 inclusive, were the following, viz: Millersburg, La Prairie, Whitefield and West Jersey, having served one year in each of the two first named appointments, two years at Whitefield, and at the time of his death was fulfilling his second year's service at West Jersey. His death occurred at the Parsonage in West Jersey, on Thursday, March 2d, 1871, about 1 o'clock, A. M., and was occasioned by a violent attack of Pneumonia, from which he suffered about eight days. He died at his own home, and his last hours were cheered with the presence of his dear family and many of the members of his own pastoral charge in the village of West Jersey. His end, like that of the Psalmist's upright and perfect man, was peace. The funeral ceremonies occurred on 3d of March, 1871, at the church in West Jersey, and were participated in by several

1871

ministers of the Conference who were present. An appropriate and impressive funeral discourse was preached in the occasion by Rev. W. Underwood, Presiding Elder of Kewanee District, from 2 Peter 1:1—11, in the presence of a very large and deeply interested and sympathizing congregation. Brother Cowden's remains were interred on the same day in the church-yard cemetery at West Jersey.

It is deemed worthy of mention by the Committee, that the Church of which Brother Cowden was pastor, and from which he was so unexpectedly removed by death, most generously testified their high appreciation of his pastoral worth, and their unfeigned sympathy for his bereaved widow and children, by providing for the payment of the whole amount of salary due until the close of the Conference year, thus continuing to the afflicted family in their deep distress a convenient and sufficient suport for several months to come. For this magnanimous deed the Church at West Jersey cannot fail to receive the blessing of God, according to the words of our Saviour, "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

JOHN P. BROOKS, Com.

SISTER KEARN.

MARTHA JANE, wife of Rev. J. KEARN of the Central Illinois Conference, died of lung fever, at Chebanse, Illinois, Dec. 30, 1870. She was the daughter of James and Lydia Toy, and was born October 17, 1837, in Montgomery county, Pennsylvania. She had been engaged in the service of GOD twenty-one years, being converted at the age of twelve and was faithful ever afterward.

Her death was a glorious vindication of the power of saving grace. Though leaving behind her a husband and four helpless children, she was, nevertheless, able to triumph over all and meet death with resignation. She did not seem to have a conflict of mind, but having laid all on the altar, the language of her heart was, "Father, not my will but thine be done." Shortly before her departure she spoke to her husband about the little ones, requesting him, if possible, to keep them together. She then spoke of the happy life they had lived together in the ministry, but said, with a heavenly radiance on her countenance, "That a happier and far more glorious one awaited them in the mansions of the Just." She then kissed the children and told them that their mother was going to die and leave them, but if they would be good children, obeying their father and loving God, they would come to heaven some time and meet their mother and be with Jesus and the angels. She then requested all present to meet her in heaven, and offered up an earnest prayer to this end, and for all her friends, especially those unconverted. By her request others joined her in prayer, to which she heartily responded. Having thus committed all into the hands of God, she had a short struggle with "the last enemy" and then lay quiet and unconscious for some time uttering the words

'Blessed Jesus" with almost every breath as long as she had strength, and then, with a whisper, repeating the same precious words, she sweetly fell asleep in Jesus. She was an affectionate wife, a devoted mother and faithful friend. She won the esteem and respect of all. Modest and retiring in her way, her social and religious life shone most brightly in the home circle.

NOTE.—Memoirs of Sister Windsor, and Brother Worthington, were not received by the Minute Secretaries.

(D.) Sanctity of the Sabbath.

To the Bishops and Members of the Central Illinois Conference:

The Committee on the Sanctity of the Sabbath report as follows:

That we re-indorse the report of the committee of last year, and recommend the adoption of the following:

Resolved, That we will, during the next year, read the report published in the Minutes of last year at each of our appointments.

Respectfully submitted

S. G. HAVERMALE, *President*
G. I. Bailey, *Secretary.*

(E.) On Temperance.

Your Committee to whom was referred the subject of Temperance make the following report:

WHEREAS The liquor traffic affects society in all of its departments, therefore

Resolved, 1st, That no Christian or lover of his country can engage in or countenance by his influence in any way, either the manufacture, importation, sale or use of intoxicating drinks.

Resolved 2d, That no issue is now before the country equal to that of the prohibition of the manufacture, importation and sale of intoxicating liquors as a beverage.

Resolved 3d, That we will co-operate as far as we can with the temperance organizations to secure State and National prohibition.

Resolved, 4th, The sale of the so-called medicinal bitters in drug stores is an evil surpassed only by the dram-shops.

Resolved 5th, That we will follow the direction of the church and preach at least once every year on the subject of temperance.

Resolved 6th, Tthat all our offices in the land ought to be filled with men pledged to prohibition, and that we will use our influence to secure such men.

A. MOREY, *President*,
J. D. SMITH, *Secretary.*

(F) On Popular Amusements.

WHEREAS, There is a growing tendency among our people to attend places of popular amusement; and,

WHEREAS, The effect upon the spirituality of the members of the church and the morals of the young people of our congregations is deleterious; therefore,

Resolved, 1st, That we do most unhesitatingly and unqualifiedly protest against all forms of popular amusements that in any way tend to or countenance gambling, such as "match game," playing at "base ball," prize contests, whether it be at cards or croquet.

Resolved, 2d, That we do also enter our protest against all horse-racing and wagering at our county fairs, and hereby express our belief that such things are unnecessary and injurious to the morals of all concerned.

1871

Resolved, 3d, That we do earnestly request all our people to discountenance, and discourage every feature of popular amusements and public exhibitions that cannot be used for the glory of God, and the salvation of precious souls.

JACOB MATTHEWS, *Chairman*,
M. V. B. WHITE, *Secretary*.

(G) On Periodicals.

WHEREAS, Our periodicals are not receiving the amount of circulation they deserve; hence the lack of knowledge on the various subjects which now occupy the attention of the church, as well as on the great benevolent causes, and also on the great intellectual, moral and religious progress now going on in the civilized world and that the deep-toned piety which the church is sending out through the columns of her periodicals, may be known and felt through these channels rather than through other presses; therefore

Resolved, 1st, That as ministers of this Conference we will make a more thorough and earlier canvass than ever before for our church periodicals.

Resolved, 2d, That as pastors we are direlict in our duty when we countenance the introduction into our families or Sunday Schools any other than our own church literature.

Resolved, 3d, That the Presiding Elders shall mention the importance of taking our church periodicals in their public ministrations and that the presiding Bishop, on the passage of character, shall ask the question, "Have you attended to the interests of our Church Literature?"

Resolved, 4th, That we have full confidence in the solvency of our publishing interests and of the integrity of our acting Agents and Editors.

A. BEELER,
H. TIFFANY,
C. M. WRIGHT.

(H.) On Freedman's Aid.

The Committee of Freedmen's Aid Society present the following report:

WHEREAS, This Society is designed to elevate the Freedmen of our land, and bring them where they will be self-sustaining in bearing their part of the government responsibilities, and the evangelization of the world, therefore

Resolved 1st, That the circumstances connected with the freedom of the slaves, in the Southern States of the Union, force the conviction that it was of the Lord.

Resolved 2d, That their condition, uneducated and destitute of nearly all means of culture and support, as they were at the time of their Emancipation, and their great desire for the gospel of the grace of God, and for schools of learning, properly conducted under Christian influence, appeals to every pious Christian and earnest Patriot, with irresistable force, to aid them in securing that culture that will give all the benefits of a christian civilization, as citizens of the Republic,

Resolved 3d, That we will speak to our people where we preach, and call their attention to this great missionary field, which God in his providence has strangely and suddenly opened to us at our own door, and we will invite them to co-opperate with Him, by making contributions to the Freedman's Aid Society of our church in support of schools among them; especially schools of a high order, which can offer a course of study that when taken by students will make them as teachers capable, as business men and women competent, as ministers, (if God shall call them to that work,) intelligent, efficient, safe and useful to their race.

WM. LEBE, *Committee.*

(I) On Tract Cause.

Your Committee feeling that the Tract Cause and its interests have not as yet received the full appreciation of the M. E. Church that it merits, and

WHEREAS, It has been a power for good in our time and may be made a greater power to the glory of God, therefore

Resolved, That we recommend the organization of Tract Societies in all our charges for the purpose of securing a more general distribution of tracts among our people.

Resolved 2d, That we recommend the publication of a large number of new tracts in the Swedish language suited to their present and growing wants.

(K) Women's Foreign Mission Society.

The Women's Foreign Mission Society of the M. E. Church, during the past year—the second since its organization—has raised over twenty-two thousand dollars. This sum has been gathered by "mites," from the women of the church, much of it saved by personal economy as the result of new missionary zeal.

Twenty-one thousand copies of the "Heathen Woman's Friend," the organ of the Society, have gone into the houses of the people. This is a warm, live, earnest missionary paper. It can but do good.

The work of the Society has been conducted, as its Constitution provides, "in harmony with, and under the supervision of the Missionary Authorities of the Church;" and in such a manner as to inspire confidence in its ability, and hope for the degraded millions for whom it labors. In view of these facts,

Resolved, That we continue to recognize the helpfulness of this Society, and to pledge it our support.

Resolved, That we give the Secretaries, in charge of our territory, Mrs. Jennie F. Willing and Mrs. J. R. Hitt, with their helpers, all possible aid in awakening and sustaining an interest in this Society.

Resolved, That contributions to this Society be, hereafter, reported and credited to the several charges and inserted in our Annual Minutes.

Resolved, That we will encourage the circulation of the "Heathen Woman's Friend."

(L) On Bible Cause.

1st, *Resolved*, That we still have great confidence in the American Bible Society, and hereby renew our pledge of hearty co-operation with it.

2d, *Resolved*, That we earnestly and prayerfully desire a more liberal support of this cause by all the people, and that we will labor for this with increased diligence.

3d, *Resolved*, That we have reason for gratitude to God for the continued growth of the Society, and the increasing devotion of the people to the word of Life.

(P) On Education.

To the Bishops and Members of the Central Illinois Conference:

DEAR FATHERS AND BRETHREN—Your Committee on Education beg leave to submit the following report:

ILLINOIS' WESLEYAN UNIVERSITY.

We are gratified to learn, from the report of the joint board of trustees and visitors, the following facts with reference to this institution. The year past has been one of prosperity, financially and in number of students. It enters upon the new year with the same faculty and an increase in number of students.

It is gratifying to note that quite a number of young ladies have availed themselves of the privileges granted them in this institution.

The loan ordered by the board last year was secured and the walls and external finish of the building completed.

Through the liberality of Colonel Coler, of Champaign City, the larger Chapel has been put under contract at his expense, and is in progress of completion. By special subscription a portion of the upper floors and hall-ways are being completed.

The University building, when completed, will be beautiful, substantial and commodious, and can but command the admiration of all the friends of the University.

We are pleased to learn that good progress has been made in collecting and funding the principal of the regular and centenary endowments, and hope this work may be completed during the year.

Early in the year the agents completed one of the $25,000 subscriptions and raised about $15,000 on the $25,000 designed to be raised in sums of $100 and upward; and it is thought, with proper encouragement from our brethren this subscription will be soon filled.

In consideration of the above facts we heartily endorse the action of the Board of Trustees in conducting the enterprises of this Institution, and especially in providing that no contract shall be let till sufficient funds are subscribed to meet the obligations. We commend this building enterprise to the sympathy and liberality of the Central Illinois Conference. We would also commend the President and Board of Instruction for the able manner in which they have conducted the discipline and instruction of the school. We recommend that the following requests be granted.

1. That the Bishop re-appoint Rev. O. S. Munsel, D. D., President, and Rev. J. R. Jaques, A. M., Professor in the University.

2. That John Magoun, H. Ritchie, W. G. McDowell and E. C. Hyde, whose terms of office as trustees expires at this time, be re-appointed.

3. That Geo. R. Palmer, Wm. H. Hunter, P. Warner, J. B. Dille, F. M. Chaffee and B. Applebee, constitute the visiting committee from this Conference.

HEDDING COLLEGE.

Your Committee have obtained the following pleasing facts from the reports of the visiting cemmittee and Joint Board of Trustees and visitors of this institution:

The past year has been marked with general health and steady growth in all departments. There were enrolled 221 students, and the growing popularity of the school is attested in the largely increased number who enter upon the first term ef the new year. The course of study has been considerably extended.

The noonday prayer meetings is a powerful auxiliary in promoting piety in both teachers and students. Under its gracious influence the Christian graces are matured and many souls converted to God.

We have increasing confidence in the President and Board of Instructors. Only one change has been made in the faculty. Rev. D T. Wilson having resigned to assume the pastoral relation in this conference. Prof. J. A. Badger, a man of culture and experience and a christian gentleman has been elected to fill the vacant chair.

With tearful regret we record the death of the old and tried friend of Hedding, Oregon P. Swarts. After severe sufferings, on June 5th, 1871, he was admitted to the upper sanctuary.

The financial condition of the college is safe and encouraging. The efficiency of its financial agent is shown in the following exhibit. The Trustees have in reliable assets—mostly notes—$34,000. There has been expended on the basement of the new building and for brick and other building material $10,824 55. Collections have been made to the amount of $9,423 37. The basement story is nearly completed and it is hoped next summer to erect and enclose the building and have it ready for use as early as the opening of the winter term.

In view of prudent management of its finances, the excellent decipline and thorough instruction and crowning all the blessed religious influence we commend this institution to the sympathies and patronage of the Central Illinois Conference, trusting that hearty co-operation will be given the financial agents in completing the canvas for funds to erect a building which, when completed, will be an ornament to the M. E. Church in this conference and furnish unsurpassed facilities for educating the young men and young women within its bounds. We commend the following resolutions:

Resolved 1st, That we respectfully request the Bishop to re-appoint Rev. M. C. Springer, A. M., President, of this institution.

Resolved 2d, That we ask the appointment of Revs. C. Springer and A. J. Jones as Financial Agents.

Resolved 3d, That we request the appointment of Revs. W. H. Hunter, L. B.

Kent, W. A. Spencer, as Trustees, in place of three whose term of office expires, and Rev. G. M. Morey in place of G. W. Gue, transferred.

Resolved 4th, That we ask the appointment of the following visiting committee: Revs. J. S. Cumming, James Haney, D. T. Main, J. J. Fleharty, G. I. Bailey, M. C. Bowlin, C. B. Couch and A. C. Price.

GRAND PRAIRIE SEMINARY AND COMMERCIAL COLLEGE.

Haying examined the papers referred to us we rejoice to find the above institution enjoying increased prosperity. The record of the past year shows an encouraging increase of Patronage over the previous year.

The finances are in a safe condition.

The past most excellent reputation of the moral and religious states of the school is maintained.

The work of the teachers has been thorough and efficient.

It is believed that under the principalship of Prof. J. T. Dickenson, assisted by six competent teachers, the prospects of the school for the future is very encouraging.

We cordially recommend this institution to the patronage of our people.

We also recommend that Rev. J. P. Forsyth, be appointed Financial Agent for the ensuing year, and also that the pastors at Fairbury, Watseka, Pontiac, Loda and Chebanse by appointed visiting committee.

SCANDINAVIAN SCHOOL.

The Swedish department of the Scandinavian School has been carried on during the past year in Galesburg in connetion with the pastorate of that city, as for want of means we have not been able to place it in more permanent operation.

We have so far realized all we could from a small beginning. Two promising young men will leave the school and take active work the coming year.

The prospects in regard to the numbers of students who will attend next year promises to be much better than the past.

The labors and usefulness of the students during their time of study have also proved a blessing to the church, so that we have been greatly encouraged in our works

What we now most want is means, so that we could appoint a man exclusively to the work of teaching, and place the school on a more permanent basis. Our agent, Bro. Newman, has worked faithfully, soliciting help for the school, and though he has met with some success, yet not sufficient to accomplish our purpose. While our Scandinavian friends will try to do all they can towards this object, we feel that we stand greatly in need of the sympathy and aid of our American brethren, and for this purpose we beg leave to present the following resolutions:

Resolved, That we request the Conference to re-appoint Rev. S. B. Newman as agent of the school.

Resolved, That we request the Presiding Elder of Monmouth District, the preachers in charge at Galesburg and Abingdon, and Bro. Albert Ericson as visiting committee for the following year.

(U) On Blind Daughter of Brother Bewley.

Your Committee in the case of the blind daughter of Anthony Bewley, respectfully report as follows:

Miss Amanda Bewley has nearly completed the entire course of study in the Institution, but owing to feeble health will not return again to school.

It is with highest pleasure that we report marked proficiency in all her studies. She is now able to write quite legibly, and her ardent desire to be able to read the word of God has been realized.

It is also gratifying to report that during her stay with Father Cumming she professed the great blessing of perfect love, which blessing she still professes to enjoy.

Financies stand as follows:

Received this year of Southern Illinois Conference	50 00

1st *Resolved*, While we regret that as we think, Brother Haney was somewhat hasty in giving a power of attorney, yet we connot consider that he designed to violate Christian principles or the Discipline of the church, and therefore in view of all the circumstances, the first specification is not sustained.

2d, The second specification is not sustained.

3d, The third specification is not sustained.

4th, The fourth specification is not sustained.

MEMOIRS.

MRS. G. A. WINDSOR.

Sister Windsor died in Chenoa, Ill., on the 7th of March, 1871, in the thirty-second year of her age.

Her former name was Miss Amy Arnold. She was born in Ohio, November 10th, 1839. She was converted under the labors of her companion, at Bardolph, Ill., in January, 1860, and was united to him in marriage September 5th, 1861.

During her sickness she several times gave assurance to her husband that she was willing to submit to the will of her Heavenly Father. A few days before her death, she said to her companion, "I have vowed to the Lord that if He would raise me up once more, I will be more faithful than ever I have been." She expressed great desire that she might be spared, to continue to share the labors of her husband in winning souls to Christ, and assist him as far as possible in prosecuting his blessed work.

A few hours before her departure, calling for her husband, she threw her arms around his neck and said: "Oh, love, love—hard as it is, I shall have to leave you. We must part—oh! how I would like to be longer with you. I have been praying the Lord to spare me for the sake of my children; but if it be His will to take me away, I pray that He may prepare me for the change. My Savior calls me, and I must go. What will become of my children? How will you get along without me?" Her husband said, "God will take care of us, my dear. Just give us fully into His hands, and He will keep us." She then called for her children. "Bring the children to me—where is my little babe?" (in allusion to her infant which was born only two weeks before.) On account of increasing fever, it was not thought best to bring her children to her just then. She soon became partially delirious for a time, and when her children were brought to her, she was not sufficiently conscious to recognize them. A few moments before her departure, her consciousness returned, and she said with a pleasant smile to a neighbor who had just come in, "Oh, I am so glad to see you—you come so often." She then fell into a quiet slumber, and sweetly passed away without a struggle.

Sister Windsor possessed superior qualities of heart and mind. She was a most faithful companion and affectionate mother, and possessed an amiable disposition. She was a useful helpmate to her husband, and a faithful counselor to him in his itinerant work. Given to hospitality, she took the sincerest pleasure in entertaining in her home the ministers of the church.

She was beloved by all who knew her, and those who knew her best, loved her most. She was never more beloved than in the community where she labored last. She never seemed so well fitted for usefulness in her master's service as when she was called away. Truly, the "ways of the Lord are unsearchable." But "Blessed are the dead who die in the Lord." She leaves three little children and a companion to mourn her loss.

Resolved, 3d, That in the absence of ability on the part of the friends of temperance at present to secure absolute prohibition, we hail with gratitude the new Liquor Law recently enacted by the Legislature of our State, making the venders of such liquors liable for damages done by their traffic; and that we will use all reasonable endeavors to secure the prompt and efficient execution of said laws.

Resolved, 4th, That in order the more efficiently to promote the interests of the great cause of temperance, we recommend the appointment of Rev. M. C. Springer as temperance agent.

(I) On Church Extension.

The Committee on Church Extension beg leave to report as follows:

Recognizing the vast importance of the Church Extension Society, we recommend the following:

Resolved, 1. That we will increase our efforts in this great work, that we may largely increase our collections for this Society.

Resolved, 2. That we will preach upon this subject and take the required collection, if possible, during the month of December, and as soon as possible forward the Conference Treasurer.

(Signed,) G. W. ARNOLD, *President.*
G. M. IRWIN, *Secretary.*

(J) On Sunday Schools.

The Committee on Sunday Schools report as follows:

We regret to report that fifty charges in our Conference have reported no collection for the Sunday School Union, and we trust this may in some way be remedied. We rejoice that the aggregate amount of this collection is larger than last year. We therefore recommend the following resolutions:

Resolved, That we request the Presiding Elders to assess districts the amount of collections among their charges.

Resolved, That in our judgment the duty of attending to this interest by a separate collection is imperative.

Resolved, That we are more than ever satisfied that the Sunday School publications of our church are the best and cheapest in the land, and we recommend to our Churches and Sunday Schools the periodicals and books published by our own Sunday School Union as free from the pernicious elements found in much of the current Sunday School Literature.

We are glad to report a large increase in the number of conversions, and as Methodists and Christians we urge upon our people greater zeal in our Sunday School work as the hope of the Church.

B. APPLEBEE, *Chairman.*
GENESEO, ILLS., Sept. 9, 1872. M. C. BOWLIN, *Secretary.*

(K) On Periodicals.

WHEREAS, Gigantic schemes are being matured and strenuous efforts are being made to spread a corrupt literature throughout our country, thereby endangering the morals of the nation generally; and

WHEREAS, There is too much apathy manifested by the Christian people of our country upon this vital subject, and our own books and periodicals are not sufficiently appreciated, and do not receive the wide circulation to which their importance entitles them, thus leading many of our people, destitute of information on various matters pertaining to the interests of our Church, and believing that our Church literature will compare favorably in style and price with any published, and that it is fully competent to edify and instruct our people. Therefore

Resolved, That as Pastors, we pledge ourselves to make an early and thorough canvass for the periodicals of our Church, and will endeavor to circulate our books also, as far as possible.

Resolved, 2. That we reaffirm the resolution passed by this Conference at its present session, "That it is incompatible with the duties and obligations of a Methodist Preacher to use his official influence to circulate literature not published by our Church, to the detriment of our own publications."

Resolved, 3. That we are greatly pleased with the able manner in which our *Northwestern Christian Advocate* is conducted, and we will endeavor to increase its circulation among our people.

(Signed,) R. N. MORSE, *Chairman.*
J. E. RUTLEDGE, *Secretary.*

(L) On Freedmen's Aid Society.

Your Committee beg leave to submit the following report;

The Freedmen's Aid Society is accomplishing a great and much needed work among the emancipated people of the South, and has strong claims upon our sympathy, prayers and benevolence; therefore

Resolved, 1. That we have full confidence in the usefulness and fidelity of this Society.

Resolved, 2. That we approve the action of the General Conference in reference to the Freedmen's Aid Society, and will cheerfully discharge the duties assigned us in the discipline, in the chapter on the education of the Freedmen.

Resolved, 3. That as the sum of fifteen hundred and seventy-five dollars has been assigned us as our proportion of the hundred thousand dollars to be raised throughout the whole Church, we will endeavor to raise ten cents per member in every charge of our Conference for this cause.

(N) On Average Contributions.

Resolved, That we reaffirm the action of last year as follows:

(P) On Education.

To the Bishops and Members of the Central Illinois Conference:

DEAR FATHERS AND BRETHREN—Your Committee on Education submit the following report.

ILLINOIS WESLEYAN UNIVERSITY.

It is with unmixed pleasure that we report the steady and rapid progress of our University in all the elements of power, material, intellectual and moral.

The partial completion and occupancy of its magnificent new building, second to none in the west in architectural beauty, solidity of construction and adaptation to collegiate uses, mark a new era in the history of the institution.

It was fitting that such an era should be marked by a corresponding advance in other elements of power, such as we find in the report, that the Trustees have been enabled not only to restore the President to his chair and recitation room, and thus add another Professor to the corps of working teachers, but have been enabled to secure the services of professors of distinguished abilities in the departments of International and Constitutional law, of Anatomy, Physiology and Hygene, of Vocal and Instrumental Music, and of Modern Languages.

1872

Its finances are in a healthy state, under the wise administration of prudent business men, and we look forward confidently to the near future when its treasuries shall be filled with the free will offering of a generous people.

Above all do we rejoice to know that its halls are crowded with earnest students, who there find not only the treasures of earthly science, literature and art, but that "pearl of great price," even the wisdom that cometh from above, and that it is in the truest sense a school of Christian culture, wherefore

Resolved, 1. That as a Conference we rejoice heartily in the growth of this our University; that we will labor earnestly for its continued and increasing prosperity, and that we will recommend it to our people who desire thorough Collegiate advantages for their sons and daughters.

Resolved, 2. That we respectfully request the Bishop to reappoint Rev. Oliver S. Munsell D. D., President, and Rev. J. R. Jaques A. M. Professor in the University.

Resolved, 3. That C. W. Holder, Esq., Rev. J. S. Cumming and Rev. Z. Hall be re-elected Trustees, and that D. McWilliams be elected to fill the vacancy occasioned by the death of Rev. D. C. Benjamin.

Resolved, 4. That Revs. Geo. R. Palmer, B. Applebee, F. M. Chaffee, W. A. Spencer, R. N. Morse, and G. W. Arnold be appointed Visiting Committee.

HEDDING FEMALE COLLEGE AND SEMINARY.

We have examined the papers referred to us from this institution, and are glad to report that it is enjoying its usual prosperity.

The patronage of students is good and the high moral and religious tone of the school is encouraging.

The vacancy occasioned by the resignation of Rev. M. C. Springer, A. M., has been filled by the election of Rev. J. G. Evans, A. M., to the Presidency of the institution, whose ability and energy will reassure us of success and prosperity. It gives us the more pleasure to make this report because many looked with solicitude to the filling the vacancy occasioned by the retirement of the former tried and faithful principal.

We are glad therefore that we can as earnestly recommend the school to our people under the management of Prof. Evans, assisted as he is by a corps of experienced and efficient teachers as at any former period.

The Trustees report that "Assetts have been secured in notes and subscriptions (mostly notes) amounting to $44,000. Seventeen thousand dollars have been collected and paid for material and work on the new building, and for unavoidable repairs on the present building. Our outstanding liabilities are $4,500. After meeting these we have assets in notes and subscriptions amounting to $21,500. The foundation for the entire building is laid, and the brick and stone for the completion of the walls are on hand. We shall need $25,000 more for the completion and furnishing of the whole building."

Therefore from the above facts contained in the Trustee's report, we urge our people to respond freely to the calls of the agent in collecting funds, and that our preachers also make special effort according to their opportunity to further the same end.

We recommend the appointment of Rev. J. G. Evans, A. M., President, Rev. A. J. Jones, Financial Agent, Revs. W. Underwood, H. Ritchie, and B. E. Kauf-

man, Trustees of the Institution; and Revs. G. M. Irwin, J. Collins, W. C. Knapp, C. Atherton, A. R. Morgan, W. Mathena, R. G. Pearce, S. G. J. Worthington and A. Fisher, Visiting Committee.

GRAND PRAIRIE SEMINARY AND COMMERCIAL COLLEGE.

We are gratified to learn from the report of the Trustees the following facts with reference to this institution.

The year past has been one of marked success, it is growing in favor among the people, and we believe we speak within bounds when we say that no school of like grade has a brighter future. The Seminary remains in charge of Prof. J. T. Dickinson, A. M., a gentleman of nearly twenty years experience in teaching, assisted by an able corps of six teachers. One hundred and seventy-three different students have been enrolled during the year—ninety-two ladies and eighty-one gentlemen. This institution furnishes excellent drill to those desiring to teach, being so arranged that those desiring, can study exclusively the branches required by the new school law, without a knowledge of which no certificate will be given. The County Superintendent speaks highly of the grade of scholarship of this institution, its course of study being such as to fit students for advanced standing in College. The Normal and Scientific Preparatory, Scientific and Classical Courses are full and thorough.

Special attention is given to *Vocal and Instrumental Music* and Painting in Oil and Water Colors.

The Grand Prairie Seminary and Commercial College offers superior advantages to those desiring to pursue a *Commercial Course* at about one-half the rates charged in city schools, and we challenge any similar institution in the land for *thorough, practical and scientific* work. Prof. J. H. Atwood, who excels as a teacher, has charge of this department. The financial condition of the institution is safe and encouraging.

The moral and religious tone of the school and community is excellent, there being neither a drinking saloon or gambling shop in the town. We have no hesitation in saying to parents, send your sons and daughters to this school, and we assure them their morals will be carefully guarded.

We cordially recommend this institution to the patronage of the people. We also recommend the reappointment of Rev. J. P. Forsyth Financial Agent for the ensuing year, and that Wm. Watson, T. E. Webb, M. F. Havermale, J. E. Rutledge and R. D. Russell be appointed Conference Visitors.

GARRETT BIBLICAL INSTITUTE.

WHEREAS, The Garrett Biblical Institute has been and is now an honored and useful "School of the Prophets" under the proper control and government of the Methodist Episcopal Church, and

WHEREAS, A Chicago fire has consumed for the second time within a few years the productive property of the institution, thereby most seriously embarrassing its finances, and cutting off its available resources for the meeting of current expenses. Therefore

Resolved, That the Garrett Biblical Institute is worthy of our confidence, esteem and support; and that we will most cheerfully do what we can to aid the institution in this its hour of trial.

We would further recommend the appointment of Revs. C. C. Knowlton and W. P. Graves as Visiting Committee from this Conference.

SCANDINAVIAN SCHOOL.

The Swedish department of this school has been conducted in Galesburg during the past year by N. C. Westergreen. Six young men who feel that they are called of God to preach the Gospel have been in attendance. The school will be continued in connection with the pastorate of one of the Swede churches until means can be provided for a permanent location. It is confidently expected that this school will become a great *power* for the promotion of the Swedish work among us.

Resolved, That the Bishop presiding be requested to appoint the Presiding Elder of the Swedish Mission District, Financial Agent for this school.

DEAR FATHERS AND BRETHREN—It were idle for us consume your time, or weary your patience by any words calculated to impress upon you the magnitude and importance of the interests you have referred to us.

No man who needs light on a question so fundamental as this, is worthy a place in the ministry of the Methodist Episcopal Church, in the afternoon of the nineteenth century; but you will bear with us if we venture the suggestion that there are yet Christ-loving men and women in our churches, who do not appreciate as they should, not merely that education, but that genuine *Christian Education* is the birthright of every son and daughter of our church in this our fair heritage. Nay, more, we would venture to add, dear brethren, that if we are faithful to our duty as pastors, very many will obtain this precious boon, that otherwise will never realize it.

May we not venture another suggestion, that our duty as pastors, in this matter is not done, when we have secured the attendance of the sons and daughters of the Church at our best Cristian schools. We should see to it that they carry with them to their temporary homes, their church letters, and that we fulfill at once the letter and spirit of our discipline by notifying their new pastors or teachers of their church relations.

Finally may we not in general sum up this part of our duty by suggesting that it is fitting that from year to year we should manifest our interest in this cause by anniversary meetings, devoted not to the interest of this or that school, college or university, but to the broader and higher interests of Christian culture, of which these are but the humble instruments. Therefore

Resolved, 1. That we regard the work of the Christian education of the children of the church, as second in importance only to the preaching of the word.

Resolved, 2. That we set apart the evening of the first day of each annual session of our conference for an educational anniversary.

Resolved, 3. That Revs. W. C. Knapp, J. S. Cumming, and L. Jones, be appointed to arrange for and conduct our first anniversary one year hence.

O. S. MUNSELL, *President*.
W. C. KNAPP, *Secretary*.

(S) On Sanctity of the Sabbath.

Your Committee beg leave to report as follows.

WHEREAS, there is a growing tendency to ignore the sanctity of the Sabbath as a day set apart by divine authority for the worship of God, and to turn it into festivity, therefore

Resolved, That we, as Ministers of the Gospel of Christ, feel constrained to use all dilligence to rebuke this evil.

2. We earnestly condemn the practice of making the day one of merely physical rest or social visitation.

3. We most positively disapprove of the running of railroad trains, or Sunday travel in any other form, except for acts of mercy or religious worship.

3. We cannot, without earnest protest, give our votes or political influence to any party which looks, directly or indirectly, toward legislation which will throw off the wholesome restraints guarding the sanctity of this holy day.

D. M. HILL, *Chairman.*
D. T. WILSON, *Secretary.*

(T) On Tobacco.

Your Committee to whom was referred the subject of tobacco, would respectfully report that

WHEREAS, There is a tendency on the part of both preachers and people to disregard the expressed will of the Church upon this subject, therefore,

Resolved, 1. That we are more than ever impressed with the duty of lifting up our voice against the practice of chewing and smoking tobacco.

Resolved, 2. That it is our conviction that no Minister nor layman can indulge in its use without, in some measure, compromising his influence in the cause of Christ.

Resolved, 3. That as Christian Ministers, we ought, and are under the most solemn obligations, to set before the world an example of consistency, sobriety and temperance.

(Signed), D. H. KREIDLER,
S. R. DEACH,
S. S. GRUBER.

(U) On Tract Cause.

WHEREAS, The Tract Society of the Methodist Episcopal Church has been a power for good among the people, especially those not reached by the preached Gospel, and

WHEREAS, So many not speaking the English language who come to our shores are reached through this instrumentality, and

WHEREAS, the collections for this cause in the Church have been less than the necessary and actual expenditures, and

WHEREAS, There has been a falling off in the collections of this Conference, therefore,

Resolved, 1. That we will give more attention to the collections of funds for this cause.

Resolved, 2. That we will attend to the circulation of tracts where there is a prospect of good being done thereby.

H. TIFFANY, *Chairman.*
J. L. FERRIS, *Secretary.*

WHEREAS, We have observed a decided improvement in the *Northwestern Christian Advocate* under the editorial management of Rev. A. Edwards, and

WHEREAS, We are considered as one of the Patronizing Conferences of said paper, therefore,

Resolved, That we believe that Rev. A. Edwards, as editor, is the right man in the right place, and that we will work diligently to largely increase the circulation of said paper, hoping that by giving to the agents an enlarged subscription, they may be able to give us an enlarged paper.

W. H. HUNTER.
W. UNDERWOOD.

(Y) Northwestern University.

WHEREAS, The Central Illinois Annual Conference of the Methodist Episcopal Church since its organization has been represented in the Board of Trustees of the Northwestern University by two of its members, and now, also, represented in such Board by a layman residing within the bounds of said Conference, and,

WHEREAS, By promotion of one of the Conference Trustees, there is now a vacancy, and,

WHEREAS, Many of our young men have and are now acquiring an education at said institution of learning,

Resolved, That the Conference fill said vacancy at the present session.

(Signed,) W. H. HUNTER,
JAMES W. HANEY,
W. A. SPENCER,
W. C. KNAPP.

(Z) Bros. Wright and Beck.

WHEREAS, We have heard that our beloved Bros. C. M. Wright and W. Beck are about to sever their connection with our Conference and go to another work, therefore,

Resolved, That they have our well wishes and prayers for their success in the important field to which they are going.

O. S. MUNSELL,
J. S. CUMMING.

(A A) Time of Holding Sessions.

WHEREAS, The holding of our Conference Sessions so early in the month of September results in great inconvenience to the preachers and probably lessens materially the amount of our benevolent collections, therefore,

Resolved, That we earnestly request our Bishops, if at all possible, to hold our Conference in the latter part of September or first week in October.

OLD ESTABLISHED

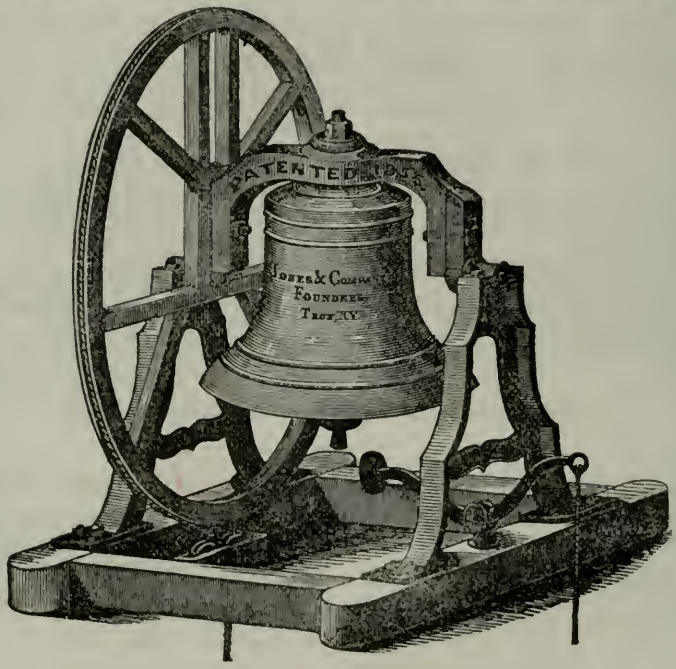
CHURCH BELL CHIMES.



PEALS OF BELLS.

ESTABLISHED 1852.

JONES & CO.

PROPRIETORS.

Cor. Adams and First Streets, Troy, N. Y.

Continue to manufacture those Bells (which have made Troy celebrated throughout the world, and which have been made at this Establishment during the past twenty years), of all

Sizes for Churches, Factories, Academies, Steamboats, Plantations, Locomotives, &c.

Made of genuine Bell Metal (Copper and Tin,) hung with

HILDRETH'S ROTARY YOKE.

THE BEST AND MOST DURABLE EVER USED.

WHEEL, FRAME, TOLLING HAMMER, WRENCH, &C., ALL COMPLETE.

THIRTY First Premiums—Gold, Silver and Bronzed Medals—and hundreds of unsolicited Letters of Commendation are being received annually. Written guaranty with every Bell, to prove satisfactory or be returned and exchanged. Illustrated Catalogues sent free on application to

JONES & Co., Troy, N. Y.

NOTE.—The city of Troy having become celebrated for its Bells, has led some manufacturers at other places to claim that they made their reputation. This, though entirely untrue, we accept as a most emphatic endorsement of our Bells by competitors—and while we are glad to please our rivals by our superior work, we do not know why any reference should be made to it by them—unless to gain *some advantage* from the superiority of our Bells.

CAUTION—Beware of parties claiming to manufacture GENUINE TROY CHURCH BELLS, whose Foundries ARE NOT, and NEVER have been located in TROY, N. Y.

EPISCOPAL DECISIONS.

Statement, Questions, and Decisions, in the case of W. D. H. Young.

The undersigned desire to present the following statement of facts, in the case of W. D. H. Young, together with a request for law decisions on questions suggested thereby:

1. In July, 1872, Rev. W. D. H. Young, a Supernumerary member of the Central Illinois Conference, removed from the bounds of the Monmouth District in said Conference, into the bounds of the Missouri Conference.

2. At the ensuing session of the Central Illinois Conference, in Sept. 1872, charges of immorality were presented against him, and, for want of testimony, they were referred by the Conference, for investigation, to the Presiding Elder of the Monmouth District, within which the offenses charged were alledged to have occurred.

3. Said Presiding Elder convened a Committee of Investigation on the 21st of January, 1873. When the investigation was opened, the counsel for the accused objected to the jurisdiction of the Committee, on the ground that said Young did not live within the bounds of said Monmouth District, and that therefore his case did not come within the provision of the last sentence of paragraph 330, of the Discipline. The objection was overruled; the investigation proceeded, and the accused was found guilty and suspended from the functions of the ministry and the privileges of the Church.

4. In March, 1873, at the session of the Missouri Conference, the Presiding Elder of Macon District, within which District Young was living, presented to said Conference, a copy of the charges upon which Young had been arraigned before the Central Illinois Conference, and on which he had been suspended by the Committee of Investigation, as before related. They were referred to a "Select Number," and Young was acquitted.

Said copy of the charges was forwarded to said Presiding Elder, at the request of the accused, and the counsel for the accused in the investigation, procured a member of the Central Illinois Conference, who was also a member of the Committee of Investigation, and who as such, voted that the charges were not sustained, to sign said charges, and said signer assisted a member of the Missouri Conference, appointed by the Conference in the prosecution of them before the "Select Number," and no others appeared in the prosecution.

5. The proceedings and findings of the Committee of Investigation having now been presented by the Presiding Elder of the Monmouth District, to the Central Illinois Conference, and a motion having been made to refer them, together with the charges, to a "Select Number" for trial; we, the undersigned, uniting in the foregoing statement of facts, unite also in a desire for law-decisions from

the President of the Conference, on the following questions, and we move that he be requested to answer them:

First. Has an Annual Conference jurisdiction, during the time of its session, over its Supernumerary members who may live without its bounds, so as to try them for alledged crimes?

Second. Does the supernumerary relation of a traveling Preacher, whose character has not been passed, and against whom charges have been preferred which have not been investigated, continue, without a direct vote of the Conference?

Third. In case charges against a Supernumerary Preacher cannot be tried at the session of Conference, for want of testimony, may they be referred for investigation to the Presiding Elder of a District from which the accused has removed, but within which the offenses are alledged to have been committed?

Fourth. If a Supernumerary Preacher lives without the bounds of his own Conference, and has been tried by that Conference within which he lives, may he be afterward tried by his own Conference on the same charges?

Fifth. If an Annual Conference has referred charges against a Supernumerary member who lives without its bounds, to one of its Presiding Elders for investigation, and he has proceeded with the investigation, but has not had opportunity to report its results to his Conference, may the Conference within which said Supernumerary Preacher lives, take up the case for investigation and trial?

Sixth. If a Supernumerary Preacher, living without the bounds of his own Conference, procures prosecution and trial in that Conference within which he lives, on charges of offenses alledged to have been committed in his own Conference, signed by a minister who has declared his belief in the innocence of the accused, and to whom the management of the prosecution is in part given, is said trial a *real* trial; and is acquittal in that trial, a bar to further process by his own Conference on the same charges?

W. H. HUNTER,
H. RITCHIE,
GEORGE M. IRWIN,
J. G. EVANS.

I respectfully answer the questions proposed by the Conference, as follows:

QUESTION *First.* Has an Annual Conference jurisdiction, during the time of its session, over its Supernumerary members who may live without its bounds, so as to try them for alledged crimes?

Answer. Yes. The provision of the Dicipline which makes a Supernumerary or a Superannuated Preacher, living without the bounds of his own Conference, responsible to the Conference within whose bounds he may reside, was not, in my judgment, intended to take away the right implied in the tenth question of paragraph 105 of Discipline, of a Conference at its annual session, to examine the character of all its members, and to try any of them in due form if it is judged necessary; nor do I know of any case where an interpretation different from this has been held; especially must it be held that the jurisdiction of a conference

1873

holding its annual session, over its own members for offenses committed within its own bounds, has not been transferred to another, and it may be remote, Conference.

QUESTION *Second.* Does the supernumerary relation of a traveling Preacher, whose character has not been passed, and against whom charges have been preferred which have not been investigated, continue without a direct vote of the Conference?

Ans. Yes. Arrest of character does not change relation. A relation once given continues until, by direct vote of the Conference, it is changed.

QUESTION *Third.* In case charges against a Supernumerary Preacher cannot be tried at the session of Conference, for want of testimony, may they be referred for investigation, to the Presiding Elder of a District from which the accused has removed, but within which the offenses are alledged to have been committed?

Ans. No. Paragraph 330, of the Discipline, provides that in the case supposed, the reference shall "be to the Presiding Elder having charge of the preacher complained of."

Paragraph 233 makes it the duty of the Presiding Elder, "to take charge of all the Elders and Deacons, Traveling and Local Preachers and Exhorters, in his District." By this law a Supernumerary Preacher without work, is put into the charge of the Presiding Elder of the District within which he lives; and no vote of an Annual Conference can subject him to investigation by the Presiding Elder of a District within which he does not live.

QUESTION *Fourth.* If a Supernumerary Preacher lives without the bounds of his own Conference, and has been tried by that Conference within which he lives, may he be afterward tried by his own Conference on the same charges?

Ans. It will appear by the answer to the sixth question, given below, that, in my judgment, the question now proposed, is not "involved in the proceedings pending" in this Annual Conference. I am not, therefore, at liberty to answer it. I will say, however, that the laws of the Church do not adequately define and limit the jurisdiction of the Conference in the case of Supernumerary or Superannuated Preachers living without the bounds of their own Conference, and should be revised with a view to remedy this defect.

QUESTION *Fifth.* If the Annual Conference has referred charges against a Supernumerary member who lives without its bounds, to one of its Presiding Elders for investigation, and he has proceeded with the investigation, but has not had opportunity to report its result to his Conference, may the Conference within which said Supernumerary Preacher lives, take up the case for investigation and trial?

Ans. As, in my judgment, an Annual Conference has no authority for making the reference supposed in this question, the order of the Annual Conference in the case supposed, and the subsequent action of the Presiding Elder, are of no effect upon the rights or duties of the Annual Conference within whose bounds the Supernumerary Preacher may live.

QUESTION *Sixth.* If a Supernumerary Preacher living within the bounds of his own Conference, procures prosecution and trial In that Conference within which he lives on charges of offenses allegded to have been committed in his own Conference, signed by a minister who has declared his belief in the innocence of the accused, and to whom the management of the prosecution is in part given, is said trial a *real* trial, and is acquittal in that trial, a bar to further process by his own Conference on the same charges?

Ans. It is an established and reasonable maxim of civil law that no one shall be put in jeopardy twice for the same offense. But the jeopardy which bars a second trial must be a real jeopardy and not the semblance of jeopardy. It is held, for example, that trial before an unauthorized court does not put the accused in jeopardy, and he may be tried the second time. So it is held, and with good reason, that a trial procured by the accused, either on his own complaint, or on the complaint of those who believed him innocent, and in the abscence of the natural prosecutors of the case, is no trial, and does not put the accused in jeopardy.

I answer, therefore, that the trial supposed in the question is only the semblance of a trial, and acquittal therein is no bar to further process.

REPORTS.

Education.

Your Committee would respectfully submit the following report:

(A) ILLINOIS WESLEYAN UNIVERSITY.

From the report of the Trustees we learn that this institution has, during the past year, enjoyed a good degree of prosperity. The whole number of students in attendance was 252, with a graduating class of nine. The interest on the endowment fund added to the tuition fees received from students will meet the current expenses.

The new scholastic year has opened with a large per cent. of increase in number of students. There has been much religious interest and many conversions among the students.

The day chapel and recitation rooms in the new building are substantially completed and ready for occupancy. To fill the vacancy occasioned by the resignation of Dr. O. S. Munsell, the Board have elected to the Presidency of this institution, Rev. Samuel Fallows, D.D., now Superintendent of Public Instruction of the State of Wisconsin, and we have reason to hope that he will prove equally successful in this position as he has been in the office and field of labor from which he comes to us. The chair of English Language and Literature the Board propose to fill by electing a lady to this position so soon as suitable arrangements can be made.

The financial exhibit, relating to new building, at the annual meeting of the Board was as follows;

Total Debts	$50,067 00
Real Estate	12,650 00
Resources, (notes and subscriptions)	35,068 71
Total Resources	48,068 71

We recommend the re-appointment of Rev. J. R. Jaques, A. M., as Professor. Also the re-appointment of Revs. L. B. Kent, J. G. Evans, Col. O. T. Reeves and Hon. Wm. M. Smith as Trustees.

We further recommend the appointment of Revs. G. R. Palmer, B. Applebee, F. M. Chaffee, G. W. Arnold, H. M. Laney, and Wm. M. Collins as Conference Visitors.

(B) HEDDING COLLEGE.

Your Committee are pleased to find that the past year has been one of signal success with this institution. The embarrassment growing out of delay in the

inaugurated building enterprise has been removed. A fine structure is in rapid progress and will be soon enclosed. Eight or ten thousand dollars beyond what is now pledged will be sufficient to finish the building. The average attendance of students has been much better than in former years, and the new year opens with a large increase over the past year. The current expenses have been fully met by tuition fees received from students. The purpose is to extend the course of study one year. We recommend—

1. The organization of this institution under the general law for incorporation with the name Hedding College, blotting out all distinction of sex in its privileges.

2. The re-appointment of J. G. Evans as President, and Rev. A. J. Jones as Financial Agent.

3. As Trustees for three years, Revs. R. Haney, G. M. Irwin and W. C. Knapp. To fill vacancy caused by resignation of Rev. Wm. A. Spencer, Rev. C. Springer.

We also recommend the appointment of the following persons as Conference Visitors: Revs. F. M. Chaffee, A. R. Morgan, G. W. Arnold, J. W. Haney, L. Janes, H. C. King, C. C. Knowlton, G. W. Martin and S. W. Brown.

GRAND PRAIRIE SEMINARY AND COMMERCIAL COLLEGE.

The material and spiritual prosperity of this institution during the past year calls for devout thanksgiving. One hundred and seventy-five students were enrolled.

The unusually large attendance at the beginning of the new academic year gives great encouragement for the future. The moral and religious tone was never better. The Seminary will remain in charge of Prof. J. T. Dickinson, whose eminent success in the past is sufficient guaranty for the future.

Connected with the Seminary is a first-class Commercial College, under the direction of Prof. J. H. Atwood. The tuition fees in this department are unusually low. One of the advantages offered to patrons of this institution is, that they may here have their sons and daughters educated in a town where there is neither a drinking saloon nor a gambling shop. The finances, under the wise administration of prudent business men, are safe, and the resources are gradually increasing. We recommend the re-appointment of Rev. J. P. Forsythe as Financial Agent, also the appointment of Revs. R. G. Pearce, R. A. Cowen, J. B. Dille, J. Wilkinson and D. H. Gray as Visiting Committee from the Conference.

SCANDINAVIAN SCHOOL.

The Swedish department of this school has been in charge of Rev. C. A. Wigren, who has efficiently conducted it in connection with his pastoral charge in Galva, Ill. Seven promising young men have been in attendance during the past year. With the blessing of God, and the co-operation of Christian men and women, this school will prove a power for good. We bespeak for it the prayers and the material aid of both our Swede and our English brothers.

Resolved, That we rejoice in the prosperity of the Northwestern University, and will do all we can, consistent with the interests of our own institutions, for its continued prosperity.

GARRETT BIBLICAL INSTITUTE.

We are gratified to learn that this school of the prophets has been signally prospered during the past year—that it has nearly recovered from the financial embarrassment caused by the Chicago fire—and that its halls have been filled with students. We earnestly commend it to the continued prayers and liberality of our people. We also recommend the appointment of Prof. J. R. Jacques and Rev. G. W. Arnold as Conference Visitors.

EDUCATIONAL FUND.

We report the following collections for this fund:

	From Church.	From S. S.	Total.
Peoria District	$ 6 50	$ 3 50	$ 10 00
Canton District	4 00	3 00	7 00
Macomb District	5 70	....	5 70
Monmouth District	16 45	....	16 45
Rock Island District	5 25	....	5 25
Kewanee District	4 50	5 90	10 40
Wenona District	10 50	....	10 50
Onarga District	19 50	....	19 50
Normal District	15 80	....	15 80
Swede Mission District	2 00	....	2 00
Total from Church	$90 20	S. S., $12 40	$102 60

This money is transmitted by the Treasurer, Rev. B. Applebee, to the Board of Education, through its Secretary, Dr. E. O. Haven.

We commend to the Conference the following resolutions:

Resolved, 1. That we highly approve of the organization of a Board of Education of the M. E. Church by the General Conference, and we trust that it will grow with the growth of the Church and exert great influence upon all our institutions and upon the general cause of education.

Resolved, 2. That Prof. J. G. Evans, Prof. J. R. Jacques and Rev. F. M. Chaffee be a Committee to confer with the Board of Education in the distribution of funds.

Resolved, 3. That we recommend the observance of the second Sunday in June as Children's Day, according to the provisions of the Discipline.

D. H. Gray, *President.*

D. T. Wilson, *Secretary.*

Visitors to Garrett Biblical Institute.

We are happy to be able to report that the Garrett Biblical Institute is in all respects, in a prosperous condition, and as we believe, doing a great and good work for the Church.

Our brethren of the Visiting Committees from the several Annual Conferences agreed upon several facts in reference to the practical workings of the Institute:

1st. That it would be well to strengthen the Faculty by the addition of one or more *young men* of ability, learning, and activity.

2d. That the course of study should be modified somewhat, to meet the demands of the times, and fit our students to handle the live questions of the day.

3d. That the methods of examination should be of such a character as more fully to throw the student upon his own resources.

4th. That we deprecate anything like making the Institute a part of the Northwestern University; but as its character demands, to keep it ever a distinct Institution.

5th. That it is to be an Institution for the whole Church.

6th. We find the finances in good condition. The amount of original endowment, by Mrs. Garrett and still intact, is about $300,000. There are also nearly $150,000 other assets, including buildings, Libraries, &c. The buildings burned by the great fire at Chicago have been rebuilt. Amount received from the Church after this fire by donations, about $62,500. Indebtedness, about 92,500: with a sinking fund that will, in a comparatively short time, leave the Institution free from debt with a property of nearly half a million. The annual income last year, was about $17,500, which met current expenses.

As your Committee, we cheerfully and heartily endorse the teachings and methods, and general character of the Institute, and hope its halls may be filled with consecrated students.

The number now attending is about 150; though only about half that number are in the Institute proper.

In regard to the candidates for admission, the Institute opens its doors to all of whatever degree of culture; however, the tendency seems to be to elevate the standard of qualifications for entry upon the course, so that eventually, none but graduates of Colleges shall be admitted.

We unhesitatingly say that we deprecate any tendency to exclude any who are endorsed by the Church and desire qualifications to do the work of an itinerant minister. Our motto is, take them all, and help them as much as possible.

In closing, we desire to express our thankfulness to God for the privileges our young men preparing for the Ministry enjoy in our Biblical Institutes, and pray that He may raise up a multitude for this work, and that they may be received and polished, and furnished for the work of the Gospel Ministry in the Garrett Biblical Institute.

Woman's Foreign Missionary Society.

WHEREAS, The "Woman's Foreign Missionary Society" of the M. E. Church has been adopted by the General Conference as one of the beneficiaries of the Church, and we, as pastors, are under obligations to care for its interests; therefore,

Resolved, 1. That we will present its claims to our congregations, and organize auxiliaries as far as practicable.

1873

Resolved, 2. That in securing subscribers for our church periodicals, we will endeavor to put a copy of the "Heathen Woman's Friend" in every family upon our charges.

Ladies and Pastors' Christian Union.

The Committee to whom was referred the cause of the Ladies and Pastors' Christian Union, would respectfully submit to your body the following report:

WHEREAS, Our late General Conference, assembled in Brooklyn, New York, made this Society auxiliary to the Church, and

WHEREAS, We find it a needful help to the work of the pastorate, to visit and care for the neglected masses; therefore,

Resolved, 1. That we adopt the Constitution herewith presented, which provides for the organization of a Conference Society, and would recommend the appointment of the following names as officers of said Society. (See list of Society Officers.)

Resolved, 2. That we rejoice in the success that has attended the efforts of this Society among us the past year, as set forth in the annual report of our Corresponding Secretary.

Resolved, 3. That we as ministers will co-operate with, and encourage this branch of work in our respective charges.

Resolved, 4. That we invite and will cordially welcome to our respective charges the Corresponding Secretary, Mrs. Phebe A. Spurlock, believing that her visits will increase our activity in the pastoral work.

Freedman's Aid.

Your Committee on Freedman's Aid, submit the following report:

WHEREAS, The bondage of ignorance and irreligion is more fearful and appalling than the mere bondage of the body, to which the colored people of the south have in the past been subjected; and,

WHEREAS, Many of the colored preachers now laboring among this people as public teachers, are but poorly educated, and many unable to write; and,

WHEREAS, The Emancipation of 1863, has freed them from physical bondage, thereby opening up the way *for moral* and mental freedom, therefore,

Resolved, 1st. That we are in sympathy with the aim and efforts of the Freedman's Aid Society of our Church.

2d. That we will present the claims of the Society to our people early in the year, and take up a collection at each of our appointments, and raise, if possible, ten cents per member, to meet the $1500 assigned to our Conference.

Sunday Schools.

Your Committee on Sunday Schools report as follows:

Considering that the religious instruction of the children and youth of our land depend largely upon Sunday Schools, and that we should take a greater interest in this work, therefore we recommend the following resolutions:

Resolved, 1. That as pastors we will give renewed attention to this part of our work, considering that our book of Discipline affords us admirable instruction thereto, and our Sunday School publications the necessary appliances.

Resolved, 2. That we earnestly urge the attendance of parents in our Schools, and the continuance of the sessions during the winter season, where they are not so continued.

Resolved, 3. That the Constitution herewith submitted be adopted.

CONSTITUTION OF THE SUNDAY SCHOOL UNION OF THE CENTRAL ILLINOIS CONFERENCE.

Article I.—*Name.*

The title of this society shall be The Sunday School Union of the Methodist Episcopal Church.

Article II.—*Object.*

The object of this Society shall be to promote the cause of Sunday Schools within this Conference.

Article III.—*Members.*

Article IV.—*Officers.*

The officers of this Society shall be a President, two Vice Presidents for each District in the Conference, (one a minister, the other a layman), and a Secretary, who shall also be Treasurer. These officers shall be selected and appointed annually in the same manner as the Examining Committee; shall hold office and serve till their successors are appointed, and the ministers among the officers shall constitute the Sunday School Committee at the Conference following their appointment. When any Vice President shall, for any reason, fail to perform the duties assigned him, the President, with any two Vice Presidents, may replace him by some one qualified and willing to do the work.

Article V.—*Duties of Officers.*

It shall be the duty of the President to have general supervision of the Sunday School interests of the Conference, and to represent this Conference in every State Sunday School Convention of Illinois, and to see that the Vice Presidents perform the work allotted them.

J. HART, *Secretary.*

On Tracts.

We, the Tract Committee, report that the Tract Cause is largely overlooked by many members of the Central Illinois Conference, there being at least forty-seven charges from which no collections are reported, and several charges which report a collection without any other voucher than a letter from the pastor, and several report a collection simply by filling out the envelope that should contain the cash or a receipt for the same; therefore,

Resolved, That those ministers who have taken no collection and made no disciplinary report of any, ought to pay more attention to this worthy object, and, in the judgment of this Committee, the Presiding Elder or some one whom he may appoint, should address each pastor in his District who failed to take a collection for tracts during the Conference year just closing, urging him not to overlook this collection.

Resolved, That we pastors will see that Tracts are placed in the hands of the Committees for distribution on our several charges.

N. O. WESTERGREEN, *Chairman.*

Bible Cause.

Your Committee on the Bible Cause submit the following report:

Resolved, 1. That we believe the American Bible Society to be Catholic in spirit and designed to unite all Christians in the work of spreading the Word of God throughout the world.

Resolved, 2. That we rejoice in the prosperity of this organization, and will co-operate with the agents of this Society *in promoting its interests.*

Resolved, 3. That we question the policy of dropping the statistics of the Bible Cause from our Conference Reports, and fear the results will be disastrous to the cause, and would therefore recommend the restoration of the column in the Statistical Report for the Bible Cause as soon as possible.

Resolved, 4. That we heartily approve of the plan lately inaugurated by the Bible Society, of placing the Bible in our railway cars and depots, and hail it as a sign of progress and a hopeful omen of the future.

J. D. SMITH, *Chairman.*
J. H. SANDERS, *Secretary.*

Claims of Book Concern.

The Committee on Claims of the Book Concern would respectfully report as follows:

1. We hereby report to the Conference, the case of J. D. Scott's indebtedness to the Book Concern, amounting to $405.78, recommending that 50 per cent. of the funds in the hands of the Stewards, be appropriated to apply on his note and accounts.

2. The Committee further report, that we recommend the Agents of the Book Concern to follow the instructions of the General Book Committee, based upon the action of the General Conference, (see journal, paragraph 436), that no further credit be given to a preacher owing the Concern, beyond the meeting of the Conference to which he belongs.

Signed,

Periodicals.

Your Committee beg leave to report the following:

WHEREAS, The journalism of the country has much to do with the education of the masses, and as the world is disseminating a corrupt literature, pernicious in its influence; therefore,

Resolved, 1. That we feel bound to introduce a healthy class of reading as an antidote for this evil; and we hereby agree to do our utmost to extend the circulation of the *Northwestern Christian Advocate*, the *Ladies' Repository*, the *Golden Hours*, and other of our Methodist periodicals into all the families of our several charges.

Resolved, 2. That we are much pleased with the general management and editorial ability exhibited in the *Northwestern Christian Advocate* the past year, and suggest that a leading article on *Practical Theology* be inserted on the inside of the paper each week, and that the editor avail himself of the fund placed in his hands to secure such articles from our ablest theological writers.

Resolved, 3. That we will not forget the *Sandebudet*, and we will endeavor to obtain subscribers for it among the Swedish members of our charges.

Respectfully submitted,

B. V. DENNING, *Chairman.*
CHAS. H. BRACE, *Secretary.*

Parsonage Furniture.

WHEREAS, Our discipline recommends that all our parsonages or houses occupied by our traveling ministers be supplied with all heavy articles of furniture; and

WHEREAS, Our people are subjected to great expenses, and our ministers to great inconveniences and often to great sacrifices; and

WHEREAS, The foregoing expenses would in a few years furnish our parsonages with all the foregoing articles; therefore,

Resolved, 1. That it shall be the duty of the Presiding Elder, at the first Quarterly Conference in the year, in each charge, to earnestly recommend the adoption of some plan by which all our parsonages shall be furnished with stoves, so that none of these "heavy articles" need be moved after the present year.

Resolved, 2. That a Committee shall be appointed hereafter at each Annual Conference, consisting of one from each District, on Parsonage Furniture, who shall make such report on that subject as they may deem proper, at each Annual Conference.

Resolved, 3. That the Committee on Parsonages and Furniture in each charge be recommended to carefully examine the condition of the parsonages and furniture at the close of each year, and any damage done by the minister may be assessed and charged to his account by the Stewards.

All of which is respectfully submitted, W. C. KNAPP, *Pres't.*

Temperance.

Your Committee on Temperance respectfully report as follows:

While we rejoice in everything that tends to endanger the interests of those engaged in the traffic in intoxicating liquors, we are fully satisfied from observation and experience that no *law* which in any way recognizes it as a legitimate business, however difficult that law may make it for persons profitably to engage in it, either *does* or *can* meet the exigencies of the case. Desperate characters are always ready, when pressed, to resort to desperate means to accomplish their purposes. Of this class are those who engage in this truly desperate business. Open the door to them, however narrow it may be, if there is any money to be made by crowding through—through it they will crowd themselves at almost any risk. In view of these facts it is not to be wondered at, that in so mony localities the traffic in intoxicating liquors is but little if any decreased since the passage of the law making the venders responsible for the damage done by the liquors they sell.

Another sad feature of the case is, that very few, comparatively, are successfully prosecuted for damages. This fact emboldens others, so that there is even a probability that this soul-destroying traffic will be increased instead of being entirely done away, as some of the supporters of this apparently wise law fondly hoped.

We, therefore, as ministers of the Gospel, in council assembled, earnestly advise those in, and to be in authority, as soon as possible, to fix upon the statute books a *law* making it a *penal offense* incurring *severe* penalties, to sell as a beverage intoxicating liquors at all. It is our firm conviction that there is safety only in some such law. To secure it, proper persons must be elected to legislate for us.

Of the temperance issue we should never lose sight. Our own motto *is*, and that of the people *should be*—"*Prohibition, first, last and all the time.*" Men who will not unequivocally pledge themselves to do their best to pass as effective a prohibitory law as possible should not be entrusted with the law-making power.

As Methodist preachers we will do all that we can by preaching, praying, teaching and example, to educate the masses up to the standard which will not only *compel* the passage of a stringent prohibitory law, but *secure its enforcement to the very letter.*

G. C. WOODRUFF, *Chm'n.*,
THEODORE HOAGLAND, *Sec'y.*

Use of Tobacco.

Your Committee report as follows:

WHEREAS, The practice of chewing or smoking tobacco is extremely offensive to all but persons of grossly perverted senses, and tends strongly, ordinarily, to blight all the nobler human faculties, and is a bar to the highest Christian and ministerial usefulness: therefore,

Resolved, 1*st*. Resolved, 2*d*. That each candidate for admission on trial, be required to state, before retiring, whether he uses tobacco.

Resolved, 3*d*. That our bishops be and hereby are respectfully requested not to transfer any man to this Conference who is thus defiled, without exacting from him a similar pledge, and all the more cordially in view of the Inspired injunction "Be ye clean that bear the vessels of the Lord."

Resolved, 4*th*. That we will, by precept and example, instruct the children as well as the adults of our charges, to avoid so pernicious a habit.

VIII.

MEMOIRS.

Rev. John Chandler.

JOHN CHANDLER was born in the town of Enfield, Hartford County, Conn., October 16th, 1797.

His parents were members of the Congregational Church. At sixteen years of age he was deeply convinced of sin, and at twenty-four he was powerfully converted, and had a clear assurance that his "sins were forgiven through the blood of the Lamb." Having embraced Calvinism, he was for some time greatly depressed in spirit, but by reading Fletcher's Checks and the Methodist Discipline, his mind was led to grasp the doctrine of Free and Full Salvation. "And after deeply weighing the subject," he joined on trial the Methodist Episcopal Church, in Rochester, N. Y., April 26th, 1821.

He was licensed to preach in June, 1824, and in the same year received on trial in the Pittsburg Conference. For twelve years he traveled large Circuits, suffering much from exposure to all kinds of weather, and doing an immense amount of hard work. In those years God gave him many souls, and among them our Sainted Bishop, Calvin Kingsley. He then traveled four years on the Ravana District, and four years on the Erie District. His term of service on the Ravana District was marked by wonderful revivals. In a single year three thousand souls were added to the Church.

In 1844 he came to the Rock River Conference and was stationed in Peoria, where he labored two years. He then spent two years in the Northern part of the Conference, one of which was on the Chicago District. Next he spent four years on the Peoria District. After that he spent six years of successful labor in various fields. In 1858 he was appointed to the Rock Island District, and in 1860 to the Kewanee District, where he continued four years. In 1864 he was appointed to Perry St., Peoria, and at the expiration of two years he was appointed Centenary Agent. In this agency he finished his regular work; for at the close of the year, he was, on account of failing health, superannuated, and from that time till his death he was a great sufferer, but triumphed through the grace of God.

His wife, with whom he lived in loving wedlock forty-one years, preceded him to heaven only a little time, having died June 7th, 1870. And after severe and protracted sufferings, he fell asleep in Jesus, at his home in Peoria, at 4 o'clock Thursday, August 14th, 1873.

Father Chandler was deeply pious, a man of power in prayer and preaching, a prudent officer in the Church, and a princely leader in Israel. He was loved and honored by his brethren, and now that God has called him home, he is sincerely mourned by all.

1873

Worthington.

Rev. Garrett Garrettson Worthington, was born in Baltimore County, Md., February 19th, 1797.

At the age of seventeen he was converted, and immediately joined the Methodist Episcopal Church. He was received on trial in the Illinois Conference in 1835, and appointed to Shiloh Circuit. He afterward traveled Dubuque, Mt. Morris, Iowa City, Rock Island, Freeport, Knoxville, Nauvoo, and Pekin Circuits. One year he was Agent of Rock River Seminary. His various fields of labor extended to the northern limits of Illinois, and as far west as Iowa City, in Iowa.

He was married Feb. 1st, 1838, to Miss Elizabeth C. Scott, of Carroll Co., Illinois.

His health being feeble, he was three times compelled to take a Superannuated relation to his Conference, and after resting a year, again resumed his active labors. In 1851 he was again granted a Superannuated relation, which he sustained until his death, which occurred at his home in Groveland, Illinois, Jan. 8th, 1871.

Our venerable brother was an earnest and sincere Christian, and a faithful Minister of the Gospel. Of him it may be truly said, "none knew him but to love him." Of the fruits of his labors, the record is on high. He rests from his labors and his works do follow him.

His last illness was severe and long, but he was patient, cheerful, and hopeful. God was with his aged servant, and no shadow rested upon his spiritual horizon. His testimony was always clear and unwavering.

He leaves a sorrowing wife and an only child, a daughter, to lament his departure.

Sister Mitchell.

Mary A., wife of Rev. J. P. Mitchell, of Central Illinois Conference, died at their residence in Lostant, Ill., April 21st, 1873, in the 27th year of her age. She was the daughter of Uriah and Sarah M. Griffith, and was born in Morgantown, West Virginia.

She was educated at the Morgantown Collegiate Institute, from which she graduated June 20th, 1865, and on December 13th, 1866, she was united in marriage to J. P. Mitchell, of Lloydsville, Ohio. Soon after their marriage they came to Illinois, where they lived and labored until death called our sister home.

She and her husband were spending their first year in the itinerant work on Wenona Circuit, where her earnest labors and complete devotion to the service of her Master, won for her the confidence and esteem of all who knew her.

Her last illness was very severe, yet her faith was unwavering, and her triumph complete. Her last hours on earth were spent in singing with her sister and husband, songs of praise and triumph. Thank God for a religion that stands the test of death.

Reports.

Education.

THE ILLINOIS WESLEYAN UNIVERSITY.

Your Committee would respectfully submit the following report, based on the information given in the Catalogue, the report of the Trustees, and the report of the Conference Visitors:

The new President, Rev. Samuel Fallows, D. D., since our last session, has been inaugurated and entered upon his duties under the most favorable auspices. Rev. Jennie F. Willing, A. M., on January 1st, 1874, entered upon her duties as Professor of English Language and Literature, and has proved her eminent fitness for the position.

The course of study in Greek and Latin has been extended, so as to conform to that of the old Universities and Colleges of the land, while for the last or Junior Year in Greek and Latin, other studies may be substituted.

The non-resident system of study, modeled after that of the world-renowned London University, has been adopted, and has met the approval of the most eminent ministers and educators. The post-graduate courses of study for professional men are attracting the attention of earnest students in all parts of the East and West.

The College of Law, under Judge R. M. Benjamin, A. M., as Dean, is fully organized, with a competent Faculty and a large number of students.

A "Woman's Educational Association" has been lately formed for the endowment of a chair, to be filled by a woman as professor, and for the founding of a "Home" for young women who are struggling to educate themselves. The efforts thus far have been signally successful, and we hope ere long to report the consummation of this enterprise.

The finances of the University are steadily improving. By negotiation with the Missouri, Kansas and Texas Railroad Company, through Rev. G. W. Gue, the Institution has lately come into possession of one hundred thousand acres of choicest lands, situated in Neosho Valley, Kansas, by the sale of which the Trustees hope to discharge their indebtedness incurred in erecting the new building. Already more than twenty-nine thousand acres have been sold, and the prospect is very flattering for the future.

1874

For full information we would call attention to the very complete new Catalogue, which deserves special attention here as working an era in the history of the Illinois Wesleyan University.

We recommend the appointment of G. W. Gue and J. B. Dille as agents of the University for the sale of lands.

We further recommend the appointment of J. R. Jaques, A. M., as Professor, and the appointment of the following persons as Trustees: John Magoun, H. Ritchie, F. M. Chaffee and E. C. Hyde.

We also recommend the appointment of the following persons as Conference Visitors: G. R. Palmer, B. Applebee, G. W. Arnold, A. M., G. M. Irwin, A. M., and C. Springer.

Signed: W. C. KNAPP, *President.*

M. C. BOWLIN, *Secretary.*

HEDDING COLLEGE.

We are gratified to learn, from the report of the Trustees, that Hedding College has enjoyed unusual prosperity during the past year.

The new substantial, beautiful and commodious building is now externally completed, and eleven rooms finished ready for occupancy; the entire new building is needed, which will require additional subscriptions to the amount of $8,000. Better accommodations are now offered to students than the institution has offered before since its organization.

A very flattering increase in the number of students is also reported, while the present term opens with more students in attendance than any former corresponding term.

The current expenses of the school have been fully met by the tuitions received from the students.

This institution offers the advantages of three courses of study: the Scientific, Philosophical and Classical, comparing favorably with the courses of study in our best Western colleges, upon the completion of which corresponding degrees will be given.

The moral and religious advantages of the institution, and of the city of Abingdon also, are such as to inspire its patrons with confidence, and to fill our hearts with devout thanksgiving to Almighty God.

This institution has, through the Illinois Wesleyan University, the exclusive sale, within its patronizing territory, of the lands of the Missouri, Kansas and Texas Railroad, in the fertile Neosho Valley, Kansas, excelling in beauty, fertility and healthfulness, which they offer for sale on most favorable terms.

We most cheerfully recommend:

1st. The appointment of Rev. J. G. Evans, A. M., to the Presidency of the College, and Rev. A. J. Jones as Financial Agent for the ensuing year.

2d. The election of the following persons as Trustees for three years: Revs. W. H. Hunter, C. Springer, C. C. Knowlton.

3d. The appointment of the following persons as Conference Visitors: Revs. M. C. Bowlin, A. K. Tullis, A. R. Morgan, H. C. King, U. Z. Gilmer, P. A. Cool, T. L. Falkner, B. F. Tallman, W. D. H. Young.

GRAND PRAIRIE SEMINARY AND COMMERCIAL COLLEGE.

The last has been a year of marked prosperity to this institution. Two hundred and nine students were enrolled. The fall term of the present year has opened very prosperously, having a large increase in number of students over any corresponding term in its history.

The moral and religious tone commend it to the confidence of all parents. Prof. J. T. Dickinson, A. M., who is so favorably known, will still remain in charge. This will be received by his many friends as sufficient guaranty for the future of the institution.

The regular courses of study, the Scientific and Classical, are full and thorough, fitting students for practical life or an advanced standing in college. Ample provision is made for instruction in the fine arts, and in music, vocal and instrumental.

Prof. J. H. Atwood, who still has charge of the Commercial College, is worthy the highest commendation for making this department a *real* success.

The Centenary Fund, and all the financial interests, are carefully managed by prudent business men. The institution has secured, through the Illinois Wesleyan University, the sale of fifty thousand acres of land belonging to the Missouri, Kansas and Texas R. R. Co., in the beautiful Neosho Valley, Kansas, at from three to six dollars per acre, on ten years' time, at seven per cent., or thirty-three per cent. discount for cash.

This institution is located in Onarga, Ill., where there is neither drinking saloon nor gambling shop. We most heartily recommend Grand Prairie Seminary and Commercial College to all who desire to educate their sons and daughters under energetic christian teachers, and in a town unsurpassed for its morality.

We recommend the re-appointment of Rev. J. P. Forsyth as Financial Agent for the ensuing year. Also the appointment of the following persons as Conference Visitors: Revs. W. P. Graves, G. W. Burns, M. F. Havermale, M. D. Heckard and R. D. Russell.

GARRETT BIBLICAL INSTITUTE.

We rejoice in the prosperity of this institution, and in the fact that seventy-eight theological students have been present the last year, and ninety-seven in preparatory studies. We hope that all may be welcomed and provided with suitable instruction. We also approve the organization of the Pastors' Theological Union, which holds its annual meetings in connection with the anniversary exercises of the institution in May.

We further approve the plan of securing non-resident lectureships from our various institutions of learning, and from the Church at large. As the standard of scholarship for admission into the Garrett Biblical Institute is higher than that attained by the majority of our under-graduates preparing for the ministry, we recommend that any educational money that our Conference may have to bestow upon needy students be given equally to the institutions within the bounds of our Conference, to assist such students as are preparing for the ministry.

1874

Your Committee nominate Rev. F. M. Chaffee and Rev. D. H. Gray as Visitors.

We present the following resolutions:

Resolved, 1st. That we highly approve of the organization of the Board of Education of the M. E. Church, and we earnestly recommend that a collection be taken in every congregation for this object.

Resolved, 2d. That Prof. J. G. Evans, Prof. J. R. Jaques and Rev. F. M. Chaffee be a committee to confer with the Board of Education in the distribution of funds.

Resolved, 3d. That we recommend the observance of the second Sunday in June as Children's Day, according to the provisions of the Discipline.

M. C. Bowlin, *Secretary*. W. C. Knapp, *President*.

Sunday-Schools.

Whereas, Recognizing that the early religious culture of children is highly important, and that the Sunday-School is the strong arm of power in the Church of God in securing this culture, we would, if possible, secure an increased zeal in the Sunday-School work throughout the Conference ; and in order to do this we recommend the following resolutions :

Resolved, 1. That as Pastors we will endeavor to carry out more fully the Disciplinary directions respecting children in our schools.

Resolved, 2. That we urge the formation of our adult members into Bible Classes in our schools, as far as it may be practicable.

Resolved, 3. That to provide capable teachers for our schools, we recommend the establishment of a Normal Class in each of our schools, to be composed at least of the officers and teachers of the school, and to be under the supervision of the Pastor. C. B. Couch, *President*.

W. B. Carithers, *Secretary*.

Temperance.

While we rejoice in the fact that public sentiment has been much improved, and public feeling greatly aroused by the earnest discussions, fervent prayers and effective work of men and women of God, during the past year, we still feel the importance of not only maintaining the ground already gained, but of pushing the battle to the very gates of the enemy. We renew with emphasis our former utterances, that drunkenness is a sin against God and a crime against society, and will employ our utmost endeavors to suppress the traffic in and discourage the use of intoxicating liquors as a beverage.

The liquor business has become such a power in the land that there is just cause of alarm for the peace of our country. Existing laws do not meet the de-

mands of the case. *In total prohibition is our only safety.* We cannot support for office any person who opposes or is indifferent to the most stringent prohibitory legislation. We recommend to all our preachers and people to use their influence to introduce temperance principles and policy into the platforms of our existing political parties.

The use of *alcoholic wines* in the *communion service* is unnecessary and dangerous, and we enter our protest against it.

We recommend the holding of Temperance Concerts in all our Sunday-Schools. Respectfully submitted,

D. T. WILSON, *Secretary.* L. B. KENT, *Chairman.*

Tracts.

Your Committee find that there has been an increase in the number of charges taking the collection the past year, yet there is a falling off in the aggregate amount collected; and

WHEREAS, We regard the work of our Tract Society of inestimable worth in the work of saving souls; therefore,

Resolved, That we urge upon every minister in charge to take the collection at all points on his work, fully presenting its claims to the people, and also to properly attend to the distribution of tracts as the Discipline requires.

N. T. ALLEN, *Secretary.* P. A. COOL, *Chairman.*

Ladies' and Pastors' Christian Union.

We rejoice in the efficiency of this very helpful appliance of the Church during the past year. It has not only stimulated and aided the pastoral work in our Conference, but has also rendered material aid to our home missionary work on the Pacific coast.

The very faithful labors of our Corresponding Secretary, Sister Phoebe A. Spurlock, have greatly quickened the zeal of lady helpers in pastoral work in the charges visited by her, and we invite her and the President and Vice Presidents of our Society to co-operate with us in organizing and working auxiliary societies on our rural charges during the coming year.

We recommend that annual district meetings be held in connection with the District Conferences, such meeting to be composed of one delegate from each auxiliary society within the bounds of the district and all members of the society present at the district meeting. Submitted,

JAS. FERGUSON, *Secretary.* JESSE SMITH, *Chairman.*

Freedman's Aid.

Your Committee would respectfully present the following report :

1. That as a Conference we are heartily in sympathy with the organization and work of the Freedman's Aid Society.

2. That we do not consider ourselves burdened by the sum assessed us for the benefit of said Society.

3. That during the coming year we will put forth a vigorous effort to raise the amount set apart to this Conference for the benefit of said Society.

JAMES W. HANEY, *Secretary.* JOHN BORLAND, *Chairman.*

SUPPLEMENTAL REPORT.

WHEREAS, The Board of Managers of the "Freedman's Aid Society of the Methodist Episcopal Church" has apportioned to this Conference $1,575.00; therefore,

Resolved, That the Presiding Elders be instructed to apportion this amount among the several appointments, and assist the Pastor in raising it.

J. W. HANEY, *Secretary.* JOHN BORLAND, *President.*

Parsonage Furniture.

WHEREAS, Our Discipline recommends that all our parsonages or houses occupied by our traveling ministers be supplied with heavy articles of furniture ; and

WHEREAS, Our people are subjected to great expenses, and our ministers to great inconveniences and often to great sacrifices ; and

WHEREAS, The foregoing expenses would in a few years furnish our parsonages with all the foregoing articles ; therefore,

Resolved, That it shall be the duty of the Presiding Elder, at the first Quarterly Conference in the year, in each charge, to earnestly recommend the adoption of some plan by which all our parsonages shall be furnished with stoves, chairs, tables, bedsteads, bureaus and stands, so that none of these "heavy articles" need be moved after the present year.

Resolved, 2. That a Committee shall be appointed hereafter at each Annual Conference, consisting of one from each District, on Parsonage Furniture, who shall make such report on that subject as they may deem proper, at each Annual Conference.

Resolved, 3. That the Committee on Parsonages and Furniture in each charge be recommended to carefully examine the condition of the parsonages and furniture at the close of each year, and any damage done by the minister may be assessed and charged to his account by the Stewards.

All of which is respectfully submitted, W. C. KNAPP, *President.*

S. W. BROWN, *Secretary.*

Woman's Foreign Missionary Society.

The Committee to whom was referred the Woman's Foreign Missionary Society would respectfully report as follows :

Resolved, 1. That we recognize the Woman's Foreign Missionary Society as among the most important agencies for the salvation of the world.

Resolved, 2. That we rejoice in the good work already accomplished in the Heathen homes by the christian ladies sent out by this Society.

Resolved, 3. We will not be satisfied until all our women are members of this Society, and we will labor in our pulpits and pastoral work to secure this end.

Resolved, 4. We will welcome to our charges the Corresponding Secretary of our Conference of the Woman's Foreign Missionary Society, Mrs. P. A. Spurlock, and give our hearty assistance to this work. H. M. LANEY, *Chairman.*

M. SPURLOCK, *Secretary.*

Periodicals.

Your Committee beg leave to make the following report:

WHEREAS, The growing tendency of the age is to disseminate a poisonous and corrupt literature; therefore,

Resolved, 1. That we feel bound to introduce a healthy class of reading as an antidote to this evil, and we hereby agree to do our utmost to extend the circulation of our church literature in all our different charges.

Resolved, 2. That it is a matter of regret that so small a portion of our Methodist families subscribe for our church periodicals; and we are more than ever convinced that it is a necessity that the support of the Bishops should not come from the Book Concern, thereby relieving it of a heavy burden, thus enabling the book agents to give to the church our periodicals at a greatly reduced price, and thus enabling a larger portion of our church members to avail themselves of our church papers. S. W. BROWN, *Chairman.*

B. E. KAUFMAN, *Secretary.*

Use of Tobacco.

Your Committee report as follows:

WHEREAS, The practice of chewing and smoking tobacco is exceedingly offensive to very many persons—is a needless indulgence—involves a waste of money that should be used for better purposes, and is a bar to the highest christian and ministerial usefulness; therefore,

Resolved, 1. That we reaffirm our former action on this subject, viz.: That we will receive no man into this Conference until he has pledged himself to total

abstinence from the use of the "filthy weed," and that all members of the Conference who now use tobacco be requested to desist from its use.

Resolved, 2. That each candidate for admission on trial be required to state before retiring, whether he uses tobacco.

Resolved, 3. That our Bishops be and hereby are respectfully requested not to transfer any man to this Conference who is thus defiled, without exacting from him a similar pledge, and all the more cordially in view of the inspired injunction "Be ye clean that bear the vessels of the Lord."

Resolved, 4. That we will, by precept and example, instruct the children as well as the adults of our charges to avoid so pernicious a habit.

W. M. SEDORE, *Secretary*. S. BRINK, *President*.

Sanctity of the Sabbath.

The Christian Sabbath is a hallowed institution, dear to our hearts, and essential to national, social and religious prosperity. It is enjoined in the word of God, enshrined in the laws of Christian nations, and its claims are confirmed by the demands of nature. The increasing disregard of the sancity of the Sabbath, among certain classes of our citizens, and the growing laxness among Christians with reference to the observance of the Sabbath, furnish cause for alarm, and demand the utmost vigilance on the part of the ministry, lest the foundations of our holy christianity be undermined by the destruction of its divinely ordained institutions. Therefore,

Resolved, 1. That whatever diverts from a sacred observance of the Sabbath ought to be avoided, discountenanced and condemned by all ministers and members of the church of God.

Resolved, 2. That the holding of concerts on the Sabbath, in which sentimental songs occupy a prominent place, and the giving of literary entertainments, as well as unnecessary traveling and social visiting on that day, should everywhere be discouraged, because in conflict with the divine law.

Resolved, 3. That in our public ministration we will earnestly plead for a speedy and thorough reformation on this subject, and by the blessing of God will not cease our pleading until the desired reformation shall be accomplished.

Bible Cause.

WHEREAS, The Bible Cause is identified with our Church work, such as Sabbath-Schools, Freedmen's Aid Society, Bethel Cause, and Home and Foreign Missions, and appropriates largely in money and books to these enterprises; therefore,

Resolved, 1. That the American Bible Society should have a prominent place among our Benevolent Contributions.

Resolved, 2. That in view of the work this Society is doing at home and abroad, and in view of the virtue of fields that are everywhere opening for the reception of the Bible, we commend this cause anew to the confidence and liberality of the people. JOHN LUCCOCK, *Chairman.*

Memoirs.

August Peter Wigren.

To the Central Illinois Conference:

DEAR FATHERS AND BRETHREN: During the past year one of our fellow workers has gone home to his reward.

REV. AUGUST PETER WIGREN was born in the city of Grenna, Sweden, the 20th of Sept., 1849. His parents emigrated to America when he was a child, where his father became a minister in the Methodist Episcopal Church. He was converted when young, and joined the church of his father, and was early called to go and preach the everlasting gospel.

He attended the Northwestern University at Evanston, Ill., and during his stay there was preacher in charge of a society, and in due time was ordained Deacon and Elder.

Brother Wigren returned to his native land in September, 1873, to finish his studies, and where he, by his open, frank and agreeable manners, in addition to his extraordinary ability as a preacher, very soon gained for himself hosts of friends, and was also the means, under God, of winning many souls to Christ.

He was appointed to the city of Upsala in March, 1874; but God often changes man's appointments. Before entering upon the duties of his apppointed field of labor the Lord called him to His glorious home in heaven.

On Sabbath, February 15th, Brother Wigren enjoyed his usual health, and preached two powerful sermons. He went home from his Sabbath labor complaining of being unwell, and on Monday he was very sick. He died in the city of Gothenburg the following Thursday, in full triumph of a living faith, repeating, as he bid farewell to weeping friends, the words of the Psalmist: "I shall dwell in the house of the Lord forever."

Without doubt, one of the most gifted of the Swedish Methodist preachers has passed away. It seemed strange that the Lord should so soon release him from his toils. Yet we are consoled with the reflection that though He bury His workmen, He carries on His work. His ways are not as our ways, and the will of the Lord be done.

Mrs. Diantha Hedstrom.

Mrs. Diantha Hedstrom, another of our faithful and laborious minister's wives, died at her home in Victoria, July 6th, 1874. Her maiden name was Sornburger, and she was a native of the State of New York. She was married to Rev. J. J. Hedstrom ———, among the first Swedish Methodist Missionaries in the United States. He died in Victoria, in 1859.

In the early days of the Swedish Mission in Victoria, her works were very abundant in caring for and sheltering the poor and sick emigrants; and she contributed, very largely, with her faithful husband, in establishing the Swedish Methodist Missions in this State.

Her last sickness was very protracted and painful; but yet these seemed to be the refiner's fire to prepare her for a blissful immortality. During the last year of her life, as she often testified, her soul seemed to be ripening for eternity. A day or two before she died, while sitting in her chair, she sang with great spirit and unction,

"Happy day, happy day,
When Jesus washed my sins away."

With great quietness she seemed to literally fall asleep in Jesus.

REPORTS

EDUCATION.

ILLINOIS WESLEYAN UNIVERSITY.

Since the last Annual Session of the Conference there have been some changes in the Board of Instruction. Rev. S. Fallows, D. D., has resigned the Presidency of the University. The Board of Trustees have elected Rev. W. H. H. Adams, A. M., B. D., President. There is a vacancy in the Greek Professorship, made by the resignation of Dr. Jaques. The Board of Trustees hope to fill this vacancy at an early period. The discipline of the School during the year has been satisfactory. The examinations also indicate very satisfactory results in the courses of study.

Resolved, That J. F. Culver, J. S. Cumming, Zadok Hall and C. W. Holder be appointed Trustees, and that G. R. Palmer, W. D. H. Young, G. W. Arnold, G. M. Irwin, H. M. Laney and D. H. Gray be appointed as visitors.

Resolved, That G. W. Gue and J. B. Dille be appointed Agents.

The Fall Term of the Institution has opened with a larger number of students than ever before at the beginning of the School Year, and the prospect of a further increase is good. During the year Hugh Meharry, Esq., has donated to the Endowment Fund a farm of two hundred acres of improved land in McLean county, Illinois. The avails of the sales of Railroad lands, by the agents of the University has kept down the interest and slightly reduced the principal of the debts of the University. The larger part of the commissions to the Institution are not yet due. Arrangements are nearly perfected for the settlement of all the past due commissions, that doubtless will be realized in a short time. We most heartily commend the University, its great and growing interests and agencies to the cordial support of our people. Back of all efforts of Trustees and Faculty, the success of the Institution in full measure lies with the great body of Methodist preachers and people in the bounds of this and the Illinois Conference. We hope for a larger measure of success in the future than in the past. There have been good results, we expect better.

HEDDING COLLEGE.

Hedding College has been organized with full college powers in harmony with the action of this Conference two years ago. Three full courses of study have been adopted, and the Institution is now doing full college work. We rejoice in the prosperity of this Institution in Western Illinois. For the last three years the income from tuition has met the current expenses, and there has been a healthy growth in all the interests of the School.

The new building is so far completed as to afford largely increased facilities, but the interests of the school require the early completion of the entire building. Mr. George M. Foote, of Olena, has made, in legal form, a proposition to endow a chair with $10,000, as soon as means shall be secured to pay present indebtedness, complete the building and endow another chair with the same amount. About $22,000 will be required to make this generous offer binding, and we believe that our people in Western Illinois ought to meet this proposition within the next twelve months.

This Institution is located centrally with reference to the territory in Central Illinois Conference, lying between the Illinois and Mississippi rivers. Its location is healthful, in a quiet town whose Charter forbids the licensing of saloons, thus offering an opportunity for the pursuit of knowledge without exposure to the attractions, temptations and vices of the city.

The moral and religious influences are very favorable, and no safer place for young men and young ladies can be anywhere found. Twenty young men now in attendance are preparing for the ministry.

We recommend the re-appointment of J. G. Evans, A. M., as President of Hedding College, and the appointment of C. C. Knowlton, A. M., and W. C. Knapp, A. M., as Professors, and the appointment of R. A. Cowen and A. J. Jones, as Agents.

We also recommend the election of the following persons as Trustees for one year:

Ministers.	*Laymen.*
H. Ritchie,	J. W. Spencer,
G. M. Irwin,	P. M. Shoop,
C. C. Knowlton,	P. Godfrey,
W. C. Knapp,	W. Archer,
A. K. Tullis,	W. J. McCutchen,
C. Springer,	N. Barr,
B. E. Kauffman,	J. Amey,
W. H. Hunter,	J. L. Knowlton,

M. C. Bowlin,	C. W. Moore,
H. C. King,	H. Weaver,
P. A. Cool.	J. W. Fate.

GRAND PRAIRIE SEMINARY AND COMMERCIAL COLLEGE.

This Institution is steadily growing in interest and influence among the people. The last year has been the most prosperous in its history.

The number of students enrolled last year was 282, against 209 one year ago, an advance of nearly 35 per cent. The present year opens with a good prospect of success. Prof. J. T. Dickinson, A. M., remains in charge, assisted by a corps of Teachers of many years experience. All of the Faculty have been identified with the Institution for some years, and have the confidence of the public as regards their thoroughness and fitness for the work.

The Institution offers three courses of study, the Commercial, Scientific and Classical, fitting students of both sexes for practical life and advanced standing in College. The Commercial Department, under the supervision of Prof. J. H. Atwood, compares favorably with any similar institution in amount and quality of work.

An excellent opportunity is offered those desiring instruction in Vocal and Instrumental Music.

The freedom from billiard and drinking saloons, the quiet and healthfulness of the place, and the high-toned morality of the people render Onarga a very desirable educational point.

We are rejoiced to learn that during the past year over sixty of the students were converted to God, and united with the church.

The finances, including the Centenary Endowment Fund, are in a safe condition, being carefully managed by practical business men.

We recommend the re-appointment of Rev. J. P. Forsyth as Financial Agent for the ensuing year.

Also, the appointment of the following persons as Conference Visitors—Rev's R. D. Russell, R. B. Williams, M. F. Havermale S. R. Deach and C. David.

GARRETT BIBLICAL INSTITUTE.

We rejoice in the continued prosperity of this Institution for the education of young men preparing for the Ministry, and with pleasure submit the report of our visitors:

"Your Committee appointed to visit the Garrett Biblical Institute, present the following report:

"Having attended the examinations of all the classes and conversed freely with all the Faculty and many of the Students, we are prepared to express our hearty approval of both the matter and manner of instruction. The thoroughness of instruction in the Institute was indicated by a familiarity of the students with their authors and themes.

1875

In Church Polity alone did we notice any lack of promptness and proficiency. The examinations in Theology, Exegesis and Church History, were so complete in every respect as to deserve a note of special commendation. There were unmistakable evidences of devout piety on the part of all connected with the School. While we were thus permitted to witness the co-ordinate discipline of both head and heart as a special preparation for the Christian Ministry, we were profoundly grateful to Almighty God that such privileges as those offered by this School, are within the reach of all our young men who are called of God to preach."

F. M. CHAFFEE, D. H. GRAY, } Committee.

We recommend the appointment of the following Brethren as Visitors to the Institute for the ensuing year: W. C. Knapp and L. Janes. Reserves—G. W. Martin and J. W. Haney.

CENTENNIAL CELEBRATION.

Resolved, That we hold meetings in all our charges in connection with our Centennial Celebration, in the interest of Education, and that collections be taken for the benefit of our Educational Institutions within the bounds of our Conference, and moneys not specified shall be equally divided among the Illinois Wesleyan University, Hedding College and Grand Prairie Seminary.

T. L. FALKNER, Chairman.

D. H. GRAY, W. D. H. YOUNG, } Secretaries.

SUPPLEMENT.

The following was added to the Educational Report by action of the Conference:

WHEREAS, There are many young men in our Schools preparing for the Ministry of our Church, who need assistance and can prosecute their work of personal culture in the College only as they receive some assistance, therefore,

Resolved, *1st*, That J. G. Evans, G. R. Palmer and J. P. Forsyth be a Committee on the subject of Ministerial Education, to confer with the Officers of the Educational Society of the M. E. Church, and receive and disburse such funds as may be apportioned for the aid of young men in our Institutions, who are preparing for the Ministry.

Resolved, *2nd*, That the Parent Society be requested to return the whole amount of collections taken in this Conference this year to our Committee on Ministerial Education, to be divided by said Com-

mittee among our three Institutions, in proportion to the number of young men in each preparing for the Ministry and coming from the territory of our Conference.

J. B. DILLE,
J. S. MILLSAPP,
C. C. KNOWLTON,

CENTENNIAL.

The Committee on Centennial Celebration desire to report as follows: We recommend that the coming Conference Year be observed and celebrated in accordance with the action of the General Conference of 1872, in the interests of Education; that the local objects shall be our Institutions of Learning under Conference patronage, and the general object to be the general Educational Fund of the M. E. Church, for investment, the interest of which shall be used to aid young men preparing for the Ministry, and especially young women preparing for Mission work; that a plan be adopted by the joint concurrence of Pastors, Presiding Elders and the Agents and Professors of each Institution for canvassing the whole territory, holding anniversaries, delivering addresses and sermons, and taking collections as above mentioned.

WOMAN'S FOREIGN MISSIONARY SOCIETY.

Your Committee on the Woman's Foreign Missionary Society, would respectfully report, that

WHEREAS, The Woman's Foreign Missionary Society is no longer an experiment, but a successful part of the machinery of the Methodist Episcopal Church, and

WHEREAS, Much more efficient work may be accomplished *with* than *without* this society, in the salvation of the world, therefore

Resolved 1, That we will labor to properly organize for this work, and pledge ourselves to its support in our several charges.

Resolved 2, That we will welcome to our charges the representatives of this society, and assist them all we can in their work.

Resolved 3, That in presenting the claims of our Church Periodicals we will make mention of the Heathen Woman's Friend.

C. E. ROWE, Sec'y. P. A. COOL, Chairman.

SUNDAY SCHOOLS.

Your Committee would present the following as their report:

Resolved 1, That there are reasons for thanksgiving to God for the successes of the past in the Sunday-School work within our bounds.

Resolved 2, That we will more fully and faithfully carry out the provisions of our discipline, relating to this appliance of the Church, and keep in mind that the Sunday-School and the Church are inseparable.

Resolved 3, That we deprecate the employment of unconverted teachers, and are more than ever impressed that Sunday-School laborers should be men and women fully consecrated to God.

Resolved 4, That the Sunday-School should no longer be recognized as merely a place for the training of children, but the assembly of the *church*, for the purpose of studying God, and bringing the whole people to the knowledge of His word and salvation.

Resolved 5, That while we rejoice in the unity of Christians, in spirit and labor, we believe that each Church should be held responsible for the control of its own Sunday-Schools.

Resolved 6, That we earnestly recommend the use of our own publications, the "Berean Lesson Leaf," "Sunday-School Journal" and "Advocate," and the introduction of our Catechism into all of our Schools.

Resolved 7, That wherever it is practicable we will organize Teachers' Meetings, and encourage the formation of Normal Classes, in view of leading to the most thorough knowledge and teaching of the word of God.

Resolved 8, That the Pastor of the Church is the Pastor of the Sunday-School, and by virtue of his relation has a Divinely appointed oversight of each Sunday-School in his charge.

Resolved 9, That the substitution of the Sunday-School for the public worship of God, and the consequent absence of the children from the ministry of the Word, should be recognized as a calamity to be avoided by every Christian household.

M. L. HANEY, Chairman.

J. W. DENNING, Sec'y.

USE OF TOBACCO.

WHEREAS, The practice of chewing and smoking tobacco involves the needless waste of so many millions of money, and is lead-

ing myriads of the boys and young men of this land into a needless and pernicious slavery, and is also unfavorable to the highest Christian and Ministerial usefulness, and

WHEREAS, Many of our members spend more money for their tobacco than they do for their religion, therefore

Resolved 1, That we re-affirm our former action on this subject, viz: That we will receive no man into this Conference until he has pledged himself to total abstinence from the use of the filthy weed; and that all members of this Conference who now use tobacco be respectfully requested to give it up.

Resolved 2, That each candidate for admission on trial be required to state, before retiring, whether he uses tobacco.

Resolved 3. That our Bishops be and hereby are respectfully requested not to transfer any man to this Conference who is thus defiled, without exacting from him a similar pledge, and all the more cordially in view of the inspired injunction "Be ye clean that bear the vessels of the Lord."

Resolved 4, That we will, by precept and example, instruct the children as well as the adults of our charges to avoid so pernicious a habit.

J. HART, Chairman.

G. W. BROWN, Secretary.

PERIODICALS.

WHEREAS, We believe that our Periodicals are a great power in assisting the Church to bring the world to Christ, and in urging her members to greater activity in the cause of God; and

WHEREAS, Determined efforts are making to scatter a corrupt literature throughout our land, thereby endangering the morals of our nation; therefore

Resolved 1, That we will do all we can to counteract this great evil by circulating a healthful literature, such as is published by our Church.

Resolved 2, That we are highly pleased with the editorial management of the *Northwestern Christian Advocate*, and also of the *Sandebudet*.

Resolved 3, That the English speaking members of the Central Illinois Conference are earnestly requested to use their influence to induce Swedish families in the bounds of their charges to take the *Sandebudet*.

1875

Resolved 4, That it is a matter of regret that so small a portion of our Methodist people subscribe for our Church Periodicals, and as the Bishops are now partially supported by the people, we request our Book Agents, as soon as they may find it practicable, to reduce the price of the *Northwestern Christian Advocate* to two dollars per annum.

Resolved 5, That, as Pastors, we violate our obligations when we use our influence for, or consent to, the introduction into our families and Sunday-Schools, of other books to the exclusion of our own literature.

Resolved 6, That we do not believe it in accordance with our obligations to our Church, to advocate the taking of other papers in preference to our authorized publications, and that we discountenance canvassing for other papers. M. V. B. WHITE, Chairman.

C. W. AYLING, Secretary.

TRACTS.

The Committee find an increase in the aggregate amount contributed, and that with but few exceptions the charges have taken the collection; and

WHEREAS, We are fully convinced of the importance of the work of our Tract Society, and

WHEREAS, By the kindness of Dr. Freeman, we have been permitted to examine Tracts, Mottoes, etc., printed in new and attractive form, and being pleased with the improvement in this department, therefore,

Resolved, That, as Pastors, we will give increased attention to the distribution of Tracts among all our people, and solicit contributions in all our Congregations as directed by the Discipline.

J. G. BLAIR, Chairman.

WM. R. BLACKWELL, Secretary.

TEMPERANCE.

Profoundly convinced that the liquor traffic is a sin against God, and a great crime against society ; that it causes a prodigal waste of the resources of the nation, diminishes the productive power of community, increases pauperism, produces domestic wretchedness, crowds our prisons and furnishes victims for the scaffold; we hereby renew our pledge formerly given, to use our influence in all proper ways to aid in the entire suppresssion of the traffic. Encouraged by the past suc-

cess of the friends of Temperance in reforming public sentiment, and in rescuing the victims of intemperance, we will labor with increased zeal for the universal triumph of the Temperance cause.

As citizens, we believe it to be our duty to use our influence to introduce temperance principles into the platforms of existing political parties, and unless demanded by other moral issues, we will vote only for reliable men who are in favor of the most stringent prohibitory legislation.

We believe that the use of fermented wine in the Sacrament of the Supper is unnecessary and dangerous, and request the stewards of our churches to use care to provide only the unfermented juice of the grape for Sacramental purposes.

N. T. Allen, Secretary. C. Morey, Chairman.

FREEDMAN'S AID.

Your Committee on "Freedman's Aid" report as follows:

Whereas, The earnest appeals and hopeful intelligence brought us by our brethren from the South, have more than ever persuaded us of the magnitude of our work among the Freedmen, and its imperative demands for men and money; therefore,

Resolved 1st, That we are in hearty sympathy with this work, and will continue to "pray the Lord of the harvest to send more laborers into the field."

Resolved 2nd, That we pledge ourselves anew to faithfully present its claims to our people; and to earnest endeavor to raise the amount that may be assessed to our several charges the coming year for this great work. J. S. Budd, Chairman.

W. B. Alexander, Secretary.

PHEBE A. SPURLOCK,
Cor. Sec'y of Central Illinois Conference.

WHEREAS, Woman's work in the Church is recognized as a requisite need to the Spiritual life and practical aims of our holy Christianity; the result of which is, to call forth the latent forces of the Church into action, utilizing waste material that has long lain dormant in the bosom of the Church; therefore,

Resolved, That we recommend and will sustain the L. & P. C. U. District organizations, and pledge our aid and assistance in organizing auxiliary Societies in our respective charges, by placing them under the direct supervision of each Pastor in the several Districts, they reporting the interests of the same at each District Conference.

Resolved, That we request the Officers of this Society to visit and encourage this work in our respective Charges.

P. A. CRIST, Sec'y. J. HART, Chairman.

SANCTITY OF THE SABBATH.

WHEREAS, There is an alarming increase of Sabbath-breaking in our country, and

WHEREAS, Many people are encouraging beer-gardens and other demoralizing places on the Sabbath, and

WHEREAS, Some railroad companies run their trains on the Sabbath Day; therefore

Resolved 1st, That we, as Ministers of the Gospel, will use our influence to discountenance and suppress all such violations of the Holy Sabbath.

Resolved 2nd, That we will preach to all our congregations upon the proper observance of the Sabbath, and will urge all our people to discourage, in every way possible, all violations of God's law requiring the sacred observance of the Sabbath as a Holy Day.

J. H. SANDERS, Secretary.

As the Bible is the foundation of our Christian faith and practice, and its circulation essential to the success and Spirituality of the Church and to our home and foreign work; therefore

Resolved 1st, That we heartily endorse the American Bible Society and its Agencies, and will encourage the benevolence of our people in its support.

Resolved 2nd, That we urge the Ministers of our Church to attend the Annual Meetings of the County Bible Societies, auxiliary to the American Bible Society.

MEMOIRS.

M. D. HECKARD.

Rev. M. D. Heckard, of the Central Illinois Conference, died at the M. E. Parsonage, in Watseka, Iroquois county, Illinois, on Wednesday, May 5th, 1875, at half-past 10 o'clock, P. M. His illness, the result of an accident, was of five weeks' duration, and full of suffering and triumph. It was a marvel to many, how, in the midst of such suffering and pain as he endured he could be so constantly calm and cheerful and full of faith.

The subject of this sketch was born in Richland county, Ohio, Jan. 23d, 1832, and removed with his father's family to Fulton county, Illinois in 1835. He was converted at eleven years of age and joined the Methodist Episcopal Church. In 1858 he received license to preach and was admitted on trial to the Central Illinois Conference, of which he remained an honored member until called to his reward on high.

On the 9th day of March, 1865, he was married to Miss Mary O. Ward who, after ten years of companionship with him, is left widowed and mourning.

During the late war he served with great acceptability and efficiency the 16th Regiment Illinois Infantry as Chaplain. Officers and enlisted men named him only to praise him.

As a preacher of Christ's Gospel he was clear, concise, forcible, logical. As a Christian he was faithful in duty, warm in his sympathies, and ready always to do or to suffer for the kingdom of Christ. His last Pastoral charge, Watseka, where he died, was opening more hopefully and perhaps with more of promise than any preceding year of his Ministerial life. His Christian life, always beautiful and cheerful, seemed especially so during his last illness. Such submission to the will of his Heavenly Father, and such dependence upon Him during the weeks of his uncomplaining anguish are seldom seen. His patience was remarkable, and his desire to lessen the trouble of his attendants, coupled with the constant sunshine that lay upon his heart and shone out in word, and act, and countenance, made it a pleasure and a privilege to care for and minister to him.

Warm-hearted, loyal to God and the Church of his choice, loving all and loved by all, our Brother, Martin D. Heckard has passed from the Church militant to the Church triumphant. Generous, high-minded, the soul of honor, genial, frank and affectionate in his nature,

honest and earnest in his Christian life, ready in his sympathy and ceaseless in his efforts to do good to his fellows, he has left behind him to the churches where he was known, and to his brethren in the Ministry, a rich legacy of the precious memories of a devoted life and triumphant death—memories which it will be the delight of his brethren in the kingdom and patience of Jesus to cherish.

MRS. MARY RIDDLER RUSSELL.

Mary Riddler Russell was born at Naperville, Ills. Jan. 22, 1845. At the age of fifteen was converted and united with the Congregational Church of her native place, and remained in the connection until married to our Brother Rev. R. D. Russell, May 30, 1872, when her Membership was transferred to the Methodist Episcopal Church, of which she continued an active and consistent member until her death Nov. 24, 1874.

She lived in the enjoyment of the religion of our Lord and Saviour Jesus Christ, possessing a uniform experience of hope, faith and love. She claimed the unchangeable love of God, and to her an eternal shelter, a constant light, a sunshine in the heart. Her work in the Church was not of a very prominent or popular character, but of that quiet unassuming spirit that draws the friends and is hidden from the enemies of the truth. Of a retiring disposition, she trembled beneath the cross in social meetings, but here, as everywhere, she bore the burden that was portioned to her. Filled with true modesty, and true humility, her life was without ostentation. There was nothing kindred to affectation or deceit in her character, but in all her relations she was as true to the right as the needle to the pole, and those who knew her best are able to say this with the greatest degree of confidence. It was not her mission to unfurl the banner to the multitude, but she gladly chose to support the hands of him who bore it in the midst of the strife. No Minister of the Gospel can well stand alone; he needs support human as well as divine. By the word of God he is assured of the presence of the Master and of His angels from Heaven. But there are times when human aid is needed. The Saviour in His hour of trial felt the need, and plead for human sympathy. The servant is not stronger than his master. Sister Russell was a source of inspiration, in the counsel and love she gave her husband, ever thoughtful of his comfort, apprehending his trials and meeting them with her support. When the shadows of death were approaching she wrote the following lines and placed them in her pocket memorandum:

"The shadows are gathering fast. How typical of life. Shadows everywhere—under the brightest sky—but no matter, if sunshine only prevails in the heart."

Her's was the modest mission of ministering; a work shared with the angels, and like their work unseen and to a degree unknown, a hidden source of strength. The Master veiled the dazzling splendor of his heavenly power by girding himself with a towel and washing the soiled tired feet of the fishermen, that we might see the true glory

of His power. Woman's true mission is not duly honored, nor was that of the Master and His angels. But in the world to come, where we shall see as we are seen and know as we are known, we shall see the splendor and know the power thereof to be the faithful ministering in love. And in the throng clothed in .the brightness of heaven will be the form of our beloved and lamented Sister.

MRS. CATHARINE LOUISA EKSTRAND.

Mrs. Catharine Louisa Ekstrand, another of our faithful and laborious Minister's wives, died peacefully at her home in Beaver, Illinois, August 21st, 1875, aged 54 years and 6 months.

Sister Ekstrand was born in Fryle parish, Sweden; had been twice married and lived in the married state for thirty-eight years, eighteen of which with her now bereaved husband, Rev. J. H. Ekstrand. She came to this country twenty-one years ago, and twenty years ago last Good Friday she was clearly and powerfully converted under the labors of Rev. S. B. Newman. She had been a seeker some time before, but on that day, while kneeling at the Lord's table, God, for Christ's sake, spoke peace to her soul, and she could now, from a joyful heart, praise God for salvation. Since then she has ever remained faithful, has tried at every opportunity to bear witness of Christ's saving power, and this was also granted her to the very last. Few women have, so far as we have known her, better filled her place, both as wife, mother, member of society and the church, and not the least as a Preacher's companion than did Sister Ekstrand. Patient and contented she has followed her husband on all his charges, cheerfully shared with him his toils and privations, and has always been a great help to him in his work. Her place in the Church, in the Class and Prayer Meeting was never empty when she was able to be there. In the Sunday-School she also took an active part, and a class of little girls gathered around her grave to sing one of her favorite hymns and shed the tears of sorrow. The general respect and love that she had gained in the place, where she had spent most of her time since she came to this country, and where she now closed her days, was shown, not only in the great number that attended her funeral, but in the deep sympathy and sorrow that was manifested; nearly all seemed to feel that they had lost a friend whose place cannot soon be filled. She was sick only about a week, and though her sickness was severe, yet she retained, almost during the whole time, the full use of her mind. She seemed, from the beginning, to have had the impression that this would be her last sickness. She embraced, therefore, the opportunity to testify of her Saviour on her death-bed, and gave to those who visited her a word of exhortation or comfort, as she thought it was needed. Towards the close of her life she called her husband and three children around her death-bed, spoke to each of them separately, and exhorted them, above all, to live wholly devoted to God, and meet her in heaven. And thus having taken a touching farewell from those who were nearest and dearest to her on

earth, committed them to God's care, and given them her dying blessing, she waited only for the hour of deliverance, when she should see Jesus. Her last words were: "The blood of Jesus Christ, the Son of God, cleanseth me from all sin."

MRS. MARY M. SANDERS.

Sister MARY M. SANDERS, wife of Rev. J. H. Sanders, of Central Illinois Conference, was born in Elmira, Stark county, Illinois, April 1844; died December 8, 1874; was converted to God and joined the M. E. Church A. D. 1860. She was married to her now bereaved husband May 6, 1863, and during almost eleven years, it was her delight to share the toils of her itinerant companion. To him, her latest request was, "never leave the Ministry." Her Christian life, made beautiful by a cheerful and modest bearing, was tempered into strength by a calm trust in Christ. She was an affectionate, faithful and devoted wife and mother, yet in the light of the love of Jesus waved a peaceful farewell to the tenderest ties of earth, confiding husband, children and friends to the care of Him who feeds the ravens and clothes the lilies of the field. With her loved ones on earth we mourn while we fondly cherish the belief that her gain is an eternal weight of glory.

REPORTS.

I.—EDUCATION.

ILLINOIS WESLEYAN UNIVERSITY.

The Committee on Education ascertain from the Report of the Board of Trustees of Illinois Wesleyan University that that institution is meeting with good success, and growing in importance and usefulness.

During the past year the whole number of Students in attendance was four hundred and ten; and the number of graduates including those of the Law Department was twenty-three.

The school has opened the current year with flattering prospects. The Department of Law has nearly doubled the number of Students of any preceeding year.

The Department of Music under Prof. Parker and two assistants is fully organized.

In the Department of Theology, Hebrew and Greek Exegesis and all other branches of Theology will be taught when desired.

During the past year, in order to supply vacancies in the Faculty and to increase the number of Professors, the following have been added to the Board of Instruction: Rev. W. O. Pierce, A. M., professor of Greek and Hebrew Languages.

Miss Susan E. Hale, A. M., professor of English Language and Literature.

Rev. J. D. Fry, A. M., professor of Moral Philosophy and German.

Mrs. S. M. D. Fry, A. M., professor of Belles Lettres.

R. M. Brown, A. M., professor of Natural History, and O. W. Aldrich, Ph. D. and W, E. Hughes have been added to the Law Faculty.

The value of the University grounds and buildings is estimated at $125,000. Endowment fund $85,000. The annual income is about

1876

$12,000. There is an indebtedness of about $50,000; 25,000 of which has been subscribed the past year, on condition that $10,000 more shall be secured by subscription.

The Board of Trustees earnestly solicit the aid and co-operation of our Conference in an effort to place the University upon a high and safe financial basis.

We recommend that Rev. G. W. Gue and Rev. J. B. Dille be appointed agents for the ensuing year, and that the following brethren be elected trustees to fill the vacancies in the Board:

O. T. Reeves, Wm. M. Smith, Rev. G. R. Palmer, and Rev. W. M. Collins.

And that Revs. H. M. Laney, D. H. Gray, M. F. Havermale, E. Wasmuth, A. C. Price, and M. Spurlock be appointed as visitors.

HEDDING COLLEGE.

From the facts reported to us we learn that Hedding College is enjoying continued prosperity. The past year has witnessed a substantial increase in all the interests of the Institution.

The addition of Professors Knowlton and Knapp to the faculty one year ago inspired new and increased confidence not only among the Pastors but also among the people.

About $15,000 in money, notes and property have been secured as the result of the year's canvass.

The buildings, grounds, furniture, &c., now in use as School property, are estimated at $50,000; notes and property held by Trustees $21,000; liabilities $12,600.

The conditions of the proposition made by Mr. G. M. Foote to endow a Chair with $10,000 have not yet been met, but we have good hope that they will be during the coming year.

The past year has been prosperous. Two hundred and sixty-three students were enrolled during the year.

The gradual growth of the School is indicated by the income from tuition during the past four years, viz: from $3,100, 1st year; $3,400, 2d year; $3,800, 3d year; to $4,300 last year.

The number of students in attendance at present is 200 against 150 at the same date last year.

The organization under the state law has been completed, and in accordance with the Articles of Incorporation we recommend the following names as Trustees.

For one year—*Ministers:* H. I. Brown, J. J. Fleharty, G. M. Morey, B. F. Tallman.

Laymen: W. F. Archer, J. P. McMillen, G. W. Brown, and A. Burr.

For two years—*Ministers:* P. A. Cool, C. Springer, M. C. Bowlin, and G. W. Miller.

Laymen: P. Godfrey, M. Kimball, C. W. Moore, and E. H. Curtis.

For three years—*Ministers:* A. R. Morgan, A. K. Tullis, G. M. Irwin, and F. M. Chaffee.

Laymen: P. M. Shoop, R. M. Broadus, J. Walker, and B. Pickrell.

We request the Bishop presiding to re-appoint Rev. J. G. Evans, A. M., President; Rev. C. C. Knowlton, A. M., and Rev. W. C. Knapp, A. M., Professors; and Rev. R. A. Cowen, Financial Agent, and to appoint Rev. U. Z. Gilmer, B. S., Professor.

GRAND PRAIRIE SEMINARY AND COMMERCIAL COLLEGE.

We learn from the annual Report of the Trustees that this school is constantly growing in interest and importance. One hundred and ninety-four different students were in attendance during the past year.

Prof. J. T. Dickinson, A. M., remains in charge, assisted by teachers of much experience.

The Institution offers three courses of study: the Commercial, the Scientific, and the Classical, fitting students of both sexes for practical life and advanced standing in college.

The Commercial College, under Prof. J. H. Atwood, affords superior facilities for securing a good business education, and we heartily recommend our young people to avail themselves of its advantages. The finances of the Institution are in good condition.

We respectfully ask for the reappointment of Rev. J. P. Forsyth as Financial Agent for the ensuing year.

Also the appointment of Rev. E. P. Hall, R. B. Williams, B. W. Baker, C. David, H. I. Brown, as Conference visitors.

GARRETT BIBLICAL INSTITUTE.

The committee appointed to visit Garrett Biblical Institute, report that they found the Institution in a healthy and vigorous condition, doing good work for the Church.

We recommend young men, contemplating the ministry, to avail themselves of the advantages of this Institution, and that Revs. W. D. H. Young and A. Fisher be appointed Conference visitors.

ASSISTANCE TO YOUNG MEN PREPARING FOR THE MINISTRY.

Resolved, 1st, That the members of this Conference who are connected with our literary institutions as Professors or Agents, be con-

stituted a committee to receive and disburse such moneys as may be granted to those institutions from the Educational Society, for the aid of needy young men preparing for the ministry.

Resolved, 2d, That the Educational Society be requested to return to our three institutions the full amount of collections taken within the bounds of this Conference, said amount to be divided among said institutions in proportion to the number of licentiates and exhorters in each institution coming from within the bounds of Central Illinois Conference.

VI.—AUDITING COMMITTEE.

Your committee to whom was referred the accounts of the Presiding Elders with reference to the disbursement of the Missionary Funds appropriated to the several Districts, reports that the several sums have been carefully looked after and they have been properly applied, and that vouchers are placed with the Conference papers.

A. KELLER.

VII.—LADIES AND PASTORS' CHRISTIAN UNION.

WHEREAS, the pastoral work is an important agency in the aggressive work of the Church, and the tax upon the time and strength of pastors is such that they need assistance in this part of their work, therefore

Resolved, 1st, That we recognize the Ladies and Pastors' Christian Union as a timely and efficient auxiliary in our pastoral work;

Resolved, 2d, That we will organize Societies in our respective charges wherever it may be practicable to do so.

Resolved, 3d, That we will report the work of this Society with other interests of our charges, at our District Conferences.

N. O. WESTERGREEN, Chairman.

W. M. SEDORE, Sec'y.

VIII.—PERIODICALS.

WHEREAS, The people read papers and magazines much more than they do books, and their thoughts and acts are largely influenced by this kind of literature; and

WHEREAS, A large share of the periodical publications of our land are not only irreligious but demoralizing in their influence upon Society; and

WHEREAS, A pure and religious literature is an efficient agency in elevating the morals of the people and promoting the interests of the Church of Christ. Therefore,

Resolved, 1st, That we will do all we can to circulate the periodicals of our church, and thus place in the hands of the people under our charge such reading as will increase their intelligence and piety and instruct their minds in regard to the great and growing interests of our Church.

Resolved 2nd, That we will as a Conference especially endeavor to promote the circulation of the *N. W. C. Advocate* among our English speaking people, *Sandebudet* among the Scandinavians, our own S. S. papers in our Sunday schools, and the *Quarterly Review* and the *National Repository* as general Church publications among all whom we can reach.

Resolved 3rd, That we approve of the action by which the name and character of the *Ladies' Repository* were so changed as to make it a magazine of general moral and religious literature and as such we desire to see its subscription largely increased and will labor to promote that end.

Resolved 4th, That we believe we could secure more subscribers for our weeklies if the publishers would so arrange their system of subscription that we could procure annual subscribers at any time during the year, and we would respectfully suggest to our Western Book Agents to take this matter under advisement and if practicable make the change desired. THOMAS WATSON, Chairman.

R. B. WILLIAMS, Secretary.

IX.—WOMAN'S FOREIGN MISSIONARY SOCIETY.

Being convinced that the Woman's Foreign Missionary Society is needful and efficient in carrying the Gospel to heathen women, and that it is an important auxiliary in securing missionary contributions for that purpose, we would commend it to all our charges and encourage the organization of auxiliary Societies and the circulation of the Heathen Woman's Friend. L. SPRINGER, Chairman.

D. AYERS, Secretary.

X.—ACTION OF MACOMB DISTRICT CONFERENCE.

The Committee to whom was referred the case of a local preacher of the Macomb District, beg leave to report: That, the brother by his own free act, and with the consent of the District Conference, withdrew from the M. E. Church and ceased to be a member of the same.

L. Janes,
W. Underwood. } Committee.

XI.—BIBLE CAUSE.

Resolved 1st, That there are reasons for thanksgiving to God for the continued and growing prosperity of the American Bible Society, and we recommend it as one of the most efficient agencies in bringing the world to a knowledge of God.

Resolved 2nd, That the Pastors of our Churches should put forth great efforts to increase the facilities of that society to spread the knowledge of God and his Word, and as far as possible, should cause the destitute families in their charges to be supplied with Bibles or Testaments from the local depositories. B. Applebee, Chairman.

G. J. Luckey, Secretary.

XII.—TEMPERANCE.

The present is no time for indifference or inactivity in the Temperance Cause. Sixty thousand human beings, in our country, are annually murdered by strong drink, and yet the army of drunkards is constantly recruited through the agency of licensed saloons and domestic intoxicants. Poverty, suffering and crime are everywhere prevalent as the legitimate fruits of the liquor traffic. It behooves the friends of humanity and the servants of Jesus Christ to be earnest, vigilant and active in the work of temperance reform; therefore

Resolved 1st, That we are unalterably opposed to the importation, manufacture and sale of distilled, fermented and vinous liquors, to be used as a beverage, and we hereby affirm that it is the duty of every member of the M. E. Church to discountenance and oppose this evil at all times by voice and vote.

Resolved 2d, That we earnestly protest against any action by the members of our church that would give aid or countenance to the liquor traffic, such as:

1. Voting to grant license for the sale of distilled, fermented or vinous liquors.

2. Signing the petitions of those who desire license to sell the same.

3. Becoming bondsmen for persons receiving such license.

4. Renting property to be used as the place in, or on which to manufacture or sell such intoxicating liquors.

5. Furnishing grain for the purpose of distillation.

Resolved 3d, That we are fully convinced of the wisdom and absolute need of *total legal prohibition.*

Resolved 4th, That we recommend the organization of Juvenile Temperance Societies in all of our charges and Sunday Schools.

Resolved 5th, That we recognize the necessity of healthful temperance literature and therefore recommend the books of the National Temperance Association, of New York, to the patronage of our people and Sunday Schools, and also that more space be given to temperance literature in our Christian Advocates.

Resolved 6th, That we recommend the use of none but the unfermented juice of the grape in the administration of the Sacrament of the Lord's Supper.

Resolved 7th, That we gratefully recognize and heartily recommend the ministry of the gifted and godly women of the churches in the work of temperance and in their holy crusade against the liquor traffic.

Resolved 8th, That we deeply regret the unpatriotic and immoral action of the Centennial Commissioners in permitting the sale of intoxicants on the Centennial grounds.

N. C. Lewis, Chairman.

G. W. Burns, Secretary.

XIII.—USE OF TOBACCO.

Whereas, The use of Tobacco in any form, is an enormous waste of money and of mental and physical energy, and is detrimental to all Christians, and especially to Ministers of the Gospel, both in health and influence; and

Whereas, Many of our members and some of our ministers persist in so filthy a practice; therefore

Resolved 1st, That we will keep before the world the fact that we are opposed to so unchristian a practice.

Resolved 2nd, That we re-affirm our former action on this subject, viz: That we will receive no man into this Conference, until he

1876

has pledged himself to total abstinence from the filthy weed, and that all members of this Conference are earnestly requested to give it up for Jesus' sake.

Resolved 3rd, That our Bishops are hereby requested not to transfer to this Conference any man who is thus defiled nor to appoint any such man to the Presiding Eldership among us.

Resolved 4th, That we will warn the children and young people of our Charges and Districts to guard against this terrible slavery.

G. C. WOODRUFF, Chairman,

A BEELER, Secretary.

XIV.—FREEDMAN'S AID.

WHEREAS, It is evident that the Church of Rome is making gigantic efforts to win over the colored people of the South to the Romish faith and believing that such an event would be attended with evil consequences to our country; and

WHEREAS, We believe that our work among the Freedmen is approaching an important crisis in its history; therefore

Resolved, That as a Conference we pledge ourselves to greater efforts in presenting its claims to our people and as far as possible to secure larger contributions toward its support.

F. SMITH, Chairman.

J. A. WINDSOR, Secretary.

XV.—BOOK CONCERN.

After a careful examination of the accounts and notes due from this Conference, we are satisfied that many of the members should be more prompt in paying their debts, and that it is very detrimental to the interests of the Book Concern to carry notes and thus lose the use of the capital while standing out at a low rate of interest.

We recommend that after receiving the consent of the parties concerned, the amount of $6.80, due the concern, from Bro. J. Luccock be paid out of the amount allowed him by the Conference Steward's and that 33 per cent. of the amount allowed J. H. Scott and J. W. Odell, be paid on their accounts.

A. C. PRICE,
A. BEELER,
P. A. COOL.

XVI.—TRACTS.

WHEREAS, The Tract Society of the M. E. Church has a great variety of interesting and beautiful publications; and

WHEREAS, We believe that a more general circulation of our tracts would advance the spiritual interests of the church and aid the pastors in their work: therefore

Resolved, That we recommend pastors to take the collections for this cause as early in the Conference year as practicable and obtain our own tracts for distribution. G. W. GUE, Chairman.

J. H. SANDERS, Secretary.

XVII.—SANCTITY OF THE SABBATH.

The committee would call attention to the fact that the sin of Sabbath violation is becoming increasingly and ruinously prevalent, both within and without the church. Some of the more common forms of Sabbath violation the Committee would particularize:

Church members and professing christians too often indulge in Sabbath visiting for purposes of social enjoyment; and this evil is practiced to such an extent as to interfere often and seriously with their regular attendance at church. During such social visitations on the holy Sabbath, there is free indulgence in talking, jesting, laughing, and other improprieties of conduct which do not comport with the sanctity of the Sabbath. In consideration of the evil herein specified, the Committee would recommend for adoption the following resolution:

Resolved, That we will give no countenance to the prevalent sin of Sabbath-breaking as committed by professing christians and others, in social visitings on that holy day, but will condemn it both by word and example.

Also, the committee feel required to notice the public and very prevalent sin of Sabbath violation as practiced by the railroad corporations of the country. We regard the ordinary moving of trains on the Sabbath as a violation of the sanctity of that holy day, whether such train-running be for business or pleasure; whether in transporting freight from point to point along those busy thoroughfares, or for the entertainment of pleasure-seeking excursionists, or in the conveyance to religious meetings of multitudes of people for the ostensible purpose of worshiping Almighty God. In view of this evil,

Resolved, That we profess our hearty disapprobation of all these

sins of Sabbath violation, and we hereby record our earnest and honest determination to discourage and oppose, both by public teaching and private influence, all such offences against the sanctity of the holy Sabbath of God, whether committed by public corporations or private individuals.

The committee would notice, also, the public customs of recreation-seeking on the Sabbath day, which have been introduced into our country through foreign influence, and which devote the holy time of that sacred day to purposes of amusement and dissipation, with the wicked accompaniments of music, dancing, gaming, &c., as practiced in German beer gardens, Sunday saloons, and other resorts, where the Sabbath is openly and wantonly violated. Therefore,

Resolved, That we agree to use all our influence as christian ministers and public teachers for the suppression of these most wicked Sabbath-breaking practices.

A last point of importance that your committee would touch, relates to the unnecessary and mischievous agitation of questions in certain places which regard the observance of the seventh day of the week rather than the first, as the holy Sabbath. The committee think, that such agitation of a practically long-settled question tends to the unsettlement of right convictions, the confusion of the public conscience, and opens the way for infidel objection to the doctrines and institutions of our holy christianity. Therefore,

Resolved, That we recommend to all christian people entire non-participation in all such unnecessary and unprofitable questions as relate to the substitution of the seventh for the first day of the week as the christian Sabbath.

The committee would add an expression of heart-felt satisfaction on account of the godly decision of the commissioners of the National Exposition to close the exhibition on the holy Sabbath, and their firm and decided action in keeping the centennial grounds closed against visitors on the Sabbath, in pursuance of such godly decision. Hence, be it

Resolved, That the Central Illinois Conference of the Methodist Episcopal Church hereby expresses its hearty approval of the righteous decision and action of the Centennial Commissioners in closing the exhibition against the entrance of visitors on the Sabbath day, and that we tender to those officers our united thanks for their determined and conscientious action in the matter referred to.

Signed:

WM. P. GRAVES, Secretary. L. B. DENNIS, Chairman.

XVIII.—SUNDAY SCHOOLS.

WHEREAS, We realize that the Sunday School is one of the most efficient agencies in the spread of the Gospel, and one whose importance cannot easily be overestimated; and

WHEREAS, We believe that no field of Christian labor is so full of encouragement to Christian workers as this, and that the efforts put forth in it are far from adequate to the demands of the times; therefore

Resolved, 1st, That the interests involved in the Sunday School work are so vital that the ministry ought to engage with increasing love and zeal in this department of Christian labor.

Resolved, 2d, That the contributions of money for this cause ought to be largely increased so that each Sunday School may be supplied with every facility for prosecuting its work.

Resolved 3d, That our own publications should have the precedence in our schools.

Resolved 4th, That we heartily endorse the action of the last General Conference relative to the S. S. work.

Resolved 5th, That we as a Conference pledge ourselves to carry out the plan found in our Book of Discipline for organizing and controlling our Sunday Schools.

M. V. B. WHITE, Chairman.

M. A. HEAD, Secretary.

MEMOIRS.

EDMUND S. JANES.

At his residence in the city of New York, on Monday the 18th of September, 1876, Bishop Edmund S. Janes, D. D., senior Bishop of the Methodist Episcopal Church, having served God in his day and generation, passed from the labors of earth to the rest of Heaven.

He was born in 1807, in New Canaan, Connecticut. He was a lineal descendent of the Pilgrim Fathers who settled early in Massachusetts and Connecticut.

Having acquired an Academic education he spent several years in teaching in New York and New Jersey, during which time he graduated as an M. D.

He never entered upon the practice of his profession, God having more important work for him in another sphere. While engaged in teaching he was converted, and called to the work of the Christian Ministry.

He united with the Philadelphia Conference in 1830, and soon took rank among the leading members of his Conference, when, after spending several years, he was transferred to the New York Conference.

Having filled several of the most important stations, he was elected Financial Secretary of the American Bible Society, which office he held until 1844, when he was elected Bishop of the Methodist Episcopal Church.

He was eminently fitted for the discharge of the functions of his high office. None have ever surpassed him in quiet dignity, urbanity of manner, prompt decision, and in managing with ease and dispatch the business of an annual Conference.

Bishop Janes presided over more Conferences and ordained and stationed more ministers than any other Bishop in our church.

1876

As a minister in the pulpit and on the platform he will ever rank among the most profound and eloquent of any age. His delivery was eminently graceful and forcible, and his public efforts in the many sermons and addresses delivered before the largest and most intelligent audiences of the nation, gave evidence of the highest grace and culture, as well as of a faultless mastery of our language.

On several occasions he extended his field of labor, which comprised the whole United States, and crossed the ocean to look after the missionary interests of the churches of Europe. In 1865 he attended the Wesleyan Conference, in England, as the fraternal representative of his Church, preaching to, and addressing that body. Like his Divine Master he went about doing good, and was unremitting in his work of faith and labor of love.

In the 32 years of his Episcopate he saw his church more than double her membership, her schools and colleges greatly multiplied, her church edifices and parsonages more than quadrupled, her wealth and intelligence immensely augmented, and her aggressive agencies carried well nigh into every portion of the earth. This wonderful development of spiritual life and activity was, in a large measure, the result of the sage counsels and indomitable energy of Bishop Janes. Truly a great man and a Prince has fallen in Israel. In his death the church has sustained a loss which will be keenly felt throughout the length and breadth of the Christian world.

While we experience a feeling of sadness that the leader of our advancing hosts has fallen, yet we bow with humble submission before the All-wise Father who doth not aflict willingly nor grieve the children of men.

Our chastened, but submissive hearts would say, "The Lord gave, and the Lord hath taken away, blessed be the name of the Lord."

WM. H. HUNTER,
RICHARD HANEY,
L. JANES.

REV. WM. LEIBER.

REV. WILLIAM LEIBER was born in Pennsylvania, September 19, 1832. He was converted and joined the M. E. Church at the age of

17, and entered the ministry in 1861. His first charge was Buda, which he served as a supply. At the close of this year he was admitted as a probationer in the Central Illinois Conference. By appointment from the Conference he served successively, LaFayette three years, Sparland three years, Galva two years, Cambridge one year, New Windsor two years, and Milan one year and a half, where he died in great peace on Friday, March 3, 1876.

He was united in marriage with Eliza J. Moorhead, April 8th, 1858.

Brother Leiber was a consistent and earnest Christian minister. His whole life was a verification of the fact that his heart was fixed on God. His Christian character and life did not partake so much of the emotional and demonstrative as of the stable in faith, unyielding in principle and constant in practice. He was upright in filling every post of duty, and prompt in discharging every responsibility committed to his trust.

He was sound in doctrine, Scriptural in his lines of proof, and thoroughly earnest in his presentation of Gospel truth. His great effort was to save souls and not to secure the praise of men. He sleeps in Jesus, and his works shall follow him.

BYRON O. MANNING.

Rev. Byron O. Manning was born in the state of New York, June 6th, 1850, and died at New Windsor, Ill., October 5th, 1875. He was converted under the preaching of Rev. S. Brink, on Gilson Circuit, Central Illinois Conference, and feeling moved of the Holy Ghost to preach the Gospel immediately set about preparing himself for that work. After several years of labor and self-denial for the cause of the Master, he graduated from Hedding College, June 1872, was recommended to the annual Conference by the Gilson Q. C., the following August, admitted on trial at Geneseo, Ill., September 1872, and appointed Junior preacher on the Biggsville and Oquawka Circuit. Here he served acceptably for one year when he was appointed to the Secor charge. On this charge his arduous labors undermined his health and sowed the seeds of that disease which cut him off in the midst of his usefulness. At the Conference held at Carthage, Ill., September 1874, he was ordained Deacon and appointed to the Ottawa circuit. On this charge his health completely failed and he

1876

was forced to retire from active labor. During this year he seemed ripening for heaven and with a seeming premonition of his coming glory he settled his worldly business and awaited the coming of the Master. At the Conference held in Moline after passing his examination he was attacked by cerebeitis and before reaching home became unconscious, remaining in this condition with the exception of rare intervals until his death. His end was peaceful as became a Christian and a Minister of the Gospel of the grace of God.

Bro. Manning was married September 23d, 1874, to Miss Maggie A. Straney, of Sunbeam, Ill., who is left to mourn his loss yet not as those without hope.

MRS. AURELIA KNAPP.

Sister Aurelia Knapp, daughter of Josiah and Nancy Seybold, was born in LaSalle County, Illinois, May 20th, 1843. In December 1858 under the labors of Rev. B. P. Wheat, she was converted and joined the M. E. Church, being the first convert in a gracious revival that resulted in fifty conversions.

She was married to Rev. W. C. Knapp Aug. 30th, 1866, and was through all their married life a faithful companion and co-laborer in the Master's vineyard. In youth she was noted for her faithfulness in the discharge of her duties as a Christian, and for her interest in the prosperity of the church and the salvation of souls. And though she lingered for several years in feeble health, her zeal for Christ and the church was unabated. While suffering affliction of body she was patient in spirit and strong in faith; continually exerting herself even beyond her strength to aid her husband in his pastoral work and social meetings.

She was an active worker in the temperance reform, and indeed wherever a field opened she was ever ready to enter and render what service she could for Christ. She was an affectionate wife, a loving mother and true friend. Having lived a faithful life, she finished her course with joy, and died in great peace and triumph, in Abingdon, Ill., Nov. 17th, 1875.

SISTER BOWLIN.

Lovila L., wife of Rev. M. C. Bowlin, died May 19, 1876, at her parsonage home in Aledo, Mercer couniy, Ill., in the thirty-seventh year of her age. Sister Bowlin was born in Fayette county, Pa., was converted and joined the M. E. Church in the year 1860; came to Illinois in 1864, and for more than ten years has shared the toils and privileges of the itinerancy with her husband, within the Central Illinois Conference.

Her sickness, continuing for ten weeks, was of the most painful character throughout, but her triumph over pain and death was most sublime, giving repeated testimony of the completeness of her victory. She said: "I am waiting for my change," "Waiting the coming of my Master," "I have no clouds to obscure my spiritual light," "All is clear."

She possessed a meek and quiet spirit, and a disposition of the most amiable character. Her religious experience was deep and abiding, not only through her last sickness and death,but throughout her Christian life. No one acquainted with her could doubt her devotion to the church, or the work to which her life had been sacredly consecrated, as the companion of an itinerant.

Her bereaved husband and four children are left in the sadness of their hearts to mourn the loss of a wife and mother, but yet they can rejoice in the assurance that she has but gone before and they may greet her by-and-by.

MRS. DRUSILLA BIRCH.

Mrs. Drusilla Birch, who departed this life Jan. 16th, 1876, was born July 31st, 1851, in Ashton—under Lynn, Lancashire, England.

In the spring of 1865, her father with his family came to America and settled in McLean county, Ill., and a few years later in the city of Bloomington. In infancy she was baptized and afterward confirmed according to the rites of the Church of England. At the age of 17 she entered into a blessed experience of the religion of the Lord Jesus, and became a member of the United Presbyterian Church of which organization she remained a member until her marriage with Rev. H.

1876

C. Birch, Nov. 28th, 1870. She then changed her membership to the M. E. Church, of which she remained a devoted member until the time of her death. From childhood she was an earnest scholar or teacher in the Sunday School. She thus became very familiar with the scriptures, whose precepts and promises were a great source of strength and comfort in trial and affliction.

As an itinerant's wife, she was an earnest, willing and ready worker, even beyond her physical strength. When dying she said the people did not know how much she wanted to be with them to assist in the work of the church. She was especially interested in the young ladies of the charge, and in her last hours was burdened for their conversion.

She was a great sufferer, and for more than a year had been confined helpless upon her bed; but throughout her protracted illness she was peaceful and patient.

Her death was a glorious triumph.

When told that she was dying, she charged her husband to try to do the will of the Lord, also to train up her child for the Savior. Then said, "tell me, is this very death? If this be death, I soon shall be with Jesus. All is well. I soon shall see my Savior's face."

Soon after, prayer having just been offered, she peacefully entered into rest.

S. Brink, Chairman.

P. A. Crist, Sec'y.

SAMANTHA M. MERRIAM.

Sister Samantha M. Merriam, wife of Rev. Wm. Merriam, was born in Knox county, Ill., 1852, and died in Avon Jan. 19, 1876.

Sister Merriam was converted and joined the M. E. Church in the winter of 1873-'74. On Sept. 10, 1874, she was married to the Rev. Wm. Merriam a member of the Central Illinois Conference.

With her husband she removed to Waldron, Kankakee county, Ill., soon after their marriage. It was not long till the evidences of that fatal disease, consumption, made their appearance. All that a loving

husband and kind friends could do was done to save her, but the disease baffled all their skill and care. Patiently and cheerfully she endured in the strength of her savior.

In September 1875, her husband was appointed to Avon charge whither she went hoping, if not able to do, she might suffer for the Master.

With what Christian resignation did she bid His coming? Nothing but a Christian spirit shone forth from that sick room. When asked a few days before her death, how her faith and hopes were, she with much emphasis exclaimed, "*O blessed hope of a blissful immortality.*" She lies buried at Abingdon to await the re-unions in Jesus.

REPORTS.

I.—EDUCATION.

Your Committee on Education to whom were referred the reports and interests of the respective institutions under your patronage, report after due deliberation as follows:

ILLINOIS WESLEYAN UNIVERSITY.

The Committee are most happy to learn from the reports referred to them from the Trustees, and from the visitors appointed by your body to the Illinois Wesleyan University, that the past year has been the most successful of any in the entire history of the University with improved prospects for the present year, there being four hundred students now in attendance against three hundred and twenty last year. The students have been orderly and studious.

Eighteen professors are employed, all of whom are experienced, competent and earnest workers in their several departments.

The President, Rev. W. H. H. Adams, D. D., has proved himself the right man for the responsible position to which he has been chosen.

The Home for Young Ladies, provided by the Woman's Educational Association, and also that for young men, furnished by the Trustees, have been enlarged and improved and offer comfortable attractions and safe homes to those desiring an education, and afford board and lodging at the extremely low price of two dollars and fifty cents per week.

The departments of law and music are fully established and able professors employed, affording ample facilities to those desiring instruction in them.

The financial condition of the University is as favorable as could be expected, as the following exhibit will show:

RESOURCES.

Good notes for Building Fund		$3962 00
Real estate for " "		2635 00
		$6597 00
Centenary and Endowment Fund		
Notes, mortgages and real estate	$68396 23	
Loaned to Building Fund	5200 00	
Special Endowment Fund for young men	832 34	
		$74428 57

INDEBTEDNESS.

Due on bonded debt	$35000 00
Due Faculty and sundry account	7511 00
	$42511 00
Less amount loaned Building Fund	5200 00
	$37311 00

Owing to financial depression in the country no effort has been made to increase the conditional subscription of $25,000 made June, 1876, but it is believed that the time has come when this question cannot longer be deferred, and that to save what has already been subscribed vigorous efforts must be made at once, and that we will heartily co-operate with any accredited agent the institution may send among us.

We recommend the appointment of Revs. O. W. Aldrich, A. M., and Samuel Vanpelt, A. M., as professors.

We also recommend the election of Rev. F. M. Chaffee, Rev. A. C. Price and J. B. Sargeant, W. B. Harvey and I. P. McDowell as Trustees, and that Rev. M. F. Havermale, H. M. Laney, R. D. Russell, J. B. Dille, J. S. Millsap and S. Brink be appointed as visitors.

HEDDING COLLEGE.

We are glad to learn that Hedding College is still prosperous, having had a greater number of students in attendance during the past year than at any time in its previous history, there having been 295 in regular classes and 36 in special departments.

The above attendance is a favorable showing considering the fact that the patronizing territory contains less than 15,000 members of the M. E. Church, and that within the same territory there are eight institutions of learning.

The courses of study have been revised and extended from year to year and now comprise the Scientific, Latin Scientific, and Classical together with well arranged Musical and Commercial Departments. Painting, drawing and other facilities for extended college culture add to the attractions of the institution.

The new building has been completed and the old building re-roofed and refitted, affording ample accommodations for 500 students. Notwithstanding the general depression in financial circles the debt on the institution has been reduced more than a thousand dollars, and nearly three thousand dollars have been expended in improving the buildings and grounds, besides paying the interest on indebtedness and meeting expenses.

The liabilities of the institution are $12,800, $10,000 of which is due to G. M. Foot, of Olena, Ill., payable in September, 1883; and on condition that an additional sum of $20,000 be secured to the institution before the maturity of the obligation due Mr. Foot, he has kindly and generously bound himself to donate to the institution the entire amount due him. $8,000 of this conditional sum has already been secured, leaving only $12;000 more to be raised within the next six years.

The Faculty, under the presidency of Rev. J. G. Evans, A. M., are harmoniously and diligently laboring to promote the interests of the college.

We respectfully request the Bishop to appoint Rev. J. G. Evans, A. M., as President, Rev. W. C. Knapp, A. M., and U. Z. Gilmer, A. M., as Professors, and Rev. R. A. Cowen as Traveling Agent.

We also recommend in accordance with the wishes of the Board of Trustees the following persons as members of their Board in place of those whose term of office expires, viz.: Revs. H. I. Brown, B. F. Tallman, J. J. Fleharty and G. M. Morey, and Messrs. Z. P. McMillen, Alexander Hull, W. F. Archer and J. D. Bell: also E. Harris to fill out the unexpired term of E. H. Curtis whose resignation has been accepted by the Board.

GRAND PRAIRIE SEMINARY AND COMMERCIAL COLLEGE.

Your Committee is grateful to learn from the 14th annual report of the Board of Trustees of Grand Prairie Seminary and Commercial College of the increasing prosperity of that institution.

Rev. J. B. Robinson, A. M., a gentleman of much experience and highly recommended as a successful instructor, has been secured as Principal.

The other members of the faculty have been connected with the institution for several successive years and are known for their efficiency and prosperity.

Thus far during the present year 120 students have been in attendance, a number exceeding the average attendance of corresponding terms in the past.

The improvement of the building, and additional facilities for instruction render the institution a more desirable resort for education than ever before.

The courses of study embraced in the several departments are the Classical, Scientific, Commercial and Musical. Painting, drawing and elocution are also taught.

The reputation of Onarga for temperance, health and moral tone renders the place additionally attractive as a resort for students.

Expenses are as reasonable as at any similar institution.

The financial interests of the institution are faithfully and judiciously managed, and an effort is being made to secure and keep intact the Centenary Endowment Fund.

In compliance with a request from the Trustees we recommend the appointment of Rev. J. B. Robinson, A. M., as Principal and Rev. J. P. Forsyth as Financial Agent. Also the appointment of Revs. M. C. Eignus, B. W. Baker, A. M., A. Fisher, C. David and W. Underwood as visitors.

In view of the intimate relation between our schools and church, and in consideration of the immediate advantage of our institutions of learning to our denominational interests, your Committee recommend that you instruct the Publishing Agent of Your Minutes to insert, free of charge, a half page advertisement for each of the following institutions, viz.: Illinois Wesleyan University, Hedding College, and Grand Prairie Seminary and Commercial College.

NORTHWESTERN UNIVERSITY.

Your Committee to whom was referred a paper relating to the Northwestern University beg to report as follows, viz:

Having observed with pleasure the marvelous growth and the increasing facilities of that institution, we recognize in it a powerful instrumentality, co-operating with our western colleges, in lifting up our young people to the higher planes of thought and usefulness. And regarding as a friend this institution of our Church, employed by our Heavenly Father in the moral and intellectual development of our people, and this Conference being entitled, by the provisions of the charter of that institution, to representation in its Board of Trustees, and having been invited to elect two of our number as members of that Board, we therefore recommend the election of two Trustees to that institution. Nevertheless,

Resolved, That the election of Trustees to the Northwestern University shall not be so construed as to make this a patronizing Conference of that institution, nor so as to give the authorities of that institution the right of soliciting material aid within our bounds.

GARRETT BIBLICAL INSTITUTE.

We learn from the report of the visitors to Garrett Biblical Institute that the institution, though suffering somewhat from the financial crisis through which the country has been passing, is still doing good and efficient service for the Church through the means and facilities which it furnishes students preparing for the ministry.

We recommend this institution as a suitable and every way worthy place for those desiring a theological training, and that Revs. E. P. Hall and G. M. Irwin be appointed Conference visitors. Respectfully submitted.

H. RITCHIE, Chairman.
R. D. RUSSELL, Secretary.

II.—PERIODICALS AND BOOK ACCOUNTS.

We desire to set forth the following:

WHEREAS, Our country is full of colporteurs, book canvassers and agents for different periodicals, coming into our houses frequently every year urging upon our people publications of other denominations and secular periodicals, and as we believe thereby disseminating much erroneous doctrine and producing much pernicious practice; and

WHEREAS, It is highly proper, yea, necessary, to the unity and harmony of the faith and practice of our Church that we should have for our people an established and authorized literature; Therefore

Resolved, That we do not believe it becoming a minister of our connection employed in the regular pastorate to engage in circulating literature that will in any way displace our periodicals or in any way interfere with the circulation of the same.

Resolved, That we will give increased diligence to the circulation of our Church periodicals of all classes, from the *Quarterly Review* down to the Sunday School papers. And especially will we urge our people to support and read our *Northwestern Christian Advocate*.

Resolved, That in view of the financial stringency, the reduction in the price of labor and material, and the fact that the support of our

Bishops is removed from our publishing interests, we respectfully suggest to the Committee having charge of the same a reduction of the cost of our weekly periodicals and Sunday School papers.

Resolved, That we, as agents, will insist upon prepayment for all periodicals, and thereby save ourselves and the publishers from any loss on the same.

WHEREAS, There are complaints made to us by brethren doing business with the *Concern* at Chicago, setting forth that many mistakes are made and an apparent want of care in doing business on the part of the employes of the *Concern*; Therefore

Resolved, That we hereby ask that the agents of the *Book Concern* require more carefulness and courtesy on the part of those in their employ in the *Concern*. Respectfully,

(Signed) S. BRINK, Chairman.
GEORGE M. IRWIN, Secretary.

III.—MISSION TERRITORY.

The Committee on Formation of Missions within the bounds of the Conference would report as follows:

We find that sixteen charges are actually in need of assistance and that $2,600 could be profitably expended upon them; Therefore

Resolved, 1st. That we recommend the organization of a Domestic Missionary Society within the bounds of the Conference, with a branch in each of the Districts.

2d. That we take up no collections in the congregations for such Society, but raise funds by annuities, honorary and life memberships, bequests and donations.

3d. That we recommend the appointment of a Committee of one from each District to draft a constitution and by-laws for the government of said Domestic Missionary Society, as follows: P. Warner, B. F. Tallman, G. M. Irwin, H. M. Laney, A. K. Tullis, W. A. Cumming, W. Underwood and John Wilkinson, and that said Committee report for the action of this Conference.

(Signed) R. HANEY, Chairman.
J. S. CUMMING, Secretary.

The Committee on Missions within the bounds of the Conference would further report:

Resolved, That we recommend that each preacher in reporting funds collected for Missions be required at the next session of the Conference to furnish the name of each contributor with the amount contributed, to be published in the Conference Minutes.

R. HANEY, Chairman.
J. S. CUMMING, Secretary.

IV.—TRACTS.

WHEREAS, The Tract Society of the M. E. Church has a large and increasing variety of excellent publications; and

WHEREAS, It is provided that each pastoral charge may receive for distribution, tracts, to the amount of one-half of the last previous collection; and

WHEREAS, The printing presses in our foreign mission fields are supported by the Tract Society; Therefore

Resolved, 1st. That the importance of the work of the Tract Society demands increased contributions to this cause.

Resolved, 2d. That we recommend that collections for this cause be taken early in the year, and that tracts be obtained for distribution.

W. UNDERWOOD, Chairman.
G. I. BAILEY, Secretary.

V.—SUNDAY SCHOOLS.

WHEREAS, The Sunday school is an efficient agency in advancing the Kingdom of Christ, and an important factor in Church work; and

WHEREAS, The Corresponding Secretaries and the agents of the book concern have provided all necessary perquisites and helps for prosecuting Sunday school work; Therefore

Resolved, 1st. That the contributions to the funds of this cause ought to be largely increased, so that each Sunday school may be supplied with facilities for successful work.

Resolved, 2d. That we recommend the more general use of the *Berean Quarterly* and the *Leaf Cluster*, and that our own publications should have preference over all others in our schools.

Resolved, 3d. That we, as a Conference, will carry out the plan in our Book of Discipline for organizing and controlling our schools.

W. UNDERWOOD, Chairman.
G. I. BAILEY, Secretary.

VI.—BIBLE CAUSE.

WHEREAS, We look upon the Bible Cause as sustaining a vital relation to our common Christianity and the perpetuity of our civil and religious liberties; Therefore

Resolved, 1st. That we recommend our people to continue their hearty support of the American Bible Society as constituting the efficient and properly authorized agency to promote the general circulation of the Holy Scriptures throughout our land.

Resolved, 2d. That regarding this work as supplementary to our work as a denomination—we would lament any decline in its efficiency.

Resolved, 3d. That the plan of supplying steamboats, railroad cars and depots, etc., with copies of the Scriptures for the benefit of the traveling public ought to be continued, and any indignity offered the Bible in such places should be regarded as offering insult to the Christian people of the land, and deserving of immediate and thorough redress. Respectfully submitted.

J. A. WINDSOR, Chairman.
A. C. CALKINS, Secretary.

VII.—TEMPERANCE.

WHEREAS, In our opinion intemperance was never more persistent and prevalent, and its votaries in their activities were never more

adroit and audacious; never more treacherous and tireless; never more vigilant and vicious; and

WHEREAS, The effects of intemperance were never more startling and stunning; decoying our youth from our very households, and carrying them to ruin; seizing our more adult citizens and binding them in bonds of burning, and desolating thousands of families. Therefore

Resolved, 1st. That as men of God we will join hands with every proper association and on all proper occasions heartily and fervently in subjugating this great evil.

Resolved, 2d. That while we hail with joy and thanksgiving the rising tide of temperance sentiment throughout the length and breadth of the land we would recommend that each pastor shall so give himself to the work of temperance reform as to make the employment of responsible persons to indoctrinate our people on this great subject wholly unnecessary.

J. S. MILLSAP, Chairman
P. A. CRIST, Secretary.

VIII.—USE OF TOBACCO.

WHEREAS, For many years this irrepressible subject—"The Use of Tobacco"—has come before this and other Conferences for consideration and Conference action. And

WHEREAS, As often as it has come before us it has been denounced as "a filthy habit," as "criminally expensive," as physically, intellectually and morally hurtful," as "blighting all the nobler faculties," as "inimical to the highest Christian and ministerial usefulness," as "a perpetuation of slavery," as "bringing thousands of our young men into bondage by its destroying power," as "an unchristian practice that ought to be given up by all professing to be governed by the Gospel of Christ," etc. In view of all these counts in the indictment found against the use of tobacco by this Conference, it has been resolved and re-resolved that we would receive no man into the Conference until he had pledged himself to abstain totally from its use. The Bishop has been requested not to appoint any man who uses it to the Presiding Eldership until he will give up the practice. We have by resolution also pledged ourselves as ministers that we would warn faithfully the children and young people on our charges against this growing evil. Therefore

Resolved, 1st. That we cannot consistently, nor will we ignore the record we have made as a Conference on this subject, but that we will stand by the judgment we have rendered in the premises from year to year.

Resolved, 2d. That we reassert the position taken in our former sessions and ask that in all fairness the resolutions adopted year by year be practically carried out by all concerned.

Resolved, 3d. That we profoundly regret as ministers of Christ any disposition to trifle with this most important subject, involving, as it does, the salvation or ruin of thousands here and hereafter.

Resolved, 4th. That we respectfully ask the Bishop again not to transfer any man to this Conference who uses tobacco and who will not pledge himself to quit its use. We also request the Bishop to ask every candidate for ordination, before he is elected, whether he uses tobacco, and if so, whether he is willing to give it up.

Resolved, 5th. That we heartily endorse the action of the last General Conference on this subject, and that as loyal Methodist preachers we will faithfully carry out this provision of the Discipline.

A. Bower, Chairman.
J. W. Haney, Secretary.

(The above resolution was adopted by a vote of 90 against 18.—Ed.)

X.—SANCTITY OF THE SABBATH.

The sanctity of the Sabbath is a subject of vital importance to both the Church and the world, and should receive our most careful attention. It is written, "Remember the Sabbath day to keep it holy," and as this day has been set apart and hallowed for a twofold purpose, namely, for physical rest, and the worship of Almighty God, it behooves us as ministers of the Gospel, to carefully guard this, the "Lord's Day," and especially at this time when so many in and out of the church use it as a day for merely secular rest and social enjoyment. Therefore,

Resolved, That we disapprove of social visiting on the Sabbath as the day is thereby desecrated and those visited are deprived of the privilege of worshiping God in his house.

Resolved, That the practice of devoting the Sabbath to recreation, either public or private, of pleasure driving upon "highways," going to pic-nics or excursions, is wrong and should be condemned by every Christian.

Resolved, That we most heartily condemn the practice of Sabbath desecration (introduced by a foreign rationalistic influence) as found every where in connection with beer gardens and their accompanying bands of music, dancing and drunkeness.

CONFERENCE CLAIMANTS' SOCIETY.

Report of the Officers and Board of Managers of the Conference Claimants' Society of the Central Illinois Conference of the M. E. Church.

Dear Fathers and Brethren:—

Recognizing the great fact that the workman is worthy of his hire, and that those who have ministered to the Church in spiritual things should by the Church be properly supported with temporal things. And

WHEREAS, We have a body corporate known as the Conference Claimants' Society of the Central Illinois Conference of the M. E. Church which up to the present time has been unproductive, owing to the fact that it has not been brought before the Church and worked up as it should have been, and believing that an active agent could, within the bounds of our own Conference, create a fund of $25,000 or more, the interest of which would greatly increase our Conference Claimants' Fund; Therefore

Resolved, 1st. That it is the sense of this Conference that we should immediately put an active agent in the field, and that the Board of Managers be allowed to make arrangements, terms, etc., with such agent.

Resolved, 2d. That this Conference respectfully request Bishop Merrill to appoint Rev. C. C. Knowlton or R. Haney as such agent.

Resolved, 3d. That each Pastor be required to bring to the session of the next Conference a report of the agent's work in his charge. Respectfully submitted.

S. G. J. WORTHINGTON, Chairman.
WM. M. COLLINS, Secretary.

XII.—DISTRICT CONFERENCE MINUTES.

The Committee on District Conference Minutes report that the records of Macomb and Monmouth Districts were the only records before us. The records are neatly kept, but not sufficiently indexed. In Monmouth District no Committee was constituted to apportion the amounts to be raised for benevolent collections.

The matter of appointing local preachers in Macomb District was committed to the Local Preachers themselves, which the Committee think contrary to the spirit and letter of the Discipline. Your Committee hope that hereafter the records of each District Conference will be brought, and would recommend that a Committee on District Conference records be recognized among the standing Committees.

J. W. COE, Chairman.
A. C. PRICE, Secretary.

XIII.—FREEDMAN'S AID SOCIETY.

WHEREAS, The Freedman's Aid Society was organized and has been kept alive for a specific purpose, namely, the education and Christianization of the freedmen; and

WHEREAS, The prejudices against and pressure laid upon the operations of Christian laborers are now being in some degree removed; and

WHEREAS, Romanism is making every effort to win them to the Catholic faith, which would endanger every principle and blessing of the true Christian faith; Therefore

Resolved, That we as a Conference will inform ourselves as to the importance of this work, and that we will faithfully present its claims to our people.

J. G. BLAIR, Chairman.
C. H. ST. JOHN, Secretary.

All of which we have recommended to the present Board for approval.

The application from Rockford has been considered and granted and the money received.

The application from Maquon was forwarded at a late date preceding the session of our Conference, and has not yet, to our knowledge, been granted.

WHEREAS, The Woman's Foreign Missionary Society is designed to reach this primary and necessary result, and by its efforts since its organization has done much to accomplish it; Therefore

Resolved, That we give it our hearty sympathy and cordial support, and that we earnestly recommend that care be used by auxiliaries so as not to interfere or conflict with the operations of the "Parent Missionary Society."

Resolved, 2d. That while we rejoice at the increase over last year, we deprecate the fact that seven (7) charges appear with blank reports in this department.

ADVERTISING RATES FOR 1878.

Dear Sir:

I herewith present you with a copy of the "Central Illinois Conference Minutes," and desire to call your attention to them as furnishing you one of the CHEAPEST and BEST advertising mediums in the land, as you will see from the following facts:

We publish annually 3,300 copies, and distribute them among a membership of 28,000 persons, who reside in North-Central Illinois, in Rock Island, Henry, Bureau, La Salle, Will, Grundy, Kankakee, Iroquois, Ford, Livingston, McLean, Woodford, Marshall, Putnam, Tazewell, Peoria, Knox, Stark, Warren, Henderson, Mercer, Fulton, McDonough and Hancock counties.

There is scarcely a neighborhood, and no village, in our territory but is reached by them, and in *many* instances they go into the hands of the best families in these neighborhoods and villages. They are kept for reference, like an almanac, not for ONE YEAR, but for YEARS. Hence an advertisement is always at hand, and frequently meets the eye.

One Page, (except cover)	**$20 00**
One-half Page	**10 00**
One-fourth Page	**5 00**
One-eighth Page	**3 50**
One-sixteenth Page	**2 00**

TERMS OF PAYMENT.

When the Minutes are distributed, a copy will be sent you with the advertisement in for inspection, (at the same time they are sent to all the subscribers,) and a bill forwarded afterward, when the pay will be due, and directions given how you may remit.

We shall be glad to have you patronize us. If so inclined, please mail copy of advertisement immmdiately, or as soon as practicable.

"At one of these meetings a fearful storm raged for hours. Many took refuge in a school house near by, and whilst peal after peal of deafening thunder drowned the voices of the worshipers, John Maxey broke out in tremulous tones, "He comes! He comes! the Judge severe." Trembling seized every listener. Some shouted, some cried for mercy, and many were born of God that night."—[Glimpses of the Life of A. E. Phelps.

"The Mormons came from all parts of the country. About twenty Elders, Bishops, Lawyers and other officials were in attendance. Their table was loaded with books to be used in their defense. In making some preliminary arrangements the disputants were interrupted several times by a young lawyer from NAUVOO. Finally Mr. Phelps said, "Young man you had better stay at Jericho until your beard grows out."—[Glimpses of Life of Phelps.

"But God's prescience does not interfere in the least with the liberty of human actions. Knowledge, simply considered, possesses no creative, effective or productive power, no constraining influence. It may direct an action to an end, but cannot produce an action or destroy the moral liberty of one."—[Short Sermon in Glimpses of Phelps.

REPORTS.

I—EDUCATION.

In view of the great value and pressing wants of our beloved Hedding College, and especially to meet the condition of a noble offer of $10,000 of George M. Foote, of Olena,

Resolved, That we will proceed immediately to raise $10,000 in $100 shares.

Resolved, That this shall be made real, and the same as cash, from the completion of this subscription by reliable men, (of which the certificate of the President of the Board shall be sufficient evidence) binding themselves to give notes for the amount subscribed, payable in one year from said date, with lawful interest.

Resolved, That ministers subscribing these sums, shall be at liberty to raise the money from the people of their charges.

G. W. Arnold, Chairman.
P. A. Cool, Secretary.

HEDDING COLLEGE.

The committee rejoice to learn from the report submitted to us, that Hedding College has had an opening this fall, grandly befitting the introduction of improved educational methods. A gradual renovation of systems and facilities is meeting with general favor. Additional requirements and attainments for graduation, will have a tendency to decrease the numbers in the graduating classes for the present, but they will elevate the institution in public confidence and favor.

Various beneficial ways and means have been entered into by the authorities, who are determined to spare no pains in making Hedding College a power for good in the broad fields of Christian culture. The religious influences of the college are putting on new life.

The regular courses of study are as follows: Classical, Latin Scientific, and Scientific. Besides these there are special courses in Music, Elocution, and in the Commercial and Academical Departments. These courses comprise as varied and extensive a list of branches as are taught in any college in the state.

The financial condition of the institution is as follows: The whole amount of indebtedness is $17,000. Of this $10,000 is due George W. Foote, Esq., of Olena, Illinois, payable in 1883; and on condition that

an additional sum of $20,000 be secured to the institution on endowment, over and above all indebtedness, before the maturity of the obligation due Mr. Foote, he has generously bound himself to donate to the institution the entire amount due him. Now, if the current expenses are provided for each year as they become due, and if the assets of the institution can be made available, then it will require only about $15,000 to fulfill the conditions of Mr. Foote's proposition.

The college owns property to the amount of about $60,000, counting the building and grounds at $40,000. The remaining $20,000 consists of notes and bills receivable, about forty per cent. of which are unavailable. During the past year the indebtedness has been increased about $4,000, owing to the limited amount of collections, and to the expenses in and about the building.

The attendance this fall is much better than was anticipated, considering the unsettled state of affairs. Suffice it to say, that under the new administration cofidence is being restored. There are enrolled for the present term one hundred, which is a favorable showing, compared with the average of previous years, and considering the times. The building has ample accommodations for a large number of students, and these will undoubtedly be forthcoming, as public confidence increases, and the institution advances to a higher grade. Under the wise and efficient administration of President George W. Peck, there is union of effort on the part of the faculty, and good order throughout every ramification of the college. By the blessing of God we expect a grand future for Hedding College.

We respectfully request the Bishop to appoint Rev. George W. Peck, P. B., President, and W. C. Knapp, A. M., and George W. Waughop, A. M., Professors, and F. M. Chaffee, A. M., Agent.

We also recommend the following as members of the Board of Trustees: P. A. Cool, C. Springer, M. C. Bowlin, G. W. Miller.

GRAND PRAIRIE SEMINARY AND COMMERCIAL COLLEGE.

The committee is glad to learn from the report of the trustees, that the past year has been one of the most successful in the history of the school'

Rev. J. B. Robinson A. M. is proving to be the right man for the position, and by his large experience and careful management, the institution is growing in favor with the people. By his untiring energy the number of students has been greatly increased. The property is well cared for and amply insured.

The financial condition of the institution is excellent, and the endowment fund is receiving careful attention.

The Conservatory of Music, which is a new feature of the school, under the direction of Professor G. Frank Page, is an additional attraction to the seminary'

We respectfully ask the Bishop to appoint as Conference Visitors, Rev. A. Fisher, B. W. Baker, W. H. Flint, C. O. McCulloch, and M. F. Havermale.

1878

The Committee on Education recommend that G. R. Palmer be elected Conference Treasurer for the Educational Fund, and that all money collected for that purpose by the Preacher of the Conference, be forwarded to him.

Also, that G. W. Arnold, chairman of the Committee on Education, be requested to ask Dr. E. O. Haven, treasurer of the general Educational Fund, to forward the amount due our Conference, in equal proportions, to our three institutions of learning, viz: Hedding College, Grand Prairie Seminary, and Illinois Wesleyan University.

WHEREAS, We have received in cash, and receipt $130.86, but a very large number of charges reported no collection for Education this year. Therefore,

Resolved, That we would call the attention of our brethren to the requirement of the discipline, viz: Each pastor shall take a collection annually in each society in aid of the work of Education.

We also recommend that each of our three institutions of learning be granted a half page advertisement in the Conference minutes, free of charge,—this is to be exclusive of the cover page.

G. W. ARNOLD, Chairman.
P. A. COOL, Secretary'

NORTHWESTERN UNIVERSITY.

In the report of the trustees of this institution we are glad to note, 1st. Its *financial* prosperity. For while there was a deficit in the current expenses, which was promptly met by a special subscription, it is really cause for rejoicing, that in the management of so large a property, the income amounting to more than $100 000 per annum, the expenses have been so nearly met, under the very severe reverses of the past year.

We notice next, with great satisfaction, the excellent discipline and harmony among all concerned; and, especially, the high standard of literary culture sought and attained, as the legitimate result of a complete classical course faithfully maintained, and thoroughly taught by competent professors and teachers. The fact that the students of the Northwestern are successfully competing for prizes with those of older colleges of the East, is a matter of honest pride and promise.

The valuable buildings, the varied departments and courses of study. The high moral tone and social power of the citizens in the place where the University is located; the increased efficiency of the Law and Medical Departments, and the men of piety, wealth and reputation connected with the same—all are an assurance that Methodism there has a foundation for culture and power, deep and broad.

By the charter of the University we are expected to elect a trustee this year. We therefore nominate C. C. Knowlton as such trustee for the ensuing term of two years.

G. W. ARNOLD.
P. A. COOL.

GARRET BIBICAL INSTITUTE.

We feel deeply interested in the success of this institution, and rejoice in its past record in training men for the gospel ministry. And now, in the time of its financial weakness, we recommend that each pastor of this Conference take a collection for this cause during the coming year.

G. W. ARNOLD,
Streator, Ills., October 10th, 1878. Chairman.

We recommend the appointment of Rev. J. S. Cumming, and Rev. H. M. Laney, as visitors to this institution for the coming year.

G. W. ARNOLD, Chairman.
P. A. COOL, Secretary.

ILLINOIS WESLEYAN UNIVERSITY.

From its Board of Trustees, Visiting Committee, and others familiar with the condition of the Illinois Wesleyan University, we are pleased in being able to report that its work and interests are more successfully managed now than ever before. It has a larger number of students from a wider area of country, than at any previous time; and the corps of professors actually present for work, is larger than ever before. None of the classes are being taught by tutors, but all are instructed exclusively, by regular members of the Faculty. The cabinet and apparatus have been increased during the year, and each department materially improved.

Each of the Boarding Halls for the young ladies and young men, respectively, has been refitted and refurnished during the past summer, and the institution is now prepared to accommodate the students with *board*, *furnished rooms*, *light* and *fuel*, at the unusually small sum of $2.50 per week.

As a result of the admirable management of the agent in handling the finances of the University, about $3,500 of the old indebtedness has been liquidated, and the warrants issued during the past year, have in the main, been promptly paid. Notwithstanding the general depreciation of property, and the insufficient securities on loans made, yet, through the persistent efforts of the agent, and the unabated efforts of President Adams, the crisis of the institution may be confidently regarded as past, and the omens of prosperity and usefulness for the University, in the future, were never before more portentious.

With commendable pride we call special attention to the representation, by the trustees, faculty and visitors, of the moral character, civil and courteous conduct of the young men and young women who are in attendance as students. The fact that so large a per cent of these young people are not only faithful in the pursuit of science, but also faithful followers of Christ,—possessing a solid religious experience, gives us great faith, both, in the future of the students, and the commendable work and influence of the University.

As an agency in forming the character, and directing the moral and religious culture of the students, it is justly due the institution, to say that, in addition to the regular Sabbath services and morning exer-

cises, two noon-day prayer meetings are kept up, and well attended during the entire college year.

It is an item worthy your attention, that for several years past, from *twenty* to *forty* young men have been availing themselves of the advantages of the University, in preparing for the Christian ministry, and by reduction of tuition to such students, the institution has annually donated to the church from $1.500 to $2,000. And our own church is not an exceptional case. The Presbyterian, Baptist, and the other churches are supporting candidates for the ministry, and are sharing in the advantages of reduced tuition.

In view of the past record and present advantages, and future of this institution, we heartily commend it to all who are interested in promoting the educational interests of our country.

We recommend for election, as Trustees, J. S. Cumming, J. F. Culver, D. McWilliams, and T. C. Funk.

We further recommend the appointment of W. H. Hunter, R. D. Russell, G. W. Gue, J. B. Dille, R. G. Pearce and H. M. Laney, as Conference Visitors.

G. W. Arnold, Chairman.
P. A. Cool, Secretary.

II.—PERIODICALS AND BOOK ACCOUNTS.

Your committee would report as follows:

We are pleased to know of the prosperity of our periodicals. Our *Quarterly Review* we consider worthy to be read by all our ministers, and that our *National Repository* should go into all the homes of our people—the layety as well as ministers. We recommend the *Northwestern* for its bold advocacy of truth and right, and will give the editor and paper our hearty support.

Charles David, President.
G. M. Irwin, Secretary.

III.—WOMAN'S FOREIGN MISSIONARY SOCIETY.

Whereas, By observation and experience we have reason to believe that the judicious working of the Woman's Foreign Missionary Society does not in the least diminish our contributions to the parent Missionary Society, but rather to increase them, and

Whereas, The Woman's Foreign Missionary Society, since its organization, has been so efficient in awakening an increased missionary enthusiasm in the churches at home, by holding missionary meetings, and scattering missionary information among our people, and

Whereas, The Woman's Foreign Missionary Society has been so efficient in sending so many earnest, devoted, self-sacrificing, Christian women into the homes of heathen women in foreign fields, to bear glad tidings of salvation,

Resolved, That we welcome the Conference Secretary and her co-laborers into our charges, and that we will heartily co-operate with them in the organization and perpetuation of their work.

L. SPRINGER, Chairman.
M. A. HEAD, Secretary.

IV.—TRACTS.

WHEREAS, The Tract Society of the M. E. Church has proved itself an efficient agent in counteracting the influence of pernicious literature, and,

WHEREAS, Many are brought into a saving relation with Christ through its instrumentality. Therefore,

Resolved, 1st, That we take our collections for this cause early in the year.

Resolved, 2d, That we will make all possible effort to increase the collections for this society.

G. I. BAILEY, Chairman.
R. B. WILLIAMS, Secretary.

V.—SUNDAY SCHOOLS.

WHEREAS, The Sunday School is a potent agency in spreading the knowledge of the Savior, and

WHEREAS, So many are in great spiritual darkness, and

WHEREAS, The attendance in many of our schools is small. Therefore,

Resolved, 1st, That we will renew our energies to secure the attendance of classes, and that we will urge upon them the necessity of searching the scriptures daily.

Resolved, 2d, That our own Sunday School literature be used in preference to all others.

G. I. BAILEY, Chairman.
R. B. WILLIAMS, Secretary.

VI.—THE BIBLE CAUSE

Is one of the most sublime, grand and glorious. One in which centers all our hopes and highest anticipations. And we would desire to approach it, not in the ordinary or common course, but as "*The Bible Cause*," which is emphatically the cause of God. Our object is to present such interests as the cause demands. The Apostle asks the important questions:—"How then shall they call on Him in whom they have not believed?" "And how shall they believe in Him of whom they have not heard?" "And how shall they hear without a preacher?" With the Bible in his hand, the Divine Spirit in his heart, and the love of Christ constraining him. Is it not the most rational conclusion, from the very power of the Bible as from many other evidences, that it comes

1878

bearing the stamp of Divine inspiration! If we believe its truth is thus secured, there ought not to be any difficulty in trusting its power and efficacy. Is not the Bible the Light, which the Holy Ghost, as the Spirit, uses as His means of reaching hearts? The Bible truths may seem to become powerless and apparantly useless; yet the Scripture impressed on the memory of the child, will, sooner or later bring Christ to remembrance. The promise that the Holy Ghost shall accompany and use, is given to nothing else than God's previous word. We may make Bible truths a munition of rocks to our children by the time the age of questioning comes. The church itself, only waits for the honoring of the Scriptures in all its bearing, to have its constant light.

In our own highly favored state, in the last eight years, more than twenty-six thousand were converted in our own Sunday Schools, where God's Word is the book of books.

Hence, we urge most strongly, kindly, and anxiously, without your promise or resolution, that we will all most heartily and readily, unite in the great work as far as our means and efforts will go, to send the Bible to all lands, and help to place it in every family, and as far as is necessrry to place it in the hands of every person.

L. B. Dennis. B. W. Baker.
E. N. Bentley. D. T. Wilson.
A. C. Calkins. J. Kern.
G. W. Burns. John Rogers.

Resolved, That we have heard with much interest the statements of Secretary Hunt, of the American Bible Society, in relation to the operations, and the field opening to this great national society, and we pledge anew our loyalty to the Bible Cause, and that we will take the Bible collection in all our congregations.

L. B. Dennis.

VII.—TEMPERANCE.

Whereas, Intemperance is a great sin against God, a persistent foe of the religion of Jesus Christ, a hindrance to national prosperity, a dangerous enemy to the peace of the community and family, and

Whereas, A great temperance reform has swept over our land, therefore,

Resolved, 1. That we hail with devout thanksgiving to God, this great temperance revival, in which humble dependence upon Divine aid is so generally acknowledged.

2. We will heartily co-operate with all true men or associations for the purpose of destroying this great enemy.

3. We express our convictions that our only safety is in total abstinence, and legal prohibition of the use, sale, and manufacture of intoxicating liquors, and declare our purpose to use every available means for the education of children and youth in these principles, and

thus create among the masses a sound and healthy public sentiment.

4. We will pray, work, and vote in the interest of prohibition.

T. L. FAULKNER, Chairman.
N. T. ALLEN, Secretary.

VIII.—USE OF TOBACCO.

Your committee would beg leave to submit the following:

WHEREAS, The subject of tobacco is of so much importance as to have required the action of the General Conference, and for a succession of years has also called forth resolutions and actions of censure in our own Conference, concerning the *use* of tobacco.

AND WHEREAS, We, as ministers, have pledged ourselves to abstinence from its use, and to faithfully lift a voice of warning to our children and young people against this growing evil. Therefore,

Resolved, 1st, That we maintain the position already taken, and that we will use all proper means, in brotherly kindness, to dissaude our people from its use.

Resolved, 2d, That we regret the disposition manifested by some to trifle with a practice of so questionable a character.

Resolved, 3d, That we still require a pledge of total abstinence, as an essential condition for the admission of all candidates to the traveling connection, and we also respectfully request the Bishop not to transfer to our Conference a minister who uses it.

Respectfully your committee, E. C. WAYMAN, President.
T. J. WOOD, Secretary.

X.—SANCTITY OF THE SABBATH.

As there is a growing tendency to desecrate the Lord's day, in the church by social visiting, improper reading and undue recreation, and out of the church, in the opening of business houses, running excursion trains, and patronizing tippling houses and the like; and as the word of God gives no uncertain sound in this matter, but commands that we keep holy the Sabbath day; and as the Christian Sabbath commemorates certain facts dear to all God's people. Therefore,

Resolved, That we will raise our voice against this prevailing sin, giving the congregations in our pulpit ministrations all the light at our command with reference to this subject, and enforcing the same by our example.

XI.—DISTRICT CONFERENCE RECORDS.

Your committee report that the following records were before the committee, viz: Kewanee, Wenona, Rock Island and Peoria.

For the most part these records are neatly kept, though occasionally lacking in care in penmanship and orthography. The minutes are concise, though brevity is obtained at the expense of clearness in some instances.

The Kewanee District Conference did not insist on local preachers being examined previous to renewal of license.

The Wenona District Conference was embarassed at this point, and from one of its decisions a member appeals to this annual Conference.

Your committee hope that hereafter the record of each District Conference will be brought to the seat of Conference, that the committee may deem its work complete.

MEMORIAM.

BRACE—Kizzie Flint Brace was born in Corning, N. Y., and died in Wenona, Illinois, February 25th, 1878, aged thirty-eight years. She was the daughter of Caleb Flint, a faithful Methodist class leader. When eighteen she was converted and became a member of the Methodist Episcopal Church. At twenty-two she was married to our brother, Chas. H. Brace. In 1870 her husband was received on trial in the Central Illinois Conference. And for nearly eight years she faithfully performed the duties of a pastor's wife, cheering her husband with her sympathy, rejoicing in his success, and greatly beloved by all who knew her.

She was a faithful friend, a gentle, affectionate mother, a loving wife, and a true Christian. During the last weeks of her life she was deeply interested in the revival progressing in the church at Wenona, of which her husband was pastor, rejoicing greatly to hear of the conversion of sinners, and the advancement of the cause of God. Two years before her death she experienced the blessing of perfect love, and from that time was a faithful witness of the power of the blood of Jesus Christ in cleansing from all sin. She said to her husband, a short time before her death, "*Don't be afraid to preach Holiness.*"

During the last year of her life she was a great sufferer, but endured her sufferings with patience and fortitude. For the sake of her husband and four children, and to work in the vineyard of the Master, she desired to live, but was resigned to the will of God.

Her death was a glorious triumph. As the end approached she said,

"If this be death, I soon shall be,
From every pain and sorrow free."

A beautiful smile lighted up her countenance, as if the brightness of Heaven was dawning upon her vision. Her face wore the expression common to her on meeting a dear friend. Doubtless, Jesus, faithful to His word, came and received her to himself. Her body was laid to rest in the grave at Elmira, Illinois, by a weeping throng of the friends of her girlhood days. The light has gone out in our dear brother's home, but another blood-washed spirit lives before the throne.

CARITHERS—Sarah, wife of Rev. W. R. Carithers, of Central Illinois Conference, died in Toulon, Illinois, January 12th, 1878. Her maiden name was Sarah Foreacre. She was born in Highland county, Ohio, of Christian parents. At the early age of nine she was converted, and united with the Methodist Episcopal Church, in which she continued a faithful member until death. In early womanhood she was united in marriage to Wilson Head, and in 1853 she removed with her husband to this state, and settled at Macomb. In 1854 she was called to mourn the loss of her husband, leaving her with the care of two children. In August, 1860, she was united in marriage with our brother, Warner B. Carithers, and at once entered upon the active duties of an itinerant minister's wife, and faithfully performed them. For seventeen years she was to her husband a help-mate indeed. Sometimes, when her delicate health would seem to say that he should remain at home and care for her, she would urge him to go and do the Lord's work.

She was a true and faithful wife and an effectionate mother. Her children revere her memory and call her blessed. She was a light in the world, a light in her family, a living witness of the power of Christ to save from sin. During her Christian pilgrimage she exhibited the meek and quiet spirit, which in the sight of God is of great price. She was always in her place in the sanctuary, when her health would allow, and highly valued all the means of grace. She loved the Holy Scriptures, and received with simple faith the commandments of her Lord. She hailed with joy the coming of the periodical literature of her church into her family; and she was well advised of the onward progress of the gospel of the blessed Lord.

She ruled well the affairs of her family. Her government was mild but firm, tempered with Christian love; and no doubt an impression has been left on the minds of her five surviving children, which will lead them to follow their dear mother to Heaven. Her self-sacrificing spirit, her humble, holy, useful life, her unwearied zeal, her steady faith, her spotless example, are to her family a noble patrimony, and to her church a priceless heritage. She began early to prepare for death, by making preparation for life. She ascertained the work the Lord assigned her, and faithfully performed it, and when death came she was ready to depart. In answer to the question, "Is the Saviour precious?" she answered, "Oh, yes; He will not forsake me in this hour." Again, "There will be light in the valley for me." When away down in the Jordon, her last testimony was, "He leadeth me."

Her funeral was preached by Rev. W. H. Hunter, D. D., assisted by Rev. C. C. Knowlton

SUMMERS—Dorcas Hudson, was born February 2d, 1803, in North Carolina, and from there in early life, moved to Clark County, Ind.

She was converted in 1819, and united with the first society formed by the M. E. Church in the territory of Indiana; at the same time brother Summers united with the same society, (in Clark county).

She was married to Henry Summers, January 29th, 1822; on the 5th of the next October he was licensed to preach at a District Conference in Washington county, Indiana. In 1832, after having labored as a supply for two years, Bro. Summers entered the old Illinois Conference, and for thirty-six years she faithfully and patiently shared the lot of an itinerant Methodist preacher. Thirty-one years of this time her husband served the church in the capacity of the Presiding Eldership. For ten years he has been a superannuated member of the Central Illinois Conference. For thirty-two years she has suffered much from sore eyes. And for five years his trembling hand has led her, for the world's glory had vanished with her vision. In her day the itineracy to an itinerant's wife in this country, was frought with indescribable meaning. One year his district embraced the entire state of Iowa, in the western part of which they made their home. From there, as goes an angel at mercy's bidding, she went into Wisconsin to hold up a hero's hands on a battle ground, extending from the Mississippi river to Madison, and from the Illinois line to St. Paul. When four year's work was done here, she girded her strength, and cheerfully with her companion entered a new field of labor on the Racine District, extending from Madison to Lake Michigan, and from the Illinois line to near Milwaukee. At the end of three years they came back to Rock River Conference and settled at Farmington, Fulton county, where they remained until 1868, when they went to Missouri, where they remained seven years and returned to Farmington, where they made their home with their son J. B. Summers, until Oct. 8th, when, in ineffable triumph of faith she ascended to her home in the bosom of God.

She was the mother of nine children—four sons and five daughters; four sons and three daughters survive her. Early in the summer there were marked indications of decline, and steadily through these months life seemed to be declining, with no unusual suffering, until the last three days, when life and death seemed to muster all their forces, and the conflict was beyond description. While these months were marking the decline of the body, the spirit was growing in strength.

During the summer father Summers commenced reading the New Testament through to her, and as they proceeded spending a portion of each day in reading and prayer, her interest in religion grew more than usually intense. During her last illness she often said to her husband and friends, "Oh, how good the Lord is!" "What a precious Saviour we have!" A few moments before the spirit took its flight her suffering ceased, and just at the last she drew her hand from that of her husband, and lifting both gently clapped them together, and then dropping them down, breathed a few times and the struggle was over.

Whereas, The last General Conference did, by resolution, recommend to the Annual Conferences to require candidates for admission into the traveling connection to be free from the use of tobacco, as most hurtful to their acceptability and usefulness among our people; and

Whereas, This Conference, in conformity with this resolution of General Conference, has for several years past required each candidate to be free from this habit; and if any had been users of it, they were required to pledge themselves to abstain from further use of it; and

Whereas, No candidate has been received for the last five years without such pledge, either expressed or implied, and thus each has been and is now bound in honor by said pledge; and

Whereas, It is believed that some who have thus pledged themselves have returned to the habit and are now users of tobacco, thus dishonoring their pledge and over-riding Conference action; and

Whereas, Such seems to us to be highly reprehensible, therefore

Resolved, That during the examination of characters if any member of Conference knows, or has found reason to believe, that the person under examination has been thus guilty, he is requested to state the fact, that the Conference may take the necessary action in so grave a matter.

REPORTS.

I—EDUCATION.

HEDDING COLLEGE.

Your committee are pleased to learn that there has been during the past year a large increase in attendance and general interest at Hedding College. The exhibit of the Board of Trustees shows, not only the abundant effort that is being put forth in behalf of this institution, but also the general desire of the people to benefit themselves by sustaining a most worthy and necessary department of Church work.

The present actual enrollment of students in the several departments of the College is upwards of thirty per cent. in advance of the same term last year, which is certainly a very favorable omen for the new administration.

By a vigorous effort, the prices for boarding have been reduced so that students can secure good, well furnished rooms for $2 50 per week, in well regulated homes where all the evils of the dormitory system are avoided. A goodly number of the students secure rooms, and board themselves, at remarkably cheap rates.

The Faculty has been increased, and is most harmonious in taking care of the important interests committed to their hands.

The Trustees have been very fortunate in securing instructors having acknowledged fitness for their several departments, so that all the branches of the curricula are being enthusiastically and well taught. A new microscope and other appliances, that have been much needed in the past, have been added to the facilities of the College, in awakening new interest, and attracting the attention of young men and women to this school.

We are pleased to learn that the building has been put in good repair, and that the grounds and groves have been beautified by an outlay of considerable labor, and are now in good condition.

The courses of study are as follows: Classical, Latin Scientific, Scientific, Pianoforte and Organ, besides special courses in the Commercial and Academical departments. Extraordinary advantages are offered to students in Painting, Penmanship and Elocution; and in all departments the work is thoroughly done.

We have learned that the government of the school is of the most practical character, and has secured good order among the students during the year.

The decidedly religious character of the College may be indicated by a few facts, such as the following: More than fifty per cent. of all the students now in attendance, are members of the M. E. Church, and quite a number of the balance are members of other branches of the Church. All of the Professors and teachers are active christians, and there is a prayer meeting held in the College building every school day, which is quite largely attended by the members of the Faculty, and by the students; and during the past year, about forty of the students have been converted to God.

The report of the Financial Agent is encouraging, giving the foundation of a reasonable expectation of early triumph over debt, but there still remains a sufficiently large sum of indebtedness upon the institution, to cause all lovers of the cause of christian education to feel deeply anxious for the final disposition of the question: How and when shall we pay our debts?" There is yet an indebtedness of a little more than $15,000.00, and not more than about $3,500.00 of that amount is provided for in a reliable form, rendering it necessary that all of our brethren in the ministry and layety should do what they can to meet these demands upon the College.

By a unanimous vote of a joint meeting of the Board of Trustees, and citizens of Abingdon and vicinity, held June 12th, 1879, it was decided to celebrate the Twenty-fifth Anniversary of Hedding College on a grand scale, on the occasion of her next commencement. Preparations are now being made for a grand rally on that occasion, hoping that the "silver wedding" for this school will be the beginning of a new era for this time-honored institution of learning. Full particulars of the plan of observing the above celebration, will be made known in due time.

By the blessing of Almighty God upon this school in answer to the prayers of both ministers and people, and as a result of the honest efforts of those who are called by the Church to administer her interests, may we not expect that Hedding College will become more and more useful in the advancement of christian education.

We respectfully request the Bishop to appoint Rev. George W. Peck, A. M., President, Rev. George W. Waughop, A. M., and Rev. William Slingerland, B. S., Professors, and Rev. F. M.Chaffee, Agent in Hedding College.

We also recommend the following named brethren be elected by the Conference as Trustees, viz: Ministers, A. K. Tullis, B. E. Kaufman, E. Wasmuth and G. M. Irwin; Laymen, P. M. Shoop, R. A. Broadus, M. Andrews and J. G. Walker.

That Thomas Newel be elected to fill the vacancy caused by the resignation of W. F. Archer.

Also, that Rev. William Watson be elected to fill the vacancy caused by the resignation of Rev. J. J. Fleeharty.

Also, that Peter Godfrey, M. C. Kimball, and E. Harris be elected to fill the class of Laymen whose term expired one year ago, but was omitted to be filled by the last session of the Conference.

G. W. ARNOLD, Chairman.
R. D. RUSSELL, Secretary.

ILLINOIS WESLEYAN UNIVERSITY.

We are pleased to learn from various authentic sources, that there is an increased attendance of students at this institution over last year; and the localities from which they come show that the patronizing territory is gradually extending, and the influence of the University is being more widely felt.

After a careful examination of the report from the Board of Trustees, your committee find the financial condition of the University to be as follows, viz:

Notes secured by mortgage on real estate, bearing ten per cent. interest	$33,975 21
" bearing six per cent. interest	6,000 00
" unsecured, bearing six per cent. interest	3,083 03
" allowed by Probate Court,	408 08
" in Attorney's hands for collection	145 00
" due, and regarded as good,	795 00

Total	$69,216 32

BUILDING FUND.

Ledger account of notes	$ 175 00	
Notes allowed by Probate Court	248 40	
" regarded as good	750 00	
" believed to be good	230 00	
" in Attorneys' hands	500 00

Total	$2,773 40	$ 2,773 40
Total endowment fund		$ 71,989 72
Value of grounds and buildings		$100,000 00
Total		$171,989 72

There is also several thousand dollars in notes, the cash value of which has not been fully determined, but from which something will be realized.

We further find, from the annual report of the Treasurer—made to the Joint Board, June 1st, 1879—that the receipts for the fiscal year ending June 1st, 1879, were as follows, to-wit:

RECEIPTS.

From general sources	$ 2,601 46	
" principal endowment fund	3,191 72	
" interest on endowment fund	5,228 44	
" Interest and principal building fund	403 66

DISBURSEMENTS.

Paid cash on orders drawn on Treasurer . . .	$19,389 81	
Cash on hand June 1st, 1879	290 90	
		$19,680 71

LIABILITIES.

Mortgage on buildings and grounds, bearing 9 per cent. interest, payable semi-annually	$35,000 00
Floating debt, outstanding orders, with interest due	15,000 00
	$50,000 00

The floating debt is principally made up of orders issued to professors for salary. We find that while temporary loans out of the endowment fund have occasionally been made to other funds, that this has only been done in the interest of economy; that correct accounts have been kept of the same, and the money replaced out of the first funds received by the Executive Board applicable to such purpose, and great care taken that no impairment of the endowment fund be made.

This balance has been slowly on the increase ever since the bonded debt was created. The interest on such a large sum has compelled such a draft upon the interest of the endowment and tuition as to render it impossible to meet the current expenses with the balance. If it were not for the bonded debt, the income from endowment and tuition would more than meet the current expenses. With the surplus, all the improvements needed from time to time might be provided. It is evident that this bonded debt must be paid. To secure such a desirable result, the most efficient man under the most favorable circumstances should be put at once in the field. Therefore,

Resolved, That we believe the time has arrived when the necessities of the institution demand that a sufficient fund be raised to liquidate the debt, and that we will extend a cordial invitation to the Agent, or any member of the faculty sent by the Executive Board, to the respective charges of this Conference, and render any assistance in our power toward paying off this indebtedness.

Resolved. 2d, That we heartily endorse the present policy of the Board in keeping the Endowment Fund inviolate, and in carefully protecting all its loans by taking security on real estate at double the value of the loan.

Resolved. 3d, That the President, Faculty and Local Board deserve our highest esteem and hearty co-operation for their faithful efforts and sacrificing spirit in maintaining the interests of the Institution.

Resolved. 4th, That we hereby express our appreciation of the work undertaken by the Women's Educational Association of the University, in providing a suitable hall where young lady students may have a comfortable home and a desirable boarding place at very cheap rates, and we will do all we can to encourage the enterprise and make it a success.

We respectfully recommend for election as Trustees, G. R. Palmer,

Owen T. Reeves, Chauncy Harding, Eli Hass, Luke Goodrich and D. S. Douglass.

We also recommend the appointment of R. D. Russell as Financial Agent, and W. H. Hunter, U. Z. Gilmer, J. B. Dillie, Wm. M. Collins, J. B. Robinson and R. G. Pearce as Conference Visitors.

G. W. Arnold, Chairman,
R. D. Russell, Secretary.

GRAND PRAIRIE SEMINARY, COMMERCIAL COLLEGE AND CONSERVATORY OF MUSIC.

The patronage has been fairly increasing in the Seminary proper, and Commercial College, while the Conservatory—now in its second year—has been constantly increasing, until its number of pupils, variety of classes, and excellency of instruction has but few equals East or West.

The Seminary is quite full in its more advanced classes, which is proof of the maturity of scholarship.

The Senior Class, to graduate next June, will consist of at least twelve ladies and gentlemen from the Seminary alone, besides the other two schools.

An interesting prayer meeting is regularly held ; and the moral tone of the students is very gratifying.

Valuable Chemical, Philosophical and Astromical apparatus has been recently added, as well as Maps, Charts, Globes and a Planetarium. A Telescope is being secured, and will be ready for the next class in Astromony.

The tuition and interest on endowment fund readily pay all expenses. The school is in good condition financially.

THE COMMERCIAL DEPARTMENT.

Those best acquainted with the mode of instruction in this college, and the profficiency of its graduates, do not hesitate to say that the instruction is all that can be desired, and that it does make good, practical, successful accountants. The Examining Board is composed of prominent business men throughout the country, which further tends to keep the courses of instruction eminently practical. The system of Bank Bookkeeping is the same as that which is usual in our best banking houses of to-day. The graduates in this department take high position in commercial life.

The Conservatory has a special edifice suitably furnished with Pianos, Music, and a large new Pipe Organ.

The three schools have had an aggregate individual attendance the current year of three hundred and fifty students. The present term's attendance is over one hundred and seventy-five.

The new Boarding Hall plan has materially reduced expenses to nominal figures.

The village of Onarga is very moral and inviting, furnishing good, christian homes and influences to students. Valuable courses of lectures are given in Seminary Hall each term.

It is hoped by next year that the Normal Department may be enlarged into a full Normal School in its own building, to meet a want in all that region.

We respectfully ask the Bishop to appoint Rev. J. B. Robinson, DD., President, and the following brethren as Conference visitors: Wm. Underwood, R. Crews, J. D. Smith, John Wilkinson and J. A. H. Wilson.

G. W. Arnold, Chairman.
R. D. Russell, Secretary.

NORTHWESTERN UNIVERSITY.

We feel a commendable pride in the prosperity and increasing usefulness of this great educational center of the Northwest, in all its branches of University work—including its colleges of Law, Medicine and Liberal Arts.

We congratulate the University and the Church at large upon the successful termination of the suit at-law, which threatened the usefulness and vitality of the Institution, and the perpetuity of its endowment fund, represented by real estate in Chicago and Evanston, which by the decision of this suit continues, in the future as it has in the past, free from taxation.

The term of James W. Haney as Conference Trustee having expired, we recommend his re-election.

G. W. Arnold, Chairman,
R. D. Russell, Secretary.

GARRETT BIBLICAL INSTITUTE.

We are gratified to learn from the report of the Faculty and Trustees of Garrett Biblical Institute that this institution has had a year of increased prosperity, but it is still in need of an increase of its endowments, its income being inadequate to its support.

Resolved. 1st, That we commend the endowments of the Institute to the liberal contributions of all lovers of sound Theological learning.

Resolved. 2nd, That we recommend that wherever practicable a collection be taken in our respective charges, early in the year, in aid of the current expenses of the Institution.

We recommend the appointment of Rev. G. W. Gue and Rev. R. G. Pearce as visitors to this Institution for the coming year.

G. W. Arnold, Chairman.
R. D. Russell, Secretary.

II—PERIODICALS AND BOOK ACCOUNTS.

Your committee submit the following report:

Whereas the country is flooded with fictitious and corrupt literature, we are gratified to know that our Editors and Publishers are furnishing

our people with reading matter that is pure, wholesome and elevating.

The Methodist Quarterly Review has no superior, and should be found in every Pastor's study.

The National Repository is deserving of a place in the homes of all our people.

The Golden Hours is a thing of beauty and joy to our children, and should be in every Methodist family.

We believe that in selecting our Sunday School literature, the Book Concern publications should take precedence over all others.

We most heartily endorse the editorial management of the *North-Western Christinn Advocate* in its outspoken denunciations of vice, and bold, vigorous advocacy of the firm principles underlying our Christian civilization—as being loyal both to Church and State.

We rejoice in the increasing prosperity of the publishing interests of the Church; and inasmuch as the profits of this paper will be reduced by and in proportion to its reduction in price, therefore

Resolved, That we will pledge our utmost endeavors to so increase the number of subscribers that there may be no loss to our publishing interests. And,

WHEREAS, The Book Concern is embarrassed, and we are reproached by the arrearages of Methodist preachers, therefore

Resolved, That we urge our brethren to meet their obligations to the Book Concern immediately, and thereby comply with the law of the Church.

We further recommend that the names of delinquents be read in open Conference.

B. W. BAKER, President.
M. A. HEAD, Secretary.

III—WOMAN'S FOREIGN MISSIONARY SOCIETY.

WHEREAS, The workings of the Woman's Foreign Missionary Society have proven the organization to be invaluable as an assistant in the salvation of heathen women, thus helping to take this world for our Lord and His Christ, and

WHEREAS, It accomplishes a great work in the dissemination of Missionary intelligence among the people, thereby increasing the contributions to the general cause, therefore

Resolved, That we heartily endorse the Society working in its proper limits, and

Resolved, That we will welcome its representatives to our pulpits and our homes, and will cheerfully assist them in their labor of love.

J. W. HANEY, Chairman.
FRANC H. CUMMING, Secretary.

IV.—TRACTS.

WHEREAS, We have abundant reason to believe that the distribution of religious tracts has been the means of arresting attention, leading souls to Christ, and of giving valuable information in the doctrines, economy and practical workings of our Church, and

WHEREAS, The aggregate amount of money collected for this purpose is less than was reported last year; therefore

Resolved. 1st, That we will continue our efforts in this department with increased interest, and endeavor to secure full collections.

Resolved. 2nd, That we will distribute among our people the number of tracts allowed our charges, giving especial attention to those which teach the doctrines, economy and benevolent enterprises of the M. E. Church.

WM. MERRIAM, Chairman.
J. WILKINSON, Secretary.

V.—SUNDAY SCHOOLS.

WHEREAS, By observation and experience, the Sunday School is found to be a powerful auxiliary in our Church work, and

WHEREAS, A difficulty exists in securing competent teachers, and

WHEREAS, Efforts have been made to supplant our Sunday School literature with inferior publications, and

WHEREAS, There is a disposition among many of our people to surrender their rights to organize Methodist Schools to those who prefer Union Schools: therefore

Resolved. 1st. That we will urge the adult members of our charges to form normal classes, thus educating persons for the important work of teaching.

Resolved. 2nd, That we will influence the committee on Sunday Schools, as far as possible to purchase our own Sunday School literature, and to comply with the disciplinary requirement (paragraph 250) with reference to our books.

Resolved. 3d, That we will organize Methodist Sunday Schools according to discipline (paragraph 251.)

WM. MERRIAM, Chairman,
J. WILKINSON, Secretary.

VI.—THE BIBLE CAUSE.

WHEREAS, The Gospel is the power of God into Salvation, and

WHEREAS, We, as Stewards of the word of God, are responsible for the spread of the truth, therefore

Resolved. 1st, That we recommend our people to continue their support of the American Bible Society as being an efficient and authorized agency to promote the general circulation of the Holy Scripture.

Resolved. 2nd, That we commend the plan of supplying steamboats, railroad cars, depots, &c., with copies of the Bible.

Resolved. 3rd, That we will welcome to our several charges regularly appointed agents, and when there are no agents we recommend that a collection be taken for this cause in all our congregations.

E. N. Bentley, Chairman.
P. S. Garretson, Secretary.

VII.—TEMPERANCE.

Whereas, The traffic in intoxicating liquors is the immediate cause of untold physical, mental, social, moral and political evil, and hence a mighty foe to the progress of Christ's Kingdom; and

Whereas, The Methodist Episcopal Church has ever been a Temperance Church—John Wesley himself having been a teetotaler in a nation of drinking priests; therefore

Resolved. 1st, That we are, as ever, unalterably opposed to the importation, manufacture and sale of all kinds of distilled, fermented and vinous liquors, designed to be used as a beverage.

Resolved. 2nd, That the only sure and sound basis upon which the temperance reformation can be successful is that of moral suasion for the drinker, and legal prohibition for the importer, manufacturer and seller.

Resolved. 3rd, That it is the duty of all Christians to cast their votes only for men who are in favor of legal prohibition; and it is of the highest importance that great care should be exercised in selection of county Supervisors, who have under certain circumstances the authority to license saloons, and who select the grand jurors, whose duty it is to indict all violators of the State Dram Shop law.

Resolved. 4th, That the nomination of candidates for respective offices should not be left to the mere politician, working for the saloon interests, but christian voters should attend the primary meetings, and aid in the presentation of those men only who are worthy and well qualified.

Resolved. 5th, That we most heartily sympathize with the Home Protection movement, under the leadership of Miss Willard, that seeks to give to women a vote on the temperance question, and will do all we can to speed the day, both in the pulpit and at the polls.

Resolved. 6th, That in compliance with the request of the Women's Christian Temperance Union, we recommend that the fourth Sabbath in June, 1880, be devoted to the cause of temperance in all our Churches.

W. Watson, Chairman,
G. W. Burns, Secretary.

VIII.—USE OF TOBACCO.

Your Committee on Tobacco reports as follows:

The tobacco habit is filthy and consequently obnoxious to good society; it is injurious, and so is prejudicial to the health of the body directly, and indirectly to the health of the mind and soul; it is expensive and useless, and thus inimical to the idea of christian stewardship; therefore

Resolved, That we hereby acknowledge the wisdom of the action of the General Conference and of our Annual Conference as to this habit, and that we will prayerfully endeavor to enforce the spirit and letter of the same.

A. S. ATHERTON, President.
JOHN ROGERS, Secretary.

IX.—SANCTITY OF THE SABBATH.

As the necessity of the Sabbath is by Divine law, interwoven into our physical, social and moral framework; and as there is a growing tendency to lower the Divine standard which governs it, thus desecrating the Holy day by improper recreations, reading an unsanctified literature, and social visiting, and, on the part of the great mass out of the Church, by opening houses of business for trade, the running of railroad excursions and freight trains, all for secular gain and pleasure seeing; and as the Bible enjoins by positive and negative command that the Sabbath shall be kept Holy; therefore

Resolved, That we will by our pulpit ministrations, and whenever opportunity is given, lift our voice against this sin, and will not cease to pray that the Holy Spirit may shed light upon the public conscience in regard to this growing evil.

Resolved, That we will try by faithful effort to prevail upon our people to read the Scripture which teaches them to "Remember the Sabbath"—likewise to circulate the literature of the Church, which is calculated to teach them to love the ordinances of God's House, which belong especially to the "Lord's Day."

Resolved, That we will try at all times and places to teach the people that the Sabbath belongs to God, and is given to man for a wise and holy object, and should be used only as the Bible requires.

Resolved, That we will give no uncertain sound in regard to Camp-meeting desecrations of the Sabbath, such as running railroad excursions thereto, and selling such luxuries as are often dealt out upon said grounds.

T. J. WOOD, Secretary.

X.—DISTRICT CONFERENCE RECORDS.

Your Committee on District Conference Records would submit the following report:

There were but five journals handed the committee for examination—Monmouth, Rock Island, Kewanee, Wenona and Macomb. We found the following defects in each of them: First, a proper index is wanting; second, the District Conference roll is not properly placed nor properly kept.

We would suggest the following as improvements upon existing plans and making our records more uniform: Let the first pages in our records be used as index pages, and immediately following this enough space be reserved for the District Conference roll and all its changes, while the

1879

book may be used for the purpose of recording the proceedings of the District Conference.

We also found the Peoria District Conference minutes marred by paper clippings from printed reports, and resolutions pasted upon the pages instead of spreading them properly upon the journal with pen and ink.

Proper marginal references are wanting in the Peoria, Rock Island, Monmouth and Macomb Districts, making it exceedingly difficult to readily find any passed transaction of the District Conference.

XI.—FREEDMAN'S AID.

WHEREAS, The Freedman's Aid Society has become one of the principal benevolences of our great connectional Methodism and a generally recognized means of moral and spiritual power in elevating, moulding and forming the character of our Freedmen; and

WHEREAS, The Freedman must, in the very nature of things, exert a controling power over the civil, social and religious interests and destinues of our country; and

WHEREAS, The Methodist Episcopal Church did more than any other church to effect the emancipation of the colored people, as a church we are therefore under greater obligations to furnish them the means for their education and preparation for the appreciation of the blessings, privileges and responsibilities thrust upon them by the new order of things. Therefore

Resolved, That as Pastors and people, we will make all possible efforts to increase the collections over the collections of former years, for this cause.

Resolved, That we recommend that the collections for this purpose shall be lifted, where it is practicable, on the first Sabbath in December.

XIV.—STATE OF THE CHURCH.

Your Committee on the State of the Church, after due deliberation, having taken into account the condition of our beloved Methodism within the bounds of our Conference, beg leave to submit the following report:

THE DISCIPLINARY REQUIREMENTS.

of our Church are not enforced to that extent that the cause of God demands. Popular amusements, questionable speculations and numerous other irregularities, known to be directly contrary to the will of God and the regulations of our Church, cannot be indulged in to any extent with any degree of safety. Neglecting to attend the prayer meetings and class meetings, without reasonable excuse, is coming to be quite a common fault to be overlooked. The forms of worship and orders of exercises as laid down in the Discipline are too important to be omitted.

We consider it an important duty of the christian minister to see that the garments of the Church are kept unspotted from the world. We are convinced that some members of the flock should be kindly admonished, then carefully rebuked, and if they still persist in their evil ways, they should be made to suffer the consequences of the most serious action contemplated in the Discipline for such cases, "With malice towards none but charity for all," let the diciplinary requirements be closely observed, and if there be any blame it will not rest upon those who enforce the law.

HOLINESS.

We learn with regret, that some self-styled Evangelists, and even some of our brethren of the WESTERN HOLINESS ASSOCIATION, have held meetings within the bounds of various charges in the Central Illinois Conference without the consent of the Pastors of such charges; and since these meetings have created discontent, divisions and disaffections towards the Church in some localities; and further, since the money spent by those engaged in these special efforts has decreased the regular receipts of the Church from such persons; and as the teachings and spirit of these efforts have often been unwise and disloyal to the church, and practically hurtfull to the mental and moral health of our people—failing to advance holiness, and producing fault-finding and indifference to practical godliness, therefore we recommend:

1. An earnest and prayerful study of the Bible, and our standard authors on the doctrines and usages of our Church. and especially on the subject of holiness.

2. We advise our ministers to act only with and under the guidance of the authorities of the Church.

3. That our Pastors should teach by precept, spirit and example, the mind that was in Christ, and avoid everything that tends to separation, ever seeking that charity that thinketh no evil.

4. We deprecate everything that tends to form a church within the church, and the publishing of papers, and the forming of organizations and unions, that while receiving support from members of the church, help to destroy the confidence of people in the Church.

5. We hope that all members and ministers of our Church will be first, earnest Bible christians; secondly, faithful, loyal Methodists, working with her plans and prudential means, and *those only*. We close this part of our report by affirming the constant and unswerving faith of the M. E. Church to-day, as from the beginning, in the doctrine of perfect love, attainable only by faith in our Lord Jesus Christ.

THE SABBATH.

WHEREAS, There is a growing tendancy throughout our country to disregard the Holy Sabbath, by recognizing it as a day of pleasure, devoting the time that God has set apart for rest and worship, to excursions, drives, and various recreations, thus destroying the sacredness of the Christian Sabbath, and by example leading astray the young and rising generation, and thus bringing upon our country the curse of Almighty God, therefore

Resolved. 1, That as christian ministers we will preach often upon the sin of Sabbath desecration, pointing out particularly the manner in which christians are guilty of this sin.

Resolved. 2, That we deplore the manner in which corporations disregard God's holy day by arranging their business so as to keep large numbers of men employed on the Sabbath, thus depriving them of their God-given rights to rest one-seventh of their time, and accompany their families to the house of God.

Resolved. 3, That we recommend our congregations not to patronize those places of business that keep open doors on the Sabbath, and not to patronize livery stables, street cars, or barber shops on the Sabbath, or countenance Sunday visiting for gratification or pleasure.

Resolved. 4, That where provisions are not made for the preventing of Sabbath desecration on and around our camp-grounds, that we will discourage the holding of camp-meetings over the Sabbath Day.

R. G. PEARCE, Chairman.
GEO. W. PECK, Secretary.

XV.—CONFERENCE CLAIMANT SOCIETY.

The Officers and Managers of the Conference Claimants Society present the following as their report:

1. We are highly gratified with the results of the year through the labors of Rev. C. C. Knowlton as agent—the subscriptions of the year amounting to $5,706 00 including amount paid on agent's salary by the preachers. We are glad also to report that instead of interfering with the regular collection for Conference claimants, there has been an increase of $164 over the amount raised last year, besides $269.70 interest on notes which has been collected and paid to the Conference Stewards for distribution among the claimants.

2. We regard the collections of the Conference Claimant's Society as identical in their object with those of the regular collections for Conference Claimants, and we will regard the effort to obtain the one as binding upon us as the other.

3. That it shall be the duty of all pastors within the bounds of this Conference to co-operate with the agent and Treasurer in collecting all money due this Society.

MEMORIAM.

WATSON.—Rev. Thomas Watson, of the Central Illinois Conference, died at the parsonage in Preemption, May 9th, 1879, after five days of intense suffering, in the fifty-ninth year of his age.

He was born in Tyrone county, Ireland, August 12th, 1820, and was happily converted in 1834. Feeling divinely called to the work of the christian ministry, he received a license to preach the gospel when but seventeen years of age.

He was married to Miss Catherine Kerr, his now deeply afflicted widow, November the 12th, 1847. With his family he came to La Salle, Illinois, in 1851, where on the first Sabbath after his arrival he attended Divine worship and joined the church.

He entered the ministry in Peoria, now Central Illinois Conference, in 1855, serving faithfully the following pastoral charges: Avoca, Mazon, Whitefield, Woodhull, Henderson, Gilson, Ellison, Woodhull a second term, Neponset, Preemption, New Boston, and returned to Preemption a second term, where he finished his work.

As a christian, Bro. Watson was a man of a strong, comprehensive faith, which resulted in a deep, scriptural and joyful experience. He possessed a "meek and quiet spirit, which in the sight of God is of great

price." He had an intense love for souls, and a burning zeal for the cause of the Master. As a Methodist, he ardently loved the doctrines, discipline, usages and work of his church. He was fondly attached to her ministry and membership, professing at the same time that broad catholicity of spirit belonging only to large and noble souls. As a preacher of the gospel, he had deep convictions of the infallible truths of revelation, presenting them in clear statement, practical enforcement, and with a Divine unction that gives men to feel the importance of eternal interests. His preaching was not with enticing words of man's wisdom, but in demonstration of the Spirit and of Power. He has many seals to his ministry. As a pastor, he was often found in the homes of his people, rejoicing with the joyful, weeping with the sorrowful, sympathizing with the suffering, comforting the bereaved, helping the needy, and instructing the children.

As a husband and father, his real worth cannot easily be estimated. To his children he manifested his warm affection and earnest solicitude in laboring for their education and christian culture with a self-sacrifice and constant zeal becoming a christian father. His government in the family was mild but firm. The memory of his virtues are to his children a priceless heritage, more valuable than silver or gold.

His last Sabbath on earth was spent in administering the Sacrament of Baptism and of the Lord's Supper, and the preaching of the word and returning to his home saying: "I have had a good day." On the following day he took his bed, and on Friday evening breathed his last.

You may ask, "How did he die." To his wife he said, "I have been the Lord's in life, He will not leave me now. I have given my family to God, He will take care of them. Jesus is precious, He is precious." Then the silver trumpet falling from his hand, the plummed warrior mounted the triumphal chariot and passed to the realms of endless day.

The funeral services were held in the M. E. Church in Preemption, in charge of his Presiding Elder, Rev. E. Wasmuth. The following brethren representing the Conference were present: Rev. F. M. Chaffee, Josephus Collins, G. Morey, P. Smith, J. F. James, J. E. Taylor and W. H. Hunter.

At the close of the religious services our dear brother, having fought his battle and run his race and reached his goal, with sorrowful hearts we laid his body down to rest in sure and certain hopes of a glorious resurrection at the last day.

LOGAN.—Col. Thomas Logan, the subject of this memoir, was born in Jefferson county, Indiana, August 8, 1827, and died July 17th, 1879. He was married to Miss Elizabeth A. Bell in 1847. He removed from Indiana to Hancock county, Illinois, in 1853. In 1851 he experienced religion and joined the M. E. Church, in which he has served in the offices of steward, class leader, trustee, Sunday School superintendent, delegate to the Central Illinois Electoral Conference, and also as delegate to and member of the General Conference, held in 1872 in the city of Brooklyn, N. Y., that being the first General Conference into which laymen were admitted as members.

August 24, 1861, he was commissioned as 2nd Lieut. of Co. G., 2nd Reg. Illinois Volunteers, cavalry. December 27, 1861, he was commissioned as 1st Lieut. of the same company. March 21, 1862. he was transferred to the 12th Reg., Ills. Vol., cavalry, and received the commission of Captain of Co. G. November 17, 1862, he was again mustered out for promotion, and November 20, 1862, was mustered in and commissioned as Lieutenant-Colonel of the 118th Reg., Ills. Vol., Infantry. He was honorably discharged from the U. S. service at the mustering on of this regiment Oct. 1st, 1865.

In his youth his advantages for literary training were quite limited, yet, having good natural abilities, and being a sharp observer, and a somewhat dilligent reader, especially of periodical literature, he became a man of much more than ordinary intelligence. He was a strictly honest man, "given to hospitality," a liberal supporter of the Church, a faithful friend, a safe adviser, a true and loving husband, possibly too indulgent as a father, good and obliging neighbor, and as a citizen always loyal, and enterprising in the promotion of public interest and institutions.

In the regiment which he commanded, he was a leader in the temperance work. While stationed at Port Hudson, Louisana, he was active in the organization of a Lodge of Good Templars among the men of his command. In the meetings of this lodge—as the writer can testify from personal knowledge—where none but pledged temperance men were assembled, he bravely and wisely, on various occasions, faithfully advised and warned "the boys" against "bad whiskey and lewd women." Although he was always embarrassed when attempting to speak to a public assembly, yet when in Baton Rouge, Louisana, as an officer of the U. S army, he was called out in large meetings held in the interest of temperance, he responded, speaking strong words for the cause. After he returned from the army, he was elected by the Grand Lodge of Good Templars, of Illinois, to the office of G. W. Secretary, in which he served for one term.

The writer of this memoir, as Chaplain of the 118th Reg., Illinois Infantry, oragnized among its members a religious society. Among the first names enrolled was that of Col. Thomas Logan. Whenever practicable, he was in attendance upon divine service, and never hesitated to take part in them.

Being engaged in the business of shipping horses to Salt Lake City, he left his home in Carthage, Illinois, last April. Not finding in Salt Lake City a satisfactory market, he proceeded to Walla Walla, Washington Territory, where he died. From a strange land, and from among strangers, he has gone, doubtless, to a city "which hath foundations whose builder and maker is God." W. UNDERWOOD, Committee.

KELLER.—Rachel, wife of A. Keller, of the Central Illinois Conference, died in Altona, Illinois, June 15, 1879.

Her parents were Methodists, of Monongalia county, Virginia, where she was born, July 4, 1811. Her mother dying when she was four years old, she was placed in the care of George Smith and his good wife, who

were exemplary Methodists of the same place. She was converted in her twelfth year. On March 30, 1830, she was united in marriage with Rev. A Keller. In June of the same year her husband was received on trial in the Pittsburgh Conference, and appointed to Newcastle circuit, embracing thirty-five appointments and 350 miles travel, giving only one day in four weeks at home, and $107 salary. This was the beginning of forty-nine years of itinerant pilgrimage, toil and sacrifice, during which she always strengthened the hands and encouraged the heart of her husband to give himself wholly to the work of the ministry. She loved the cause of Christ, and enjoyed the services of the church, and was ready for any good word or work.

Since the Conference last October, her health was poor. Early in June her children were summoned to the home of their dying mother. Her parting words were loving and deeply impressive. As the time of her departure drew near, she exclaimed, "Victory, victory, through the blood of the Lamb," and to the last she tokened her triumph by waving her hand when her voice failed.

A faithful wife, a wise and loving mother, a good neighbor and a devoted christian has gone to receive her reward.

MAGEE.—Mary E., wife of Rev. A. Magee of the Central Illinois Conference, died in peace in Prairie City, Illinois, June 24, 1879. She was born in Germantown, Pa., September 21, 1807; was converted in early life, and united with the church on the first opportunity. In her christian character she was firm, patient and faithful, accepting the sacrifices incident to an itinerant life, without hesitancy; she cultivated a high regard for the sacredness of the christian Sabbath—remembering it with conscientious care to keep it holy; she grew in grace and knowledge of the truth; her pathway was as the shining light; her end was peace.

She was a great lover of Christian work; until disabled by infirmity, was a faithful laborer in the Sabbath school, a diligent visitor at the bedside of the afflicted and in the homes of the destitute—weeping with those that weep, and bearing, as she could, the burdens of the indigent. She worked willingly with her hands, and thus obtained means to contribute to the cause of missions and other benevolent purposes. She looked well to her own household, and prepared for her husband, children and friends a home of neatness, comfort and delight.

For months she suffered greatly, but patiently, acquiescing in the Divine will. Very calmly she spoke frequently of her approaching death, for weeks, and when the hour came, with faculties unimpaired, she resigned her spirit into the hands of Him who is mighty to save. She maintained the faith, obtained a good report, ended her labor, fell on sleep, and entered into rest.

Bro. Magee suffers greatly from affliction in the eyes. He will have a large place in the sympathies and earnest prayers of his fellow laborers and old parishioners to whom he preached the gospel not only with great clearness and force but to their edification as well.

G. W. ARNOLD.

KEENE.—Eva Murray Keene, daughter of S. R. and S. H. Murray, was born in Brimfield, Illinois, September 6, 1853. She was converted in 1864, and united with the Congregational Church. In 1869 she transferred her membership to the M. E. Church in Elmwood in which she remained a faithful and earnest member until her death.

She was a lady of rare intellectual power; commenced teaching school at the age of fifteen, in which work she was very successful. June 6, 1877 she was united in holy matrimony with Bro. J. E. Keene, of the Northwest Indiana Conference, now a member of the Central Illinois Conference. She entered upon this new field of labor with faith in Christ, who daily caused her to rejoice in seeing souls led to the fountain of salvation.

In the summer of 1878 she was taken with that dread disease, consumption. Her husband was compelled to surrender his charge in the Northwest Indiana Conference, and bring her to Elmwood, her old home, to die. She lingered some three months, during which time she suffered much, yet, without one complaint, always patient and full of hope in Christ. She made every arrangement for her departure, having on the wedding garment she waited for him who said "I will come again and receive you unto Myself, that where I am, there ye may be also. She often spoke of her peace with Cod, and her hope of eternal life. Shortly before her death, when her little babe was brought to her for her farewell kiss, she dedicated it to God and committed the little one to his care. In six weeks this tender bud followed her to Heaven. When the final hour came, she said to the loved ones about her, "I am dying," and bade them each a fond good bye. Her last words were, "The angels are coming, coming, coming!" and they bore her away to the mansions of light to await the coming of the Redeemer of earth.

On motion of W. H. Hunter, A. R. Morgan was re-elected Secretary, and on his nomination R. D. Russell, W. D. H. Young, and G. J. Luckey, assistants.

The conference bar was fixed on a line with the front of the third window.

The Conference fixed upon 8:30 A. M., as the hour for meeting and 11:45 for adjournment.

Dr. Reid, Secretary of the Missionary Society, was introduced to the Conference.

To the Conference:

DEAR BRETHREN:—In compliance with the action of your Conference, requiring me to submit in writing my answer to the resolution of your body, touching the publication of articles in the *Banner of Holiness* that are liable to be understood or construed to the prejudice of the M. E. Church, or the annual conferences, in regard to the relation sustained by said Church and Conferences to the doctrine and experience of Christian Holiness, I beg leave to submit the following:

1. In so far as any articles already published in the *Banner of Holiness* may have been thought to misstate or *misrepresent* the relation of the M. E. Church and Conferences to the doctrine and experience of Holiness, I distinctly disclaim any purpose or intention to *misrepresent* the Church or Conferences in such publications. Upon being convinced that any published articles contained in the *Banner of Holiness* have had the effect to mislead or pervert the minds of its readers in regard to the subject mentioned, I will willingly make such editorial explanation as to the true and proper meaning of such misunderstood articles as will correct any erroneous impression that may have resulted from their publication.

2. In so far as the publication of future articles is concerned, I am willing to assure the conference that no *misrepresentation* of the Church and Conference in their relation to the question of Holiness, will be knowingly allowed in its columns, while I continue responsible for its contents.

In thus avering, I simply state what has been in all the past, and what will continue to be in all the future, the guiding and governing

principles and policy of the *Banner of Holiness*, viz: to rightly represent everything and knowingly misrepresent nothing.

Respectfully submitted,

REPORTS.

EDUCATION.

HEDDING COLLEGE.

There have been placed in the hands of the committee, written reports from the Faculty and Trustees of Hedding College, also a catalogue of the institution; besides which we have received personal statements from the President and Financial Agent.

We are glad to report that the information coming to us from all these sources is of the most encouraging kind.

We are gratified to know that the courses of study have been thoroughly and wisely revised, and the standard of scholarship in all the departments raised. The Scientific and the Latin Scientific Courses, heretofore requiring but four and five years, have been extended to six, including the Preparatory, and the very best text books, as approved by the highest authorities, have beenadopted. We feel confident that the Courses as now established are equal in grade to that of the best institutions.

A Teachers' Normal Class was established last year, and the results of the experiment have been very satisfactory. The design of this department is primarily to meet a want on the part of such students as are compelled to teach, in order to meet the expenses of completing the College Course, besides affording good advantages to all who are preparing for the work of teaching.

Continual, and in some directions, large improvements have been made in the scientific apparatus of the institution.

The museum has been thoroughly renovated, the specimens carefully classified, and many additions have been made to its contents.

A full corps of efficient and popular teachers is at work, and the number of students in attendance is much in excess of the same term of last year, and the general character and spirit of the students is reported to be excellent and full of promise.

There comes to us the very highest expressions of appreciation of President Peck, who is universally respected as a Christian gentleman, and has shown himself possessed of fine abilities as an educator

and as a manager of the school. As a testimony of their appreciation of his faithfulness and worth, the Trustees at their late meeting voted unanimously to grant President Peck a leave of absence for six months after the close of the coming winter term, to visit Europe. He will avail himself of this opportunity, and will in his travels, give all possible attention to methods as practiced in the great institutions of the old countries, and will be able, on his return, to apply the results of his observations, greatly to the advantage of his College.

The death of Prof. Geo. W. Waughop, A.M., is greatly lamented. He had proven himself an able teacher in the department of Ancient Languages. His place has been filled by the election of Miss E. B. Whipple, who is giving entire satisfaction. She also occupies the office of Preceptress. In this office, she will meet a want long felt by the friends of the school—that of a wise and cultured Christian lady to look after the interests and act as an adviser of the young ladies among the students. This work she is eminently qualified to perform.

The efforts of the Financial Agent have been as successful as could be expected. The present assets can hardly be regarded as equal to the floating indebtedness, thus leaving the mortgage debt of $12,500.00, including the unpaid interest, unprovided for.

Although this condition of the finance gives sufficient grounds for anxiety, yet the outlook is encouraging.

We respectfully request the Bishop, in harmony with the desire of the Trustees, expressed in their report, to reappoint Rev. Geo. W. Peck, A.M., President, Rev. W. H. Slingerland, B.S., Professor, and Rev. B. E. Kaufman, Financial Agent.

We nominate for Trustees Revs. William Watson, B. F. Tallman, J. S. Cumming, J. W. Haney.

Laymen—Thos. Newell, John Pricket, J. B. Reidnour and J. E. Austin.

To fill the vacancies caused by the removal and resignation of C. W. Moore, J. D. Bells and Rev. Geo. M. Irwin, Laymen T. D. Merryman, J. F. Hubble and Rev. F. M. Chaffee.

We also nominate the following Board of Visitors: A. R. Morgan, W. C. Knapp, W. M. Collins, J. E. Keene, R. G. Pearce, J. B. Dille, G. B. Snedaker and J. T. McFarland.

ILLINOIS WESLEYAN UNIVERSITY.

The condition of this institution, in all of its departments, as represented by the Board of Trustees, is very satisfactory, indeed. The attendance during the past year was 448. The attendance at this early date of the present year shows an increase of more than twenty per cent. over a corresponding time last year, with an increase of tuition paid of more than a thousand dollars.

By addition to the corps of teachers the proficiency of the Faculty

has been much increased. The commercial department, recently added, has opened more prosperously than anticipated.

With gratitude to God we refer with pleasure to the gracious revival of religion which visited the institution during the past winter, and through which so many of the students were brought to Christ.

The financial condition of the University is assuming a very cheerful phase. The work of the agents in procuring funds has been very gratifying. About $30,000 in subscription, notes and cash, have been raised. Of this amount more than $7,000 have been secured within the bounds of the Central Illinois Conference. It is the purpose of the Trustees to press this work until the entire indebtedness is canceled, confidently expecting success through your prayers and co-operation. Instead of presenting the usual detailed financial statement, the Trustees sent to the seat of Conference, and submitted for your inspection, the Treasurer's books, and the records of the Executive Committee, believing that such a course would be more satisfactory to you than a mere compilation of accounts.

We commend the University to your sympathy, patronage and hearty co-operation, in its four successful departments, with bright hopes of a still more auspicious future.

We recommend the election of the following persons as members of the Board of Trustees:

Dwight L. Parker, J. B. Sargent, J. P. McDowell; and for visitors, W. H. Hunter, U. Z. Gilmer, J. B. Dille, W. M. Collins, J. B. Robinson and G. J. Luckey; and H. M. Laney as Financial Agent.

W. C. KNAPP, *Chairman.*

GRAND PRAIRIE SEMINARY, COMMERCIAL COLLEGE AND CONSERVATORY OF MUSIC.

This institution has enjoyed an unprecedented year. Twenty-eight persons have just graduated from its several departments, and three hundred and forty-six have been in attendance. Complete harmony exists among students, faculty and trustees. This fall term has opened with a gratifying increase of students in all the departments over last fall term. The prospects are very cheering. The advanced classes are larger than heretofore, which proves that there is a call for higher education among the patrons. The courses of study are complete in themselves and equal to the coriculi of the best ladies' colleges in the land, and to many of the colleges.

The graduates of this institution can enter the junior year of universities East and West. A noble, conscientious and religious propriety prevails among the students.

The village of Onarga is beautiful for situation, healthful in location and moral in its social life. Prof. D. Streeter, A.M., an alumnus of Boston University, has been added to the Faculty and assigned to the chair of Latin.

The Normal Department for the preparation of teachers for their work is accomplishing an important work.

The Commercial College is attended with unusual prosperity, and the Conservatory of Music has grown into remarkable proportions.

The real estate, grounds, buildings, furniture and apparatus of the institution are estimated to be worth $20,000; endowment, $16,000; total, $36,000. There are no debts. By the labors of President Robinson, annual courses of lectures have been furnished, the proceeds of which have purchased additional apparatus, maps, charts, globes, a planitorium and a fine telescope. With the proceeds of this year's course the Library is to be replenished. The President has been abundant in labors throughout the bounds of the patronizing territory, preaching and lecturing, talking and working in the interests of the School, and not without good results.

We respectfully ask the appointment of Rev. J. B. Robinson, D.D., as President, and Rev. Geo. R. Palmer as Financial Agent; and that Revs. W. C. Knapp, J. P. Forsyth, J. Wilkinson, W. F. Wilson and F. Smith be appointed a Visiting Committee.

GARRETT BIBLICAL INSTITUTE.

We learn through the report of visitors, appointed to Garrett Biblical Institute, that the attendance is very creditable, and that the instruction in the entire cirriculmn is most commendable, rendering the Institution a very important factor in preparing our young men for efficiency in the Christian ministry.

Dr. Dandy, the financial agent, has been very successful in raising funds, and the debt is being gradually reduced.

The faithful and judicious management of the authorities warrant us in reposing the utmost confidence in their ability to take care of all the interests of this Institution.

The success of the Association formed among the women of the West to aid in relieving the Institute from financial embarrassment, has demonstrated the good judgment exercised in forming such an Association. We believe a service would be rendered the Church by giving more encouragement to the authorities in sustaining the Institution, and by more frequently commending to our young men the advantages of this "School of the Prophets." We recommend the appointment of B. W. Baker and J. B. Dille as Conference visitors.

NORTHWESTERN UNIVERSITY.

We are glad to report that this school is in a prosperous condition. The present year promises to be the most auspicious that the University has ever known. Owing to the revival in business

1880

throughout the country, the financial condition of the school has greatly improved, and with the present policy of those interested, it is confidently expected that the University will soon be freed from debt.

The patronage of the school this year is most gratifying. All the departments are well filled. This fact, in connection with the large and valuable additions to the Library, Museum, Laboratory, and other means of illustrating and verifying scientific principles, assures the ultimate success and prosperity of the University.

As the term of one of your trustees for this institution has expired, we recommend the election of Rev. R. D. Russell as his successor.

PERIODICALS AND BOOK ACCOUNTS.

Your committee to whom was referred the above interests, beg leave to present the following report:

WHEREAS, A knowledge of the church, her plans, her objects and her modes of work is essential to an intelligent appreciation of them and a cordial co-operation with her, and also that the influence of a good religious paper is above price in refining and elevating the family and bringing it into hearty sympathy with the church in her work of evangelism. Therefore,

Resolved, That we earnestly request all our families to take one or more of the papers of the church, reserving to themselves the right of their own preferences, but suggest, as the first choice, the *Northwestern Christian Advocate*, as it gives more information about the church in the bounds of our own conference. And, also, that as the *Quarterly Review* is of great value to every minister that will read it, we urge all our ministers, but more especially our young ministers, to subscribe for, read, mark and inwardly digest it.

Resolved, We will present the claims of all our periodicals to our families, and invite them to subscribe for them, and also that we will make earnest efforts to secure an increased patronage of our books, both by our Sunday Schools and families.

BOOK ACCOUNTS.

WHEREAS, The late General Conference instructed the Book Agents to collect outstanding notes and accounts the present quadrenium, your committee take great pleasure in expressing a full hope that every member of this Conference will fully discharge his obligations to the book concerns within the time named by the General Conference, and as much sooner as possible. Therefore,

Resolved, That any member owing the Book Concern either by note or account, and making payment of current account, interest on note, or notes, if any, with some part of the principal, at each session

of his Conference, or oftener, shall be deemed as settling "satisfactorily" for the time.

WOMAN'S FOREIGN MISSIONARY SOCIETY.

Whereas, The workings of the Woman's Foreign Missionary Society has proven the organization to be an invaluable assistant in the salvation of heathen women, thus helping to take the world for our Lord and His Christ; and,

Whereas, It accomplishes a great work in the dissemination of missionary intelligence and spirit among the people, thereby increasing the contributions to the general cause; therefore,

Resolved, That we heartily endorse the Society, and that we recommend the organization of district and auxiliary societies wherever practicable, and

Resolved, That we will welcome the representatives of the Society to our charges, and will gladly assist them in their good work.

J. W. Haney, *Chairman*,
S. Van Pelt, *Secretary*.

TRACTS.

Believing that the publishing and distributing of tracts has been wonderfully blessed of God in awakening sinners, in reclaming backsliders, and in confirming believers; and because the Book Concern grants fifty per cent. of collections in tracts to those charges forwarding them; and because room is here made for earnest, consecrated, personal work, therefore

Resolved, That we will aid and abet this great agency in soul-saving; and that we will conscientiously and prayerfully obey the disciplinary provisions with reference to this matter; and that we will claim the amount of tracts due our respective charges, and will personally engage in distributing the same.

C. H. St.John, *Chairman*.
W. Woolley, *Secretay*.

SUNDAY SCHOOLS.

Whereas, We recognize the Sunday-school as a very essential part of the church, and through its agency thousands are annually brought to Christ. Therefore,

1880

Resolved, 1st, That we urge upon all the members of the church the importance and necessity of their hearty co-operation in the Sunday-school work.

Resolved, 2d, That we urge upon all the pastors of our churches the necessity of organizing the Sunday-schools of their respective charges into Missionary societies according to the discipline.

Resolved, 3d, Owing to the fact that our Sunday-school literature is not excelled and is better adapted to the wants of Methodist Sunday-schools than any other, we recommend and urge our people to supply their schools with our own publications, as we cannot afford to patronize other houses at the expense of financial and doctrinal loss.

C. H. St. John, *Chairman*,
W. Woolley, *Secretary*.

AMERICAN BIBLE SOCIETY.

Whereas, The American Bible Society is held in high esteem by us as an indispensable agency in extending the knowledge of the Holy Scriptures and in the evangelization of the world.

Whereas, It appears from reports in our hands that out of nearly 180 pastoral charges in the Central Illinois Conference, only 75 report as having taken any collections at all.

Whereas, We believe this deficiency is owing in part to the failure of County Agents to receipt to pastors for the amounts contributed; and in part to the failure of pastors to present the claims of the American Bible Society to the people of their charges. Therefore,

Resolved, That we earnestly request Auxiliary Agents to faithfully receipt for all moneys contributed by our charges to the Bible Cause.

Resolved, That we urge all our pastors to bring the claims of the American Bible Society before their people, for their sympathy and prayers; and that they take up annually a collection for the Bible Cause.

G. W. Brown, *Chairman*.
J. L. Torpin, *Secretary*.

TEMPERANCE.

Whereas, Our Church in the statement of her principles declares "Voluntary abstinence from all intoxicants to be the true ground of personal temperance and complete legal prohibition of the traffic in alcoholic drink as the duty of civil government; and,

Whereas, In her Discipline she forbids the buying, selling or using intoxicating liquors as a beverage, the signing petitions in favor of licensing dram-shops, or becoming bondsmen for persons engaged in such traffic: and the renting of property as a place in which to manufacture or sell intoxicating liquors; and,

Whereas, It makes it the duty of the pastor to appoint a committee on temperance, and to meet it at least once every three months

to consider the best means to be employed in promoting the cause of temperance in the community; and,

WHEREAS, The last General Conference passed resolutions recommending,

1st, The organization of juvenile temperance societies in all our charges and Sunday Schools.

2d, The distribution of the publications of the National Temperance Association of New York.

3d, The ministry of the gifted and Godly women of the churches in the work of temperance, and in their holy crusade against the liquor traffic. Therefore,

Resolved, 1st, That we heartily endorse and will endeavor to carry out the principles and plans of the church on this great question.

Resolved, 2d, That in the pulpit and on the platform, through the press and in politics, we will not only exert our personal influence, but will also encourage all good men to attend the primaries and secure the nomination of temperance men.

Resolved, 3d, That we sympathize with the National Woman's Christian Temperance Union in its effort to secure a temperance day in the week of prayer for 1882.

Respectfully submitted.

R. HANEY,
T. DONEY, *Secretary.*

TOBACCO.

WHEREAS, The Tobacco Question has agitated our annual Conference from year to year, embarrassing the legitimate routine of business. And,

WHEREAS, The General Conference has recommended the Annual Conferences to require candidates for admission to be free from the habit as hurtful to their acceptability and usefulness among our people. Therefore,

Resolved, That we reaffirm our former Conference action on this subject, and emphasize the resolutions we have put on record that we will not admit any man into this Conference who uses Tobacco and will not consent to abstain from its use forever.

Resolved, That we will pledge ourselves anew to use all laudable efforts to induce our people to abstain from its use.

Resolved, That we request our Presiding Bishop to appoint no man to the office of Presiding Elder who uses Tobacco in any form, because of the evil example to the preachers and people.

SANCTITY OF THE SABBATH.

The Sabbath is a hallowed institution, and the claim for its observance as a day of rest and religious service is based alike upon the teachings of nature and Revelation. It is essential to the bodily health of man in every station in life, and its observance is to be numbered among our natural duties. National existence depends upon it. The Christian religion makes the American Republic possible. A profanation of the Sabbath tends to a corruption of morals, and thus endangers free institutions. If the secularization of the Sabbath goes on, the sun of our prosperity will go down in darkness and blood. We are fully persuaded, too, that our holy Christianity will stand or fall with the Sabbath. Therefore, if we love ourselves, our country and our God, we should "Remember the Sabbath day to keep it holy."

Resolved, That we deprecate the custom of making the day one of amusement and dissipation, or of merely physical rest and social visiting.

Resolved, That, as ministers of the Gospel, we will preach on the subject frequently, and use our utmost endeavors to create a more healthful public sentiment against the desecration of God's holy day, whether by individuals, corporations or general government.

J. COLLINS, *Chairman*,
H. S. HUMES, *Secretary*.

DISTRICT CONFERENCE RECORDS.

Your committee to whom was referred the District Conference Records would submit the following report:

The committee had before them the following records: Macomb, Monmouth, Rock Island, Kewanee and Wenona.

A marked improvement was noticeable in nearly all the records of District Conference for the past Conference year.

Rock Island District Record is properly kept in every particular, having an alphabetical index, with wide marginal references, and an appropriate place in the record for Conference roll.

Monmouth District Record may be improved by a roll kept in some part of the book set aside for that purpose.

Kewance District lacks both index and District Conference roll.

Wenona is void of both index and properly placed roll, and the last records are kept with copying ink, which easily blots if handled with moist fingers.

Macomb is lacking both index and roll.

We would, with your committee of last year, again urge the necessity of uniformity in the manner of recording District Conferrnce proceedings. These records should be always in such a form

as that any past proceedings of District Conferences could be readily and easily referred to.

A. C. CALKINS, *President*,
J. J. WALTER, *Secretary*.

FREEDMAN'S AID SOCIETY.

WHEREAS, It is well known that the freedmen and the poor whites of the South are not provided for in their intellectual needs by their own people in the South. It becomes a necessity for the intellectual and moral elevation of these classes that the Church do this work, and upon us as a Church rests a great share of this responsibility; therefore,

Resolved, 1st, That the success which has attended the efforts of the Freedman's Aid Society of our Church among the freedmen is a source of encouragement to all friends of the colored race, and calls for our increased efforts to raise funds for the enlargement of our work among them.

Resolved, 2d, That we approve of the recommendation of the last General Conference to the Freedman's Aid Society to extend the work of education among the poor whites of the south, and that we will endeavor to increase our collections for said society to enable them to carry out the instructions of said General Conference.

Resolved, 3d, That we will as early as practicable, during the coming conference year, give one entire service on our respective charges to the consideration of the work of our Freedman's Aid Society in the Southern States.

STATE OF THE CHURCH.

We have no sympathy with complainers, and believe that the general condition of the church is such as to call forth our gratitude to God who in His wise providence is leading the church to final victory.

We are gratified at the evidence of devotion to the interest of the church among our people, and rejoice at its general prosperity.

We believe that pastors and people are truly pious and that their earnest Christian work will develop blessed results.

And yet we do not believe the church to be perfect nor improvement impossible. Some evils exist, with a growing tendency, that ought to be corrected.

First, There is a laxity in the administration of discipline, which is not favorable to the purity of the church. While deprecating any discipline based in personal animosity, or growing out of personal prejudice, we believe that crime should be promptly condemned, and all our pastors should insist on an attendance upon the means of grace as enjoyed in our excellent book of discipline.

Second, There is a growing disposition to pass over the great doctrines of the Bible. Doctrinal preaching has become unpopular with certain classes, and some who have been called to preach the whole gospel of Christ have yielded to the clamor of the world for a modified gospel which requires but little thought and does not trouble the conscience. The doctrines of the gospel ought to be thoroughly presented and enforced.

Third, The spirituality of the church is of vital importance, not only in the work of saving souls but also in giving success to every department of church work. We cannot be too earnest in impressing the necessity of purity of heart and life. The doctrine of perfect love

as taught in the Bible and the standards should be faithfully preached as a fundamental tenet of our beloved Methodism. Holy living is what we most need. May the baptism of love rest upon the whole church.

We recommend the adoption of the following resolutions:

Resolved, That we recommend the use of our standard hymnal in the pulpit for our regular Sabbath services, and we deprecate the substitution of any other book for such services in the place of the one adopted by our General Conference.

Resolved, That while we will encourage the utmost courtesy and good will toward other denominations, and while under given circumstances, union meetings are desirable, yet we recommend to our members and ministers to manage their own meetings and to enter into union efforts only when they will not interfere with our regular or special services.

G. C. WOODRUFF, *Chairman*,
J. G. EVANS, *Secretary*.

CONFERENCE CLAIMANTS SOCIETY.

The Conference Claimants Society make the following report:

The assets of the Society are estimated as follows:

Amount raised by agent first year, in notes, subscriptions and cash	$ 5,779	
Amount raised by agent second year	5,000	
Amount subscribed by preachers for agent's salary, second year	800	
Amount raised by agent third year, by subscription,	3,000	
Bequest of Job Mills	1,000	
Bequest of W. B. Harvy	5,000	
Sale of land in Missouri	500	
Total		$21,079

AMOUNT DEDUCTED.

Three years' salary for agent	$ 3,000	
Three years' traveling expenses for agent	373	
Probable loss on subscription	3,500	
All other expenses	350	
Total		$ 7,223

Leaving a total of probable assets amounting to $13,856

We also request the reappointment of Rev. C. C. Knowlton as agent for the ensuing year, with salary the same as last year.

We would also call attention to the fact that the collection for Conference Claimants from the charges has increased from last year, and that interest to the amount of $309 has been collected and paid to the Stewards.

We again reaffirm our declaration of last year, that "the collec-

tions of this society are identical in their object with those of the regular collections for Conference Claimants."

We also regard every pastor under obligation to co-operate with the agent for the increase of the funds of this society, and we earnestly request each pastor to diligently and carefully look after the interest on notes and subscriptions which have already been taken.

MEMORIAM.

PROFESSOR GEORGE W. WAUGHOP, A. M.

The subject of this short sketch closed his earthly career on Friday morning, September 17th, 1880, at Abingdon, Ill. He was thirty-one years of age at the time of his death, and apparently at the very threshold of a useful life.

His boyhood days were spent on the farm. He experienced religion when about fourteen years of age, and at once identified himself with the Methodist Episcopal Church. Habits of thoughtfulness and study early led him to turn his attention toward the completion of a college course. Limited means made it necessary for him to make many sacrifices in order to accomplish his design, but these trials only made him stronger in the furtherance of his inflexible purpose.

He graduated at Mount Union, Ohio, about five years ago, having pursued a part of his college course at the North-western University, Evanston, Ill. He was employed as a teacher at Mount Union for two years, after which he accepted the Professorship of the Ancient Languages in Hedding College, Abingdon, Ill., where he has since labored in the interests of classical education. This was his chosen field of labor, and in it he was a growing and untiring worker.

Professor Waughop was a thinker of more than ordinary promise. His sermons always exhibited originality and depth of thought. His power of concentration enabled him to be analytical without being tedious, and to be logical without mystification. He could see at once the practical application of truth which was beyond the grasp of ordinary minds. No phase of a theory in polemical theology, presented for his consideration, escaped his expressed disapprobation, if false, or his commendation, if true. His views were honestly entertained, openly expressed, and thoroughly orthodox. He could not be persuaded that it was ever best to dodge the truth, or to promulgate error. His lectures and speeches were generally worthy of the most careful attention, furnishing food for the most mature reflection.

The remainder of this sketch, clipped from the *Abingdon Enterprise*, is entirely reliable, and affords a comforting view of the close of such a life.

"Prof. Waughop lost his health some eight years ago, while pursu

1880

ing his studies, and he never fully recovered from a chronic disorder which finally succeeded in extinguishing the last vital spark of life.

His last hours were crowded full of Christian peace and hope, and fortitude. His last religious conversation was with President Peck on Thursday night. In answer to the question, "how is it with you now, Professor," he said that he was in perfect peace. He had no fears. He wanted to live and work, but he was ready to go. "President Peck" said he, "we have labored together for two eventful years. To me they have been exceedingly pleasant and profitable. We may never be thus associated together again. Take this book from my library as a memento of these years and associations, and be kind enough to give me a book or books from your library of equal worth, as a memento." Two books were given him for the one and he expressed great satisfaction and gratitude in receiving them; but he has left them unperused and gone to study a holier literature than earth affords. His last audible words were "I am sweetly resting—triumph—home."

Prof. Waughop had been a local preacher for some years. Two years ago he was ordained local deacon, and since that time he has been in the traveling ranks of the Central Illinois Conference. At 10:45 A. M., the long procession accompained the remains to the depot. The family and the sister of the deceased took the eleven o'clock train, hoping to reach Ohio before Saturday night for the interment. They were accompanied as far as Chicago by President Peck, who gave every assistance to the relatives possible in their bereavement. They reached Belden, Ohio, on Saturday, without delay, and on Sunday the last sad rite was performed, when the mortal remains of Professor Waughop were laid away to await the morning of the resurrection."

MRS. SARAH HASTINGS KNOWLTON.

Sarah Phillips Hastings was born in Richwood, Union County, Ohio, December 9th, 1835. After the ordinary years of common school training at home, in 1849 she went to the Worthington Female Seminary, sixteen miles north of Columbus, Ohio, where, at the age of sixteen years, she graduated in 1852. During these school years she was converted. The value of religious experience in severe affliction was soon after painfully tested by the death of a very dear sister, near her own age, who was attending school at the same institution. After graduating, she taught a common school for a short time, but was in a few weeks elected as an assisstant teacher in the Ohio Female College at Delaware, now a part of the Ohio Wesleyan University. While teaching in this institution, she recited in studies additional to those pursued at Worthington, and graduated in the classical course in 1855.

August 21st, 1855, she was united in marriage with Rev. C. C. Knowlton, and went soon after with her husband to their first field of itinerant labor in the Kentucky Conference. The next year, 1856, she, with her husband, was elected to positions in the Pittsburg Female College, and remained long enough to greatly endear herself to both teachers and pupils by her amiable and scholarly services.

From Pittsburg she was called to another sphere of labor as a

teacher in the Northwest Virginia Academy, of which her husband was principal. In this last institution she taught some of the higher classes in the languages and natural sciences with her usual accuracy and efficiency, securing the love and respect of all who had the happiness to make her acquaintance.

In 1859, with her husband and only son, she came to Bloomington, Illinois, where they entered again the regular work of the itinerancy, in which she continued a most exemplary and successful worker in all the relations of wife, mother, and companion of an itinerant minister.

She was the honored and greatly loved mother of six children. Four daughters survive, to whom the memory of such a mother will ever be cherished with tenderest interest and inexpressible love. Her husband also honors her as only a true man can honor a pure and noble woman.

She died January 23d, 1880, after a lingering illness—catarrhal consumption—of six months' duration, preceded however, with a year or more experience of a distressing cough, the remains of a previous attack of peneumonia.

Sister Knowlton was one of nature's amiable children. Gifted with a beautiful countenance and comely person, a well-balanced mind, a kindly, obliging disposition, which was always ready to sacrifice her personal enjoyment for the happiness of others, and a temper of extraordinary meekness, she could but be a favorite in social life. And when to these natural endowments were added the advantages of mental culture and the renewing power of saving grace, she could but be a "bright and shining light" in the church.

From brief memoirs before me, written by Rev. L. D. McCabe, D.D., I learn that the direct human instrumentality of her conversion was Mrs. Martha McCabe [of whose exalted Christian character so worthy a record is made by the now sainted Bishop Thomson in his "Biographical Sketches.] After speaking of Sister Knowlton's conversion, Dr. McCabe says: "At once she arose to a high plain of religious life and experience; and from that spiritual elevation she never descended, but walked onward in sweetness, faithfulness and devoutness through all her many and great trials." This testimony is but simple truth, to which all who knew our departed sister will add their earnest and hearty assent.

Her piety was of a healthful type. Naturally cheerful, she did not become ascetic when she became religious. While her conversation and manner of life was always as "becometh Godlinesss," there was nothing of sourness in either. She was always ready "to give a reason for the hope within her," but more by quiet, unobtrusive acts than enthusiastic profession did she manifest that her "life was hid with Christ in God." Her sphere of duty she believed to be first to her own household. What she was in that household, the writer has unusual opportunities of knowing. Her Presiding Elder for five years, he was frequently her guest; not only a guest, but the intimate and trusted friend of her husband. To her husband she was tenderly affectionate, thoughtful, wise, discreet. Speaking for him, I can apply

1880

the language of Solomon without any mental reservation: "Many daughters have done virtuously, but thou excellest them all." To her children her loving care was unceasingly devoted, not only in physical and mental wants, but also their religious instruction. And not alone husband and children, but those who were employed in domestic service shared in her tender solicitude, receiving more than wages often, to assist them in their hard battle of life, accompanied with words of kindness, of advice, and admonitions often more needed than the gifts bestowed.

The sick and poor were objects of special solicitude to her kind benevolent heart. The full extent to which they were benefitted in various places where her lot by the itinerancy was cast the day of eternity can only fully reveal. To one who thus lived, the gradual approach of death could have no terror. The strong ties of natural affection bound her to life, but disease came, and death followed close after; but just beyond were the opening gates and the mansion already prepared. Into it she has entered, and rests from her toils. May we follow her as she followed Christ. H. RITCHIE.

MRS. MARY O. CARITHERS.

Mary O., wife of Rev. W. B. Carithers, a supernumerary member of the Central Illinois Conference, died at her home in Johnson county, Kansas, May 22, 1880. She was born in Fulton county, Ill., Oct. 9, 1845. Joined the M. E. church in her thirteenth year, and ever after adorned the Christian religion. She was married to Rev. M. D. Heckard, of the Central Illinois Conference, March 9, 1865, and for ten years faithfully and cheerfully performed the duties of pastor's wife, and for the cause of her Master willingly endured the privations and hardships incident to itinerant life. She was called to mourn the death of her husband May 5, 1875, and lived in widowhood until Dec. 24, 1878, when she was married to Rev. W. B. Carithers, who now mourns her departure. She was ever hopeful, cheerful and trustful, always looking on the bright side of every sorrow, trouble, trial, or disappointment. She was a fast friend, a kind neighbor, an affectionate wife, a dutiful mother, and a true Christian. Her sickness was brief but severe, during which she was patient, hopeful and uncomplaining. She did not anticipate serious results, as we did not; but during the night before the day of her death she was, by the surges of an awful fever, overwhelmed with unconsciousness, and remained so nearly all the time. About three hours before her departure she was favored with a moment of consciousness, when the inquiry was made, "Do you now feel the presence of the Savior?" and the answer was very emphatic, "Yes." She leaves a sweet babe of seven months, and two step-sons, with the father, to mourn. The funeral sermon was preached by the writer to a large congregation. Bro. Carithers came to Kansas about a year ago, to make a home. They were very pleasantly situated. They have made a great many friends. Sister Carithers was greatly beloved by all who knew her. She made every one happy around her, and her precious memory will long live in the hearts of those with whom she mingled.

In case the question relates to some point in fact, known to the counsel himself, and not communicated under seal of confidence by his client, his obligation to testify does not differ from that of other witnessses, and cannot be plead in excuse.

In case a counsel refuse to testify under seal of confidential communication, and in his defense declares his belief or make a plea on the ground of innocence of the charge, and it shall appear he has knowledge to the contrary, he will be liable to answer to the charge of willful perversion of the truth to the injury of the fair fame of the Church.

SEC. III. *Treasurer's Bonds.*—The Treasurer of this Society shall give such bonds and security, as may be required, and approved by the Board of Directors.

SEC. IV. *Members of Conference Eligible.*—All the members and probationers of the Central Illinois Conference of the M. E. Church are eligible to membership in this Society who shall apply for membership within three years after their admission on probation, or who having been received from other Conferences shall apply within two years after their admission, and may be admitted at any public meeting of the Society, provided the applicant for membership in the Society has been examined and recommended by the Board of Directors: *Provided*, that no person who has passed the age of thirty-five years shall be eligible to membership.

SEC. V. *Meetings of Society.*—The meetings of this Society shall be held at the time and place of the Annual Sessions of the Central Illinois Conference, and on such days of the session and at such hours of the day as may be agreed upon by the Board of Directors, provided that no public meeting of the Society shall be held until first announced by the President of said Society in the open Conference at the session next preceding the meeting of the Society. One of the meetings of the Society shall be styled the Regular Annual Meeting, at which time and place the officers for the ensuing year shall be elected. And also provisions shall be made by the Board of Directors for anniversary exercises.

SEC. Sec. VIII. *Failure to pay Assessments.*—All the members who fail to pay the assessments made upon them for the object above specified before the adjournment of the next session of the Annual Conference thereafter, shall forfeit their relation to the Society.

Notice to be Given.—Provided, however, that if the death of a member occurs so near the session of the Conference that the Secretary cannot give the members thirty days notice before the opening of the ensuing session, the adjustment of such claim shall be made in the ensuing Conference year.

REPORTS.

EDUCATIONAL SOCIETY.

The information received by your committee in regard to the Board of Education of the M. E. Church indicates that the society is doing a much needed work in aiding candidates for the ministry and young ladies intending to enter the missionary field to an education.

We recommend the following:

Resolved, 1st, That we will freely bestow our hearty sympathy and support on this society, and ever pray for its success.

Resolved, 2d, That we will take collections in all our charges, and urge all our people to contribute.

Resolved, 3d, That we heartily recommend the observance of Children's Day, and request the Board of Education to prepare a programme for the same, to be issued by April 1, 1882.

Respectfully submitted.

B. E. KAUFMAN, *Chairman.*
G. W. BURNS, *Secretary.*

EDUCATION.

HEDDING COLLEGE.

From documents placed in the hands of the committee, and statements made before us, we are glad to learn that the past year has been one of prosperity. The attendance was good, the pupils for the most part correct in deportment and thorough in scholarship. The instructors have been faithful, earnest, efficient and self-sacrificing in their work.

President Peck is a good disciplinarian, does excellent class work, and is highly esteemed by our best students. Under his management the courses of study have been thoroughly revised and made equal in length. The standard of scholarship also has been raised, and students are becoming much more regular in their work.

1881

The college, since March last, has been under the care of J. T. Dickinson, A. M., Vice President, well and favorably known to many of your members.

President Peck is making an extensive tour in Europe and the Holy Land. He is a thorough student and will gather much valuable information. He will soon resume his duties in the college, and expects to give weekly talks and lectures to students and friends on various themes of interest connected with the Old World. We trust there will be a large attendance to enjoy them.

Electa B. Whipple, A. M., Preceptress and Professor of Ancient Languages, and Rev. L. G. Cochran, A. M., Professor of Natural Science, are entering upon their second year of labor, having gained an enviable reputation as apt and thorough teachers.

Many valuable additions have been made during the past year to the apparatus, thus securing greater facilities for making the students more practical. The opening of the present year is ominous of good.

The professors in different departments are doing efficient work. We have a large per cent. of new students. A majority of the school are religious, and our daily prayer meeting is well sustained.

The financial condition is not materially changed since our last report. The raising of twenty-six thousand dollars will secure Mr. Forte's proposed donation of ten thousand dollars, pay all debts, and leave twenty thousand dollars as an endowment. The interest on this permanent fund will be sufficient to meet all expenses not otherwise provided for. We have great confidence that with the co-operation of the pastors this sum can be raised. A subscription has been started on this plan, and has met with encouraging success.

We respectfully request the bishop to appoint Rev. George W. Peck, A. M., President; Rev. Leonard G. Cochran, A. M., and Rev. William H. Slingerland, Ph. B., Professors, and Rev. N. T. Allen, Financial Agent in Hedding College. We also recommend the following named brethren to be elected by the conference as trustees, viz: Ministers C. Springer, M. C. Bowlin, P. A. Cool, M. A. Head; Laymen, M. C. Kimball, F. W. Meacham, M. C. Soule and J. B. Strader.

NORTHWESTERN UNIVERSITY.

We are gratified to hear from the trustees appointed to the Northwestern University a very favorable report. Through the assiduous efforts of the local trustees and friends of the university, the end of their embarrassing debt is rapidly approaching. And we are pleased to report the unanimity of the joint board, not only as to the need of a president for the university, but especially as to the harmony that existed in the choice of Dr. Cumming to

take charge of the interests of the university. We find that the institution, in all of its departments, is well adapted to meet the ends for which it is being ably sustained. With the patrons and those in possession of a knowledge of the work being done, the institution is becoming more popular, for the reason that its efficiency is becoming more potent, and its influence more extended.

The term of J. W. Haney as conference trustee has expired, and we recommend his re-appointment.

B. E. KAUFMAN, *Chairman*,
G. W. BURNS, *Secretary*.

PERIODICALS AND BOOK ACCOUNTS.

WHEREAS, Our church papers are designed to inform our people of the work, plans, and success of the church, and to furnish both attractive and instructive reading to our people. Therefore,

Resolved, That we will urge the circulation of the *Northwestern Christian Advocate* among the people of our respective charges. We would also call the attention of our ministers to the *Methodist Quarterly Review* as being worthy of their notice and consideration.

Resolved, That we hail with satisfaction the reduction in the price of our Sunday school books and periodicals, as well as of the general catalogue of books, and that we will use our earnest endeavor to supply our Sunday schools with our own books and periodicals, which we believe are cheaper than any others in the market, and best adapted to Methodist Sunday schools.

BOOK ACCOUNT.

WHEREAS, In order to prevent a further increase of amounts of notes and accounts, the late general conference passed a resolution urging our agents to collect outstanding notes and accounts, "and that any one who will not settle satisfactorily, if a preacher, be reported to his conference by them without exercising further forbearance; and that the book agents and managers of depositories report to each other delinquents, so that none can get credit at other places when at one credit is refused." Therefore,

Resolved, That we urge all our brethren to promptly settle all their accounts with the book concern, and that the agents are requested to report to the conference all who fail so to do.

Resolved, That we are highly gratified with the election of Dr. W. P. Stowe to the agency of the Western Methodist Book Concern.

C. W. AYLING, *Chairman*.
THOMAS H. PRYOR, *Secretary*.

SANCTITY OF THE SABBATH.

The Sabbath is a divine institution, and its claims as a day of hallowed rest are based upon the necessities of man's nature and

1881

the teachings of the sacred scriptures. Whatever may be our station in life, it is a duty we owe to ourselves as physical and spiritual beings to remember the Sabbath as a day of rest. Therefore, the desecration of the Sabbath by our people tends to corrupt morals and endanger our free instutions.

If our government is perpetuated as a Christian Republic, as American citizens, we must respect the Lord's day. If we fail to stand by the Sabbath, our country will fall into barbarism and the sun of our prosperity will set in darkness. With a faithful observance of the Sabbath, Christianity will stand—without it, it will fall. Therefore love to God, to ourselves, and our country, will ever prompt us to remember the Sabbath-day to keep it holy.

Resolved, 1st, That the custom which makes the Lord's day one of dissipations by social visiting, amusements or mere rest from secular pursuits, is to be deeply deplored.

Resolved, 2d, That we will not fail to faithfully preach on the subject and by all possible endeavor labor to awaken a more healthful sentiment among all the people, and as far as possible induce them to observe the sanctity of this holy day in every department of the nation.

A. S. ATHERTON, *Chairman.*
M. A. HEAD, *Secretary,*

TRACTS.

1. We regard the distribution of tracts as a most important department of our work.

2. Many have been led to the light through their instrumentality.

3. Their judicious use is always productive of great spiritual growth; therefore

Resolved, 1st, We will observe the Disciplinary plan, and present this claim early in the year to all our congregations.

2d. We will supply ourselves with tracts, and will distribute them where they will do the most good.

3d. To the end that our people may have the much needed knowledge of our mission-fields, we will obtain and distribute Missionary Tracts; praying God that our people may be thus enlightened, and that there may be a consequent increased liberality toward this great cause.

B. APPLEBEE, *Chairman.*
D. AYERS, *Secretary.*

SUNDAY SCHOOLS.

1. The Sunday School is and should be the training school of the Church.

2. The vital doctrines of our Christianity, as taught by the Methodist Episcopal Church, are not as persistently impressed upon our youth as they should be.

3. The so-called "Cheap Sunday School Literature" is a sad hindrance to rapid and permanent spiritual growth; therefore

Resolved, 1st, We recommend to our teachers an increased zeal in their important work; and to our preachers, that they carefully observe all the rules respecting the instruction of children.

2d. We recommend the constant use of our Church Catechism and especial instruction in the history and polity of Methodism.

3d. That the Sunday School requisites published by our Book Concern are the very best, consequently the cheapest; and we urge that they be used instead of any and all others.

A. APPLEBEE, *Chairman.*
D. AYERS, *Secretary.*

USE OF TOBACCO.

WHEREAS, The use of tobacco is a habit heathenish in origin and evil in its effects, and as the cost of this foolish and useless habit in the United States is more than the expense of maintaining all the churches, schools and charitable institutions of the country, therefore,

Resolved, That this is an evil that ought to be combatted by all Christian men and women, and especially by preachers of the Gospel, and we promise to be clean from the filthy thing, and will earnestly endeavor to get others to abstain from its use.

Resolved, That we re-affirm the action of our conference in past years, and we respectfully request our presiding bishop not to transfer to this Conference or appoint to a district in it any man addicted to its use, except upon his pledge to abstain therefrom.

Respectfully submitted,
W. H. HITCHCOCK,
CHARLES DAVID.

WOMAN'S HOME MISSION WORK.

STATE OF THE CHURCH.

We rejoice in the general prosperity of the church, and believe under the leadership of Almighty God it is rapidly going on to final victory.

And yet we believe if our ministers and people were to become more thoroughly acquainted with the Word of God and the requirements of the discipline of our church, our triumph would become more certain and glorious.

We also deprecate the growing indifference for and consequent neglect of the means of grace, especially the class and prayer meetings by many of our people. Therefore,

Resolved, That as ministers we will urge upon our people more earnestly and faithfully the necessity of studying the Bible, and also of becoming acquainted with our book of discipline, and that we will endeavor to have our people attend more regularly all the means of grace.

Resolved, That we reiterate the resolution of last year, that while we urge the utmost courtesy and good will toward other denominations, and while under given circumstances union services are desirable, yet we recommend to our members and ministers to manage their own meetings and to enter into union efforts only when they will not interfere with our regular or special services.

Resolved, Where ministers of the M. E. Church, local or itinerant, violate the instructions given by the Conference last year relative to holding meetings in the bounds of our charges without the consent of the presiding elder and pastors and official boards of such charges, that we recommend that the evidence of such violence of such instructon be a bar to the passage of character of such persons.

J. D. CALHOUN, *Chairman.*
H. C. BIRCH, *Secretary.*

DISTRICT CONFERENCE RECORDS.

Your committee to whom was referred the district conference records would submit the following report:

The records of Macomb, Rock Island, Wenona and Monmouth districts have been examined by us, and we are pleased to report them in good condition in all respects. So perfect indeed are they, that we have no suggestions to offer, except that these secretaries "be not weary in well doing." We think it important that every district having a district conference organization should send forward their records to the Conference for examination.

B. F. TALLMAN, *Chairman.*
F. M. CHAFFEE, *Secretary.*

BIBLE CAUSES.

Your committee on the American Bible Society beg leave to report:

That we find evidence from the reports that have been placed in our hands of continued and even increasing activity and success in the great work of Bible distribution the past year. More copies of the whole Bible have been published during that time than in any previous year, with one or two exceptions; and a larger work of distribution among the destitute of our own land of every nationality, has been effected through the vigorous colportage system now in vogue. The foreign work is also constantly expanding, until it now reaches almost every quarter of the globe. The missionary work in papal and pagan lands being largely indebted to this society for timely and liberal supplies. In view of this home and foreign work so vital to all Evangelical and Christian effort, therefore,

1881

Resolved, 1st. That we most heartily commend the American Bible Society anew to our churches and to our people.

Resolved, 2d. That we will cordially co-operate with the Parent and Auxiliary Bible Societies in our respective fields of labor.

Resolved, 3d. That we will see that collections are taken up annually in our several charges and reported according to the provisions of the discipline.

WHEREAS, In her discipline she forbids the buying, selling or using intoxicating liquors as a beverage, the signing petitions in favor of licensing dram-shops, or becoming bondsmen for persons engaged in such traffic; and the renting of property as a place in which to manufacture or sell intoxicating liquors; and,

WHEREAS, It makes it the duty of the pastor to appoint a committee on temperance, and to meet it at least once every three months, to consider the best means to be employed in promoting the cause of temperance in the community; and,

2d. The distribution of the publications of the National Temperance Association of New York.

3d. The ministry of the gifted and Godly women of the churches in the work of temperance, and in their holy crusade against the liquor traffic. Therefore,

Resolved, 1st. That we heartily endorse and will endeavor to carry out the principles and plans of the church on this great question.

Resolved, 2d. That in the pulpit and on the platform, through the press and in politics, we will not only exert our personal influence, but will also encourage all good men to attend the primaries and secure the nomination of temperance men.

Resolved, 3d. That we sympathize with the National Woman's Christian Temperance Union in its effort to secure a temperance day in the week of prayer.

Resolved, 4th. That we endorse by precept and practice the

movement to devote the thirteenth Sunday of every quarter to the study of this question in our Sunday schools.

THOMAS DONLY, *Chairman*,
E. MCCLISH, *Secretary*.

WOMAN'S FOREIGN MISSIONARY SOCIETY.

WHEREAS, The success of missionary enterprise depends largely on the conversion of heathen women; and heathen women can be best reached by women; and since the Woman's Foreign Missionary Society does both reach and save them; and,

WHEREAS, The dissemination of missionary literature is a valuable aid to the missionary work, and the Woman's Foreign Missionary Society furnishes to the church a large amount of such literature; and,

WHEREAS, The missionary work has a salutary reflex influence on the women of the church; therefore,

Resolved, 1st. That we encourage the formation of Woman's Foreign Missionary Societies in all our charges.

Resolved, 2d. That we will not only do all in our power to help organize such societies, but contribute to the best of our ability towards making them a success.

FREEDMEN'S AID SOCIETY.

WHEREAS, The conviction is quite general that the educational wants of the freedmen and poor whites of the South are not provided for by their own people in their midst, it becomes a necessity in order to help them to a higher degree of intelligence and moral worth, that the people of God do this work, and upon us as a church rests a large share of this responsibility; therefore,

CHARGE IV—INSUBORDINATION.

pure gospel will not be preached within twenty miles of here to-morrow," (meaning the Holy Sabbath).

Specification 2d.—The said C. W. Sherman, did in the said meetings in Abingdon, Ill., sometime during the month of April, 1881, utter the following false and slanderous Words, or words to the same effect, viz.: "The Ministers of Abingdon are opposed to holiness, because they are sectarian, and want to take care of their parties rather than to save souls."

Specification 3d.—The said C. W. Sherman, did some time in April, 1881, in the said meetings in Abingdon, Ill., utter the following false and slanderous words, viz.: "The churches of Abingdon are like whited sepulchres, full of dead men's bones."

W. Sherman) was cleared; and further, that the Bishop told J. W. Haney, to tell him (Sherman) that, as his case had gone by default, he should apply to his Presiding Elder for work," which statements are false.

MEMOIRS,

REV. ANDREW JACKSON JONES

was born in Wayne County, N, Y,, October 10, 1828, His parents were Christians. He often spoke of his devoted Christian mother with fond and filial affection.

At the age of 20 years he made a profession of religion, and very soon began to have strong convictions of duty to preach the Gospel. He was licensed to preach by the Rock Island Quarterly Conference in the summer of 1855, and at the next session of the Rock River Conference, held in Rock Island September, 1855, he was admitted as a probationer in said conference.

He was ordained a deacon by Bishop Scott, and an elder by Bishop Janes. His fields of labor have been, Illinois City, Toulon, Chillicothe, Brimfield, Smithville, Peoria Circuit, La Salle, Utica, Tonica, Agent of Hedding College, Herman, Selma, Phelps Chapel and Varna and La Prairie Center. At the last session of our Conference he asked for and received a superannuated relation. A vacancy occurring at Council Grove, Kansas, by the resignation of Rev. B. V. Denning, the pastor, in the hope of being bene-

1881

fitted in health by a change of climate, he accepted an invitation to fill said vacancy, and in six short weeks from the time he commenced his work in Council Grove, his work on earth was finished. Under very severe physical suffering, he preached three times and rode twelve miles on the last Sunday before he died.

As a man he was amiable and sociable to a high degree, and as guileless as a child. As a preacher he was useful rather than brilliant. In the exposition of the Holy Scriptures he was clear and sound. As a pastor he was diligent and faithful. In his religious life he was humble, devout, and constant. He left no "dying testimony," nor was it necessary. Those who knew him in life knew that he could but "die in the Lord." "He sleeps in Jesus and God will bring him with Him,"

REV. ANDERSON MEYERS

was born in South Carolina, and converted at the age of 20 years while attending a camp meeting in Green County, Tennessee. He was licensed to preach in the year 1850, and entered the Southern Illinois Conference of the M. E. Church, from which he took a certificate of location at his own request in the year 1866. Having spent a few years in the State of Kansas, hoping it might be beneficial to his wife's health, and failing to realize his hopes in this respect, he returned to Illinois in the fall of 1875 and became identified with the pastoral work of our Conference, filling charges left to be supplied. He was a located elder. The charges supplied by him in our Conference are New Windsor, Cleveland, Osco, and Kingston. At this last place he died during the month of last August in great peace, and has gone to his reward on high. His character and life manifested a noble and beautiful type of Christian manhood,

BISHOP E. O. HAVEN, D.D., LL. D.,

was born in Boston, Mass., November 1, 1820; graduated at the Wesleyan University, Middleton, Conn., in the year 1842; was elected President of Amenia Seminary in the year 1846, having spent three years previous in the same school as teacher. He entered the New York Conference of the M. E. Church in the year 1848, and was stationed in Twenty-Fourth Street Church, New York City, and filled other important charges in said Conference. He was called to the professorship of Latin in the Michigan University in the year 1853, and in the following year was transferred to the chair of Rhetoric and English Literature in the same school, which he filled for two years with marked acceptability.

In 1856 he was elected editor of *Zion's Herald*, and continued in this work for several years, during which time he was appointed a member of the Board of Education for the State of Massachusetts, and also served two terms in the Senate of the same state.

He received the degree of Doctor of Divinity from Union College, New York, and that of Doctor of Laws from the Ohio Wesleyan University.

In 1863 Dr. Haven was elected President of the Michigan University, and during the six years of his relation to this school as president, it was doubled in attendance and resources. From 1869 to 1872 he served as president of the Northwestern University, at Evanston, Illinois, where his services were of great value to the cause of Christian education. In the year 1872, the General Conference elected him corresponding secretary of the Board of Education of the M. E. Church. In 1874 he was elected Chancellor of Syracuse University, and gave indications of his efficiency in this department of the Master's work.

He was elected one of the bishops of the M. E. Church at the last General Conference, and at the time of his lamented death he had been but a few days more than fourteen months discharging the duties of that office. Bishop Haven was prostrated about the last of June with bilious remittent fever, and died in great peace at Salem, Oregon, in the afternoon of August 2, A.D. 1881.

As a preacher, writer and scholar Bishop Haven had few equals, and as an educator, in ability and success, he was pre-eminent. His character and labors are a precious legacy to the church, and his memory is as ointment poured forth. "He rests from his labors and his works do follow him."

PRESIDENT JAMES A. GARFIELD.

For the second time in our history the chosen chief magistrate of the nation has fallen by the hand of an assassin. In view of the Christian character of the late President it is peculiarly appropriate that we should, as a body of Christian ministers, place upon our journal a permanent record of high appreciation of him as a man and Christian statesman. The life of this illustrious statesman presents to the American people an example worthy the most careful study. He was a typical American. Touching all conditions of life he was pre-eminently a "man of the people." Born in poverty, when less than two years old left fatherless, by his own heroic exertions aided only by the advice and encouragement of an intelligent Christian mother, at the age of twenty-five years he had acquired an intellectual culture truly marvelous. His public career presents one feature of so marked a character as to deserve especial mention, viz: The absence of all self-seeking. From State Senator to the Presidency every position he held came to him while he was laboring to secure it for some one else, and

1881

these places of honor and public trust were never prostituted to any selfish or base uses. But the crowning glory of his life was that from his youth he was a Christian and never hesitated in any presence to confess it. Amid all the evil influences incident to public life he never dishonored his Christian profession. It is meet that the nation should mourn, and still more that his memory should be cherished as a precious treasure. Therefore,

Resolved, That in the life of James A. Garfield, late President of the United States, we recognize a tenderly affectionate and dutiful son, a faithful and devoted husband, a wise and loving father, a gallant and patriotic soldier, a scholarly, unselfish statesman, of commanding ability, tried and true.

Resolved, That we cherish the hope and will earnestly pray that this illustrious example of purity and fidelity in the family relations may exert a powerful influence for good among all the people in time to come, and that the unselfish life of the dead Garfield may be studied and imitated by all our public men, or who may aspire to public honors and a position.

Resolved, That we tender our heart-felt sympathies to the widow, children and mother of the martyred President, and we pray that the all-sufficient grace of the Gospel may be their continued support.

† It is evident that the pastors of Cameron, Moline, Normal, Cropsey, Deer Creek and Gilman reported all their members as probationers and then again as members, thus increasing the number of probationers 841, beyond the true number. Also that the pastor at Wataga reported members as probationers, thus increasing the number of probationers 145 and deducting the same number from the total of members. Deducting 986 from the total of probationers leaves 1,377 as the true number, and adding 145 to the members, gives 21,140 as the true number. (EDITORS.)

* The claims as shown by the above footings are $131,451, the receipts $120,290, and the deficiencies $7,263. The receipts subtracted from the claims would show a deficiency of $11,161, making a discrepancy of $3,898. But the pastors at Smithville, Terre Haute, Moline, Iroquois and Loda reported in the aggregate $4,211 claims, but neither receipts nor deficiencies. Subtracting this amount from the $11,161, we have a remainder of $6,950, being $313 less than the deficiency shown by the footings. This seeming error is explained by the fact that Galva, La Prairie, New Boston, Pre-emption, Selma and Strawn paid in the aggregate $313 more than the reported claims. (EDITORS.)

REPORTS.

EDUCATION.

1. THE BOARD OF EDUCATION.

It gives your committee great pleasure to be able to state that this Society is doing a great and good work, having already assisted eight hundred students, representing sixty institutions of learning whose patronage has been increased, and whose influence has been extended, thus greatly advancing the interests of humanity and increasing the power of the kingdom of Christ.

Children's Day was very largely observed the past year with gratifying results. We heartily approve the sentiment of the Ecumenical Council in London: "Let one day in every year be faithfully observed as Children's Day." With great pleasure we commend this Board to the still greater sympathies, prayers and benefactions of the Church.

Resolved, 1st, That we will observe Children's Day in all our charges and take collections for the Board of Education.

Resolved, 2d, That we will preach upon the subject of education, and remember the Board and its great work in our prayers.

The Department of Literature and Art is now in condition to do much better work than ever before.

A large room has been fitted up for the Library, and the students have daily use of the books. Cases have been provided for ten thousand volumes, and donations of books are solicited.

The Museum has been placed in rooms newly fitted for its reception.

The Laboratory has been much improved, and a large amount of apparatus supplied.

The College of Law retains its able faculty and offers facilities in this department equal to the best in the land.

The College of Commerce has just closed a year of unusual prosperity. A class of over thirty graduates are proving in practical life the superior advantages of this department of the University.

The Ladies' Boarding Hall affords an excellent home for a large number of young ladies at a remarkably low rate.

We rejoice in the marked prosperity of the University and commend it to the prayers and support of all our people. We recommend the election of the following persons as trustees for three years: O. T. Reeves, D. T. Douglass, G. R. Palmer, J. B. Ayers.

And the following as visitors: W. M. Collins, C. O. McCulloch, U. Z. Gilmer, E. Wasmuth, E. McClish, J. W. Denning.

3. HEDDING COLLEGE.

According to information received by the committee this institution is in a hopeful condition. At the last meeting of the Board of Trustees, held June 8th, 1882, a change was made in the administration of the College. President G. W. Peck having resigned, Rev. J. S. Cumming, A. M., was elected President and was requested to spend as much time as possible in canvassing the patronizing territory in the interest of the College. He entered at once upon the duties assigned him.

The financial condition of the College is not so embarrassing as it has been.

By a compromise with Mr. S. Givens, who bought the claim against the College held by G. M. Foote, that claim amounting to $15,000, has been settled for $8,800, to be paid on the 22d day of September, 1883.

The present indebtedness of the College is $13,800, and to meet this there are notes and reliable subscriptions amounting to $6,000, leaving a balance of $7,800 to be provided for.

There are encouraging prospects of help in the endowment of the College when the debts have been paid.

The Fall term opened favorably, one hundred and eight students having been registered.

The Professors are doing satisfactory work in their respective departments.

Madison Reece, M. D., has been secured as lecturer on physiology and hygiene, and will once in two weeks lecture before the students.

We recommend the appointment of Rev. J. S. Cummings, A. M., as President, and Rev. L. G. Cochran, A. B., and Rev. W. H. Slingerland, M. S., as Professors in Hedding College. Also the appointment of the following persons as trustees for three years: A. K. Tullis, B. E. Kaufman, W. Woolley, F. M. Chaffee, J. Wilkinson, M. D., G. W. Butters, J. G. Walker, W. Andrews. Also W. M. Collins to fill the vacancy caused by the resignation of G. W. Miller, and John Mosser to fill the vacancy caused by the resignation of P. M. Shoop.

We also recommend the appointment of the following members of the Conference as visitors: C. O. McCulloch, J. H. Sanders, R. G. Pearce, G. M. Morey, J. E. Keene.

4. GRAND PRAIRIE SEMINARY.

The Grand Prairie Seminary, Commercial College and Conservatory of Music has had another prosperous year. It graduated last year from the Seminary eleven and from the Commercial College twenty-six. The attendance during the past year was 203. President Robinson and an efficient faculty are keeping up the excellent reputation of the school. The Fall term has opened with the attendance of last year and the Winter prospect is still more favorable as indicated by the financial success in crops in the patronizing territory.

The Seminary has pressing need of repairs, improvements, a boarding hall and a large endownment. The time is near when an agent must canvass for these objects.

The trustees respectfully request the appointment of Rev. J. B. Robinson, D. D., President for the ensuing year, and your committee heartily second the request. We also recommend as Conference Visitors for the coming year the following brethren: Rev. H. M. Laney, Rev. J. B. Dille, Rev. Wm. Underwood, Rev. J. Wilkinson, Rev. L. Springer.

5. NORTHWESTERN UNIVERSITY.

From the report of the Trustees of this Institution we learn that the past year has been one of peace and prosperity under the presidency of Rev. Joseph Cummings, D. D., L. L. D.

Financially, the outlook is most encouraging. Through the effort of Rev. R. M. Hatfield, D. D., Agent, assisted by the President, one hundred thousand dollars ($100,000) have been raised and paid on indebtedness, and there is good prospect that the balance of the indebtedness will soon be liquidated. We recommend the re-election of Rev. R. D. Russell as Trustee of this Institution.

1882

6. GARRETT BIBLICAL INSTITUTE.

We are pleased to note from the annual report of the Trustees and Faculty of the Garrett Biblical Institute that the attendance during the past year has been in advance of previous years. Every State in the Northwest was represented, with quite a number from the Middle and Eastern States. The graduating class numbered twenty-one. The Staff of Instruction has been re-inforced by the addition of Rev. Henry Ridgaway, D. D., to the chair of Historical Theology—one-half of his salary for two years being guaranteed by a devoted friend of the Institution. The mortgage debt has been largely reduced during the year. Two sons of a deceased minister propose to place the income of ten thousand dollars ($10,000) at the disposal of the institution, to be appropriated in the form of scholarships to students who are preparing for mission work, either in foreign or domestic fields.

We recommend the appointment of Rev. D. T. Wilson and Rev. W. C. Knapp as Conference Visitors to this Institution.

G. W. ARNOLD, Chairman,

U. Z. GILMER, Secretary.

TEMPERANCE.

The 3d, 4th, 5th, 6th, 7th and 8th resolutions of the following report were not submitted by the committee, but were offered by J. W. Haney and J. S. Millsap and adopted by the Conference.—ED.

WHEREAS we firmly believe the liquor traffic to be an unmitigated curse to our nation, a malignant foe to Christianity and a despoiler of home and happiness; therefore,

Resolved 1st. That we hail with joy the present agitation of temperance issues as marking a desired era in reform; and we do heartily endorse the action of the States of Kansas and Iowa in adopting prohibitory amendments to their constitutions as being the true basis of temperance reform.

Resolved 2d. That in the pulpit, on the platform and through the press we will exert our personal influence for temperance, and we will assist in the circulation of petitions among the people, praying our Legislature to submit a prohibitory constitutional amendment to a vote of the electors of the State of Illinois.

Resolved 3d. That, in view of the great iniquity of the liquor traffic, the wrongs and evils it perpetrates upon society, we are uncompromisingly in favor of placing a prohibition upon the manufacture and sale of alcoholic beverages, in the organic laws of the land, and we will not cease our efforts until constitutional prohibition, both *State and National*, shall be secured.

Resolved 4th. That the sovereign people of the State of Illinois, in adopting the present State constitution, reserved to them-

selves the right of amending that instrument as in their judgment the general welfare and happiness of the people might require; and any effort upon the part of politicians to deprive the people of the right of giving expression at the ballot box upon the proposed prohibitory amendment, is a usurpation of power that ought to be promptly rebuked.

Resolved 5th. That the action of the recent State convention of the Republican party, by which said convention refused, by a vote of five to one, to sanction the submission of a prohibitory amendment to a vote of the sovereign people, was one in which those professed representatives of the people assumed that the people have no rights that the politicians are bound to respect; and that the declaration made by the late Democratic State convention that "The prohibition, by the constitution or general laws, of the manufacture and sale of vinous, spiritous or malt liquors would be in violation of individual and personal rights and contrary to the principles of free government," is utterly erroneous and mischievously misleading. The proposed amendment infringes upon no man's rights, personal, social or civil.

Resolved 6th. That no party that attempts to suppress the voice and vote of the sovereign electors of our commonwealth is worthy of the support of a free and intelligent people.

Resolved 7th. That we cannot consistently vote for any man for office, State or National, who is not a pronounced prohibitionist.

Resolved 8th. That the proposition which has been made in the United States Senate to devote the national revenue from the liquor traffic to the support of the cause of education, merits and receives our unqualified condemnation, as wrong in principle, mischievous in results and an insult to our Christian civilization.

Resolved 9th. That we are in hearty sympathy with the noble self-sacrificing women of the WOMAN'S CHRISTIAN TEMPERANCE UNION in their local work of suppressing saloons and drinking customs.

Resolved 10th. That as a Conference we are gratified with the record of the *Northwestern Christian Advocate* on the temperance question, and hope for the continuance of its ringing utterances in this issue now upon us as a people.

S. BRINK, Chairman.

A. C. CALKINS, Secretary.

SUPPLEMENTAL REPORT ON TEMPERANCE.

Your Committee, to whom was referred the communication from the Illinois State Temperance Union inviting the appointment of five delegates to the annual meeting of that body, would designate as such delegates the following persons, namely: W. Underwood, S. Brink, A. C. Calkins, J. G. Evans and J. W. Haney.

S. BRINK, Chairman.

A. C. CALKINS, Secretary.

1882

TOBACCO.

In spite of the continuous war against the use of tobacco, its consumption seems to be on the increase. We greatly deplore this wicked waste of the Lord's money and continued use of the article by ministers and members of our church. God's cause is most sadly crippled by the lack of generous contributions; yet many members of our church spend more for tobacco than they pay for the support of the Gospel of Christ; therefore,

Resolved, 1st, That we will give the full weight of our influence, both by precept and example, against this evil.

Resolved, 2d, That we re-affirm our former action, that we will not receive any man into our Conference who is addicted to the use of tobacco.

Resolved 3d, That we enter our solemn protest against the sale of tobacco on our camp grounds, and respectfully request the trustees to exclude it therefrom.

J. W. Denning, Chairman.

Thomas Chipperfield, Secretary.

BOOK CONCERN AND PERIODICALS.

Resolved, 1st, That the interests of the Methodist Episcopal Church demand that our own official periodical literature should be publicly commended and diligently circulated in preference to all publications of whatever title, grade or economical pretensions.

Resolved, 2nd, That a large part of our responsibility as pastors consists in the faithfulness with which we enlarge the circulation of our own church papers.

Resolved, 3d, That the *Northwestern Christian Advocate*, with its able editorial management by A. Edwards, D. D.; its thoroughly religious tone; its bold stand in favor of prohibition; its prospective mechanical improvements; its fearless advocacy of everything Christian; its extraordinary low subscription price, and its situation in a most important and growing western metropolis, is our own Conference and church organ in a sense in which no other paper is or can be.

Resolved, 4th, That our Sunday School papers and lesson helps, notwithstanding the claims of outside parties to undersell our publications, are by far the safest and best, and hence the cheapest Sunday School publications that can be put into the hands of pupils and teachers.

J. B. Dille, Chairman.

C. W. Ayling, Secretary.

FREEDMEN'S AID.

1. An increasing interest in the work of the Society is manifested by the unprecedented increase in the amount of the collections, being fully double that of last year.

2. We recognize in the ignorant masses of the old slave territory, both white and colored, a most dangerous element in our national politics, as well as a standing barrier in the way of, and a rebuke to, our Christian civilization.

3. And as the Freedmen's Aid Society, without distinction of color, race or previous condition of servitude, proposes to enlarge its agencies for education and Christianization; therefore,

Resolved, That we will do all in our power to collect the full amount apportioned to our Conference next year.

W. A. CUMMING, Chairman.

J. J. WALTER, Secretary.

SANCTITY OF THE SABBATH.

WHEREAS, The law of God, which is of perpetual force and authority, commands the observance of the Sabbath as a day of rest from secular pursuits, and requires the devotion of its hours to religious worship and meditation; and,

WHEREAS, All history bearing upon this subject has demonstrated the utility of the Sabbath, civilly, socially and morally, its observance conserving every interest dear to man; and,

WHEREAS, There is an increasing disregard of the sanctity of the Sabbath on the part of many professed Christians. who spend the day in pleasure seeking and willful absence from the house of God; and,

WHEREAS, There is an avowed purpose on the part of the socialistic, infidel and foreign elements in our land to secularize God's holy day and make it a day of dissipation and ungodliness; therefore,

Resolved, 1st. That we will faithfully stand by our former action as a Conference upon this vital question; that we will publicly oppose all manner of Sabbath desecration; that we will from our pulpits urge obedience to God's command to "Remember the Sabbath day to keep it holy" and pledge ourselves to use our influence with municipal authorities to secure the enforcement of our civil statutes upon this subject.

Resolved, 2d. That we will maintain our consistency by protesting against all unnecessary traffic at our camp-meetings, such as the sale of tobacco and other unnecessary, if not harmful, articles.

S. G. J. WORTHINGTON, Chairman.

W. H. WITTER, Secretary.

1882

SUNDAY SCHOOLS.

The design of the Sunday School is to give religious instruction and correct ideas of the doctrines of the Church, and hence the importance of introducing into all of our Sunday Schools the literature of the Church for which we would have our children and young people prepared; and,

WHEREAS, The so-called cheap literature is found in some of our schools; therefore,

Resolved, 1st. That we will use our influence to secure in our Sunday Schools the use of our own church literature.

Resolved, 2d. That we will take the Sunday School collection and give the work such attention as its importance demands.

D. AYERS, CHAIRMAN.

M. V. CRUMBAKER, Secretary.

TRACTS.

WHEREAS, The Tract Society is one of the various benevolences to which all our members promise to give, and for which a collection is required by the discipline; and,

WHEREAS, Tract distribution has been an efficient means of reaching the masses in our cities and towns who seldom attend religious services; therefore,

Resolved, That we will faithfully present the claims of the Tract Society in all of our churches.

D. AYERS, Chairman.

M. V. CRUMBAKER, Secretary.

STATE OF THE CHURCH.

We rejoice in the general peace and prosperity of the Church. During the past year there have been gracious outpourings of the Spirit and a blessed revival influence upon many charges, resulting in a healthy growth in piety and membership.

All the districts in the Conference have camp meeting associations, and much has been done during the year in the way of neat and permanent improvements upon the grounds owned by these associations. The meetings held during the past Summer have been greatly blessed in the salvation of souls and quickening of the Church.

The educational institutions connected with the Conference have been doing an excellent work in imparting to our young people a Christian education. The Illinois Wesleyan University,

Hedding College and Grand Prairie Seminary have all been centers of religious influence, and the Church cannot place too high an estimate upon these institutions in view of their grand work in sending out so many earnest Christian young men and women with cultured minds to be leaders in maintaining the varied interests of the Church.

Much of the strife and bitterness formerly existing in some localities has passed away, and our people are more united in their efforts to reach a higher attainment in their religious experience.

We urge our ministers and Sunday School teachers to continued faithfulness in teaching the doctrines of our Church as set forth in the Articles of Faith in our Discipline.

We trust that our ministers and people will be loyal to church authority and cheerfully and heartily work as the Church recommends to advance every interest of our common Methodism.

M. A. Head, Chairman.

W. W. Carr, Secretary.

CONFERENCE CLAIMANTS' SOCIETY.

This Society respectfully reports that, through the Agent, there has been raised during the year on subscription $4,204.20, by bequest $4,800. $152.38 has been paid to the Conference Stewards.

We recommend the appointment of Rev. R. Haney as Agent for the ensuing year, he having proposed to serve the Society for $500 and his traveling expenses.

We nominate as officers of the Society, S. G. J. Worthington, President; M. V. B. White, Vice President; D. T. Wilson, Secretary; W. B. Alexander, Treasurer. As a Board of Managers we nominate G. I. Bailey, C. Springer, W. H. Hunter, S. P. Alford, G. B. Snedaker, J. S. Millsap, Wm. Watson, Stephen Brink and C. C. Knowlton.

For an Executive Committee W. H. Hunter, Stephen Brink and Wm. Watson.

We also present the following resolutions:

Resolved, 1st. That we, as members of the Conference, pledge our hearty co-operation in the collection of all subscriptions left by the Agent for collection.

Resolved, 2d. That we will encourage a collection in our respective congregations to defray the expenses of the Agent.

Resolved, 3d. That the Constitution and By-Laws of this Society be published in the Conference minutes for 1882.

Resolved, 4th. That we tender thanks to Rev. C. C. Knowlton for his earnest work as Agent.

S. G. J. Worthington, President.

D. T. Wilson, Secretary.

1882

AMERICAN BIBLE SOCIETY.

In view of the fact that the American Bible Society has published more than forty million copies of the Word of God, or portions thereof, in seventy languages and dialects, thus becoming an auxiliary to the Church of wonderful power and efficiency; therefore,

Resolved, 1st. That we rejoice in the continued prosperity and efficiency of this great national Society, and most heartily commend it anew to our people.

Resolved, 2d. That we approve of the proposed plans of this Society for a fourth general canvass and supply of the whole country, and we pledge our earnest co-operation in this great work in our respective fields of labor.

Resolved, 3d. That we urge the taking of collections in all of our charges for the Bible Cause, and that the same be reported to the Conference according to the provisions of the Discipline.

J. D. SMITH, Chairman.

T. S. FOWLER, Secretary.

WOMAN'S FOREIGN MISSIONARY SOCIETY.

Whereas, The Woman's Foreign Missionary Society has fully demonstrated its importance in the great missionary enterprise, in the dissemination of missionary literature and the conversion of women in heathen lands, thus bringing heathen homes under the benign influence of the Gospel of Christ; therefore,

Resolved, 1st. That we will give all necessary encouragement to the formation of auxiliaries of said Society in our respective charges.

Resolved, 2d. That we recognize the Heathen Woman's Friend as an important means for the dissemination of missionary knowledge among the people, and most earnestly petition for it a place in every family.

J. S. Millsap, Chairman.

W. Woolley, Secretary.

METROPOLITAN CHURCH.

The General Conference of 1880 requested the Bishops to take immediate measures to relieve the Metropolitan Church at Washington City from the heavy debt that has so long embarrassed it. In the Fall of that year, at their semi-annual meeting, Rev. C. C. McCabe was selected to act as special agent for that church, and was requested to solicit subscriptions and take collections for this purpose until every dollar of the debt should be paid.

1882

At that time the total amount of indebtedness was $47,500. This has been reduced to $19,750, and upon this there are good subscriptions sufficient to bring it down to $15,000.

Inasmuch as the General Conference is morally bound to see this debt paid, we offer the following resolutions:

Resolved, That we accept the apportionment of three cents per member for the Central Illinois Conference, and that we will raise this sum upon all our charges within the next sixty days.

Resolved, That Rev. M. A. Head act as secretary of this committee and that all collections for this purpose be forwarded to him; and that he report all sums received to the next session of the Conference.

WM. UNDERWOOD, Chairman.

M. C. EIGNUS, Secretary.

MEMOIRS.

NATHANIEL CLARK LEWIS.

Nathaniel Clark Lewis was born in Mountville, New London County, Conn., Feb. 15, 1815.

He was early acquainted with Methodist doctrines and usages, his father having been a member of the first Methodist class formed by Jesse Lee in his travels in New England.

He was converted in 1831, joined the Methodist Episcopal Church, and for more than half a century honored the profession of religion by a life of undeviating rectitude.

In 1836 he began in earnest to prepare for the work of the Christian ministry, entering Wesleyan Academy at Wilbraham, Mass. In 1837 he entered the sophomore class in Wesleyan University at Middletown Conn. He graduated in 1840 and immediately engaged in teaching, which he continued until 1843, when he joined the New York Conference. After his graduation he spent fifteen years in the East, teaching and preaching. His pastorate in Litchfield, Conn., 24th Street, New York, and other places was greatly blessed. Coming to Illinois in 1855, he joined the Rock River Conference, and the year following, upon the division of that Conference and the formation of the Peoria Conference, (now Central Illinois,) he became a member of the latter.

He was the first President of Hedding College at Abingdon, Ill., and was for some time President of Grand Prairie Seminary at Onarga, Ill., and also served with acceptability many charges in Central Illinois as pastor. For the last five years he has held a superannuated relation to the Conference, his health steadily failing. His final sickness began in the early part of January last, was acute and distressing, and terminated May 28, 1882, at his home in Onarga. Throughout his illness he was patient and uncomplaining and died like the righteous in the full assurance of a blessed immortality.

His bereaved companion, to whom he was married in 1845, and who shared his toils and triumphs in the ministry for thirty-

1882

seven years, is left alone. "Alone, yet not alone, for the Father is with her."

REV. SAMUEL R. DEACH.

Rev. Samuel R. Deach was born in New Germantown, Perry County, Pa., Oct. 11, 1838. He was converted at an early age, and in the Fall of 1860 was licensed to preach while living within the bounds of the Ohio Conference. During the following year he taught school and preached as opportunity afforded. In 1861 he enlisted as a soldier in the Union army. For awhile he was second lieutenant, and was finally elected a captian. After his term of service in the army expired, he came to Illinois and lived within the bounds of the Onarga District. In 1864, P. T. Rhodes, Presiding Elder of the Onarga District, employed him as a supply on the Dwight and Odell charge, and in the fall of this year he joined the Central Illinois Conference. He was re-appointed to the Dwight and Odell charge, and during this year God gave him many souls as seals to his ministry. In 1866 he was married to Miss Susan M. Pound, of Odell, Illinois, who shared with him the trials of the ministry. In 1876 Brother Deach was obliged to resign his charge on account of personal affliction. This brought great sorrow to his heart, for he loved the work of the ministry. For some time he labored on a farm; he then went West in search of health, but only received temporary benefit. His health continued to decline until Thursday, May 4, 1882, when he bid adieu to earthly friends and went home to be forever with the Lord.

Brother Deach had a clear Christian experience, which ripened into complete trust during the last few months of his life. He leaves a wife and three children whom he commended to God and the Church he had served.

MRS. LYDIA A. BENTLEY.

Lydia A. Bentley, wife of Rev. E. N. Bentley, departed this life Friday morning, February 24, 1882.

At the age of thirteen, having previously given her heart to God, she united with the Methodist Episcopal Church. At twenty-four she was married to Rev. E. N. Bentley, and during thirteen and a half years shared with him the varied experiences of the itinerant ministry. In all her relations, in the home, the Sunday School and the Church she ever manifested the spirit of a humble, devoted, guileless and self-sacrificing follower of Christ. She met the calls of duty with conscientious fidelity and greatly endeared herself to all with whom she was associated.

Her religious life was marked by unassuming piety, earnest devotion and untiring faithfulness.

She possessed an abiding peace and buoyant hope in all her toils and sufferings. Her experience was deep and satisfactory.

She bore testimony to the power of the blood of Jesus to cleanse from all sin. Several times, during the hours just previously to her departure, she repeated with emphasis and exultation the words attributed to the sainted Cookman: "Sweeping through the gates of the New Jerusalem, washed in the blood of the Lamb."

Addressing her husband and gratefully referring to God's care over them during the years of their ministry, she said: "Preach the word of God in its purity as long as He shall give you strength." Her last moments on earth were gloriously triumphant.

MRS. MALINDA GRANT JAMES.

Malinda Grant James, wife of Rev. J. F. James, died at her residence in Fairview, Livingston County, Illinois, December 29, A. D. 1881.

She was born in Livingston County, October. 27, 1856, and was converted and joined the Methodist Episcopal Church in Streator, Illinois, February, 1876.

On the 28th day of September, A. D. 1876, she was united in marriage with Bro. James, and her relation to the Church as a helpmeet in pastoral work was always in strict harmony with all interests involved. She was a woman of sterling Christian character, with a life abounding with personal sacrifices and generous deeds—not regarding so much her own pleasure and ease as the comfort and happiness of others, rendering her a most effective co-worker in her adopted field of labor.

It seems sad, indeed, that one so young and so full of helpful service in the Master's Cause, should be stricken down by disease and death so early.

Her last sickness—*consumption*—held her in its grasp for nine long, weary months, before the fettered spirit, disburdened of its physical sufferings, escaped to its final rest. But these months of waiting were months of most valuable witnessing, by the patient sufferer, to the power of grace and the mercy of God, our Savior, in times of greatest need.

At their last Quarterly Meeting, before she died, I had a very full conversation with her concerning her probable nearness to the close of life and her preparation for death.

I was much gratified to find that her mind was unclouded and her spirit was calm; evincing at every step of the conversation a complete trust in the merits of Christ and resignation to the Divine Will. With a few friends who came with careful step, she partook of the appointed symbols of the broken body and shed blood of her Lord, for the last time. It was a moment of unutterable sorrow to the stricken husband and child, but the expressions of confidence and hope of life everlasting, that fell from her lips, gave comfort and consolation.

1882

Toward the close of her stay she would break forth in raptures of praise to Jesus, and attempt to sing.

It would be difficult to overstate the beauties of her character and life, and especially as they were the more fully exemplified in her last sickness, and at the hours of death.

Hers was a meek and quiet spirit; living, she was useful and loved by all who knew her, and dying, she was triumphant, and is at rest.

SUPPLEMENTARY NOTES.

The officers of the Central Illinois Conference Historical Society are desirous of securing for the future use of the Society, Records of Quarterly Conferences, Boards of Trustees, Leaders and Stewards Meetings, also subscription papers made for the purpose of building churches or parsonages with licenses of exhorters and local preachers, and renewals of the same. Many aged persons that will soon pass away, know much of the early history of the planting of the Church in their immediate vicinity. Gather every fact possible from this class, reduce the same to writing, bring all to the next session of our Conference and put into the hands of the custodian, where they will be most carefully preserved.

The transfers of F. Doran and G. W. Peck were not announced in open Conference, and hence no minute of such transfers is found in the daily proceedings. The Secretary did not learn to what Conference G. W. Peck was transferred until it was too late to insert it in the proper place on page 22. He was transferred to the Genesee Conference.

There are evidently other errors made in the reports by pastors in addition to those noted at the end of table No. 11, but the Secretaries dared not attempt further corrections. (EDITORS.)

REPORTS.

EDUCATION.

1. THE BOARD OF EDUCATION.

We are gratified at the increasing success and usefulness of this Board, and we will continue our support of it, by observing Children's Day, and taking collections for this cause in all our charges.

2. ILLINOIS WESLEYAN UNIVERSITY.

The past year of the University has been as successful as any in its history.

The present fall term opens with more students than for several years, and the outlook is very hopeful.

We heartily commend the President and entire Faculty as worthy of the fullest confidence of the church.

The old debt, so long a serious embarrassment, is fully provided for. A new roof has been put on the main building, and other repairs and changes add to the facilities for thorough work. The old building has been refitted, and now accommodates both the College of Commerce and the Preparatory School, thus separating the Preparatory from the College classes, which promises well for the future of the University.

We note the efficiency of the Woman's Educational Association, an auxiliary of the University, which affords to worthy young women the advantages of education at a low price, and under all the influences of the model Christian home.

We commend Mrs. O. H. Updegraff, Financial Agent of the Association, as worthy the co-operation of our preachers and people.

We recommend the Conference to appoint as Trustees of the Illinois Wesleyan University: D. L. Parker, M. C. Soule, N. N. Winslow, Wm. M. Smith.

Visitors: Wm. M. Collins, E. Wasmuth, G. J. Luckey, J. E. Keene, R. D. Russell, A. R. Morgan.

We also recommend the appointment of H. D. Clark Professor in the University.

3. HEDDING COLLEGE.

We are gratified to report a good degree of prosperity in Hedding College. During the year 1882–3 there were 184 students in attendance.

The Fall term has opened with an increase over last year.

The government of the school is satisfactory. During the year many of the students were converted to God.

Last year the Smithsonian Institute donated to the College a fine collection of fishes, and of Marine Invertebratae.

A collection of about 300 specimens in Mineralogy was also donated by one of the College Classes.

Valuable additions have been made to the Laboratory and Library. Over $19,000 have been secured in pledges to pay the debts, and at the last moment the Trustees have succeeded in making settlement with the chief creditor, by which the building and grounds are freed from mortgage.

Probably about $500 is needed to cover shrinkage in collecting pledges. This amount President Cumming has assumed. Thus provision has been made, we trust, for the entire indebtedness that has so long embarrassed the College.

Your Committee commends this school to the earnest consideration and financial help of the preachers and people of the Conference.

We also recommend the election of the following as Trustees: Revs. R. G. Pearce, G. B. Snedaker, J. E. Williams, Wm. M. Collins, and Messrs. Thomas Newell, John Prickett, J. B. Ridenour, J. B. Smith. We recommend the appointment of Dr. Henry Tubbs, of Kirkwood, in place of M. Andrews, resigned. We recommend as Vistors: W. B. Alexander, J. Wilkinson, T. P. Henry, C. O. McCulloch, J. S. McCord.

We also recommend the appointment of J. S. Cumming President, and L. G. Cochran Professor in Hedding College.

4. GRAND PRAIRIE SEMINARY.

The School has had, in the Providence of God, another year of cheering prosperity. It has enrolled 225. In June, 1883, it graduated 27, of whom 9 were from the Seminary, and 18 from the Commercial College.

We have no debt, yet we have pressing wants. We need two buildings, one for a Boarding Hall, and one for a Conservatory. We also much need increased endowments. Our Faculty is not so well paid as justice demands.

We insist upon a better co-operation of our ministers and official members in securing us patronage. Too many in our territory are permitted to drift off to non-Methodist and non-Christian schools.

The new Director of the Conservatory of Music, Professor

Frank Hermans, B. M., is a Christian gentleman and an efficient teacher.

The Normal department furnishes opportunity for the drilling and preparation of teachers.

Several valuable additions have been made to the teaching force of the Seminary.

President J. B. Robinson, D. D., having completed his six years' contract with us has been re-elected, and his appointment by the Presiding Bishop is hereby requested.

The appointment of the following Visitors is desired: B. F. Tallman, H M. Laney, C. O. McCulloch, Eli McClish, and F. M. Chaffee.

5. NORTHWESTERN UNIVERSITY.

We take great pleasure in reporting that there is prosperity in all the departments of the University. An additional $100,000 has been raised, thus extinguishing the debt. We recommend the appointment of J. W. Haney as Trustee.

6. GARRETT BIBLICAL INSTITUTE.

We are gratified at the increasing power of Garrett Biblical Institute for good, and we recommend to all our young men who contemplate entering the ministry that they take a thorough course of training in this our school of the prophets. We recommend M. C. Bowlin and R. G. Pearce as Visitors.

U. Z. GILMER, Chairman.

S, VAN PELT, Secretary.

BOOKS AND PERIODICALS.

We have had another year of prosperity, and financial success in our publishing interests.

But while the year in some respects has been the best and most encouraging, we are fully convinced that a much better showing might be made, providing all our churches would patronize our own publications, both in the Sunday Schools and families of our churches; therefore,

Resolved, 1st. That we recommend to all our people our books and periodicals, and that we will use our influence as ministers to put our books and papers into the hands of the people of our respective charges.

2d. That we most heartily endorse the *Northwestern Christian Advocate*, approving of the Editor's course as proper and commendable on all the important questions of the day, and specially do we endorse his out-spoken and frank utterances on the temperance question. And that in our judgment the *Northwestern Christian Advocate* was never better adapted to the family than at present, and would be a great help in spreading scriptural

1883

holiness over these lands, could it be introduced into every family in our bounds.

3d. That we not only recommend, but insist on all our Sunday Schools using our journals and lesson leaves, and Sunday School papers, in preference to the corresponding helps published by others, believing our own publications to be better adapted to our Sunday Schools than any others.

M. V. B. WHITE, Chairman.

J. E. WILLIAMS, Secretary.

SUNDAY SCHOOLS.

The Sunday School, in which the young are taught the great truths of the Gospel of Christ, is a very important part of Church work; and in order to prevent the children of Methodist families from being lost to our communion it is very necessary that they receive proper instruction and sound Methodist literature; therefore,

Resolved, 1st. That we believe it to be our duty, and we will use our influence, to provide our Sunday Schools with our own literature.

Resolved, 2d. That we will not encourage the establishment of so-called "Union" Sunday Schools in our churches or congregations, believing that we can do the work of the Church better under our own system and by our own teachers.

Resolved, 3d. That we will endeavor to enlist our people more constantly in Sunday School work, so that the children may have that religious culture which is demanded by their needs, and which the ability of a devoted Church is fully able to supply.

C. W. AYLING. Chairman.

D. MCLEISH, Secretary.

TRACTS.

WHEREAS, The Tract Society is an enterprise of the Church by which a large amount of religious truth has been gratuitously circulated among the masses, accompiishing much good; therefore,

Resolved, That as the circulation of tracts was, in the early days of Methodism, blessed of God, in the salvation of souls, we will urge the Committees on Tracts in our charges, to see that the people are supplied with the publications of our Tract Society.

C. W. AYLING, Chairman.

D. MCLEISH, Secretary.

STATE OF THE CHURCH.

We are glad to learn from the reports of the Presiding Elders, and other sources of information, that our Church has made important advancement during the past year in many respects.

One of the most encouraging is in the educational interest. Old and embarrassing debts have been paid, and the institutions of learning in our bounds are placed upon a firm, financial basis, and are in a healthy condition in every other respect.

With but few exceptions, the spiritual condition of the Church within the bounds of the Conference, is most excellent. The spirit of revival has prevailed to some extent in all the charges, and peace and good will abound among our people, but there is room for advancement, and we trust that the churches will make renewed exertions to increase the interest in all the material and spiritual work of the kingdom of our Lord Jesus Christ.

J. D. SMITH, Chairman.

M. V. B. WHITE, Secretary.

WOMAN'S FOREIGN MISSIONARY SOCIETY.

WHEREAS, The Woman's Foreign Missionary Society has accomplished much good in helping to give the Gospel to the world in calling the sisters in our Church into successful work for Christ; therefore,

Resolved, That it is our duty as pastors to encourage and aid as far as possible all the auxiliaries of said Society.

J. B. DILLE, Chairman.

D. G. STOUFFER, Secretary.

AMERICAN BIBLE SOCIETY.

WHEREAS, The word of God is the only infallible rule of faith and practice, the only safe lamp to our feet and light to our path, illuminating the present and revealing the future, profitable for the life that now is, and that which is to come; therefore,

Resolved, 1st. That the widespread and universal circulation of the Sacred Scriptures is a matter of vital importance to the building up of the Church and the salvation of the world.

2d. That it is especially appropriate in this *Fourth Centennial* of the great Translator and Reformer, Martin Luther, to emphasize anew the importance of Bible study and circulation.

3d. That we rejoice in the fact that there is such a growing interest in this work at home and abroad, and that the American Bible Society has been permitted to share so largely in the good work, having published over forty-two million copies of the Bible,

1883

and portions of it, in eighty or more of the leading languages and dialects of the globe.

4th. That we are in hearty sympathy with this Society in its general work and in its special endeavor at this time to supply for the fourth time our entire population, and that we will cordially co-operate with this work in our respective fields of labor, and see that the collections for the Bible cause are taken and reported according to the provisions of the Discipline.

SANCTITY OF THE SABBATH.

WHEREAS, the violation of the sanctity of the Sabbath in the business and social world in this country has become flagrant and gross; therefore,

Resolved, 1st. That in our social life we recommend that our people avoid in this respect the very appearance of evil by abstaining from visiting, from social gatherings, and from traveling on the Sabbath day.

2d. That we recommend the combination of all good men to enforce the Sabbath laws against the sale of liquors, the opening of beer gardens and other places of amusement on the Sabbath.

3d. That we will as far as possible discourage the running of railroad trains to our camp meetings on the Sabbath day.

4th. That we will preach as often as practicable, earnestly on the subject of the proper observance of the Sabbath, and endeavor to set a Godly example to our people, by a careful observance of the same according to the command of God in His holy Word.

TEMPERANCE.

WHEREAS, protection of the rights of all is the fundamental purpose of all human government; and,

WHEREAS, all human law should be a rule of action commanding what is right and prohibiting what is wrong, and this is essentially and necessarily prohibitory in its very nature; and,

WHEREAS, alcohol is a virulent poison, injurious and destructive to both soul and body, an enemy to all government, and destroying what governments are instituted and established to maintain and protect; therefore,

Resolved, That all licensing by national, state, or municipal authority of the manufacture, importation and sale of intoxicating liquors to be used as a beverage, whether said licensing be high or low, all recognition or endorsement of this infamous traffic is both morally and legally wrong.

Resolved, 2d. That constitutional prohibition, both state and national, of the manufacture, importation, and sale of all intoxicants to be used as a beverage, is the duty of all civilized governments.

Resolved, 3d. That it is the inviolable right of the people of the great State of Illinois to demand of our legislators an opportunity of voting on the question of such a constitutional amendment.

Resolved, 4th. That as the Woman's Christian Temperance Union is a most effective organization, embracing all phases of the

question, legislative and otherwise, we hereby pledge to the bands of noble women engaged in this great work our hearty sympathy.

Resolved, 5th. That we will use all honorable means to impress these sentiments upon the minds and hearts of all the people, and will not forbear until candidates and parties shall hear and heed the voice of those who call for prohibition and deliverance.

WHEREAS, We have 25 institutions of learning among the colored people, and 18 among the whites, making 43 in all, giving instruction to 6,500 students, male and female; and,

WHEREAS, The General Committee has increased the amount of apportionment from $100,000 to $125,000 for the ensuing year, and has apportioned to the Central Illinois Conference the sum of $2,000; therefore,

Resolved, That we heartily commend the work done by our Freedmen's Aid Society, and will do all in our power during the year to come to collect the full amount apportioned us.

M. P. LACKLAND, Chairman.

W. R. WARNER, Secretary.

TOBACCO.

Whereas, economy, cleanliness, health, science, reason, example, and religion all combine with great power to condemn the use of tobacco; therefore, we offer the following resolutions:

1. We advise both old and young to let tobacco alone, in whatever form it may present itself.

2. To advise all our boys to abstain from the use of the cigarette.

3. We respectfully request the Bishops to transfer none to our Conference who use the article.

4. We recommend that our people should neither buy nor sell tobacco.

5. That we urge every pastor to preach in each congregation and teach in the Sunday School against the use of tobacco.

MEMORIAL SERVICES.

Sunday, 3 o'clock P. M.. at the close of the Ordination services, Memorial services were held in the Methodist Episcopal Church, R. Haney, Chairman of the Committee on Memoirs, in the chair. The 1033d hymn was sung. The following memoir of

BISHOP JESSE T. PECK,

prepared by Dr. G. R. Palmer, was read, and Bishop Andrews delivered a memorial address, giving a sketch of the life of his deceased colleague:

[Up to the last moment the editor failed to receive the copy.]

The following memoir of

HENRY SUMMERS,

prepared by Rev. G. J. Luckey, was read, and Dr. R. Haney delivered a memorial address, referring especially to the pioneer labors of our ascended father:

Henry Summers was born on the 7th day of February, A. D. 1801, in Montgomery County, West Virginia. He was of German parentage. In early childhood death robbed him of the loving care of his mother. Concerning his early life, he wrote: "My father having been brought up in the Lutheran Church, and being rather indulgent, but little attention was paid to my religious instruction, so that I grew up a wild, rude boy. As far back as I can recollect, however, I was the subject of religious impressions."

In the autumn of 1812, his father, with his family, emigrated to Clark County, Indiana, and settled about nine or ten miles above the falls of the Ohio river, near a Methodist Church, where, as he afterward wrote, "I had frequent opportunities of seeing and hearing the ministers 'Hold Forth the Word of Life.' Often the word came with great power to my heart, which caused me to tremble and weep greatly."

In the autumn of 1819 he was deeply convicted while in

1883

attendance upon a camp meeting, and continued to sorrow for sin until February, 1821, when God for Christ's sake forgave his sins while in atendance upon a prayer meeting.

He was licensed to exhort in the year 1821, and on the 5th day of October, 1822, he was licensed to preach, by a District Conference, held in Cooley's Meeting-house, in Washington County, Indiana.

On the 26th day of October, 1828, he was ordained a deacon by Bishop Roberts, at Shelbyville, Kentucky, and on the 13th day of September, 1832, he was ordained an elder by Bishop Soule, at Jacksonville, Illinois. In the autumn of 1829, he moved to Illinois, and settled in Morgan County. In 1831, Wm. H. Askins, who with J. T. Mitchell as colleague, was compelled to retire from the work because of failing health, and the Presiding Elder, Peter Cartwright, employed him to fill the vacancy until the following session of the Annual Conference, which convened at Jacksonville, Illinois, in September, 1832, at which he was admitted to probation in the old Illinois Conference, and appointed to Rushville circuit, then embracing Schuyler county, parts of Adams, Pike, McDonough, Fulton and Hancock counties. From 1833 to 1835 he was pastor of Canton circuit; from 1835 to 1836 Knoxville mission; 1836 to 1838 Presiding Elder of Rock Island District; 1839 to 1840 Iowa District, which embraced the entire State of Iowa; 1840 to 1843 Burlington District; 1843 to 1844 Des Moines District; 1844 to 1845 he was Pastor of Farmington Circuit; 1845 to 1849 he was Presiding Elder of Plattsville District; 1849 to 1852 Racine District; 1852 to 1856 Peoria District; 1856 to 1858 Knoxville District; 1858 to 1860 Monmouth District; 1860 to 1864 Washington District; 1864 to 1868 Kewanee District; since 1868 he has been a superannuated member of Central Illinois Conference, if it is proper to say that a man so abundant in labors as he was all those years, is superannuated.

For five years a Pastor, thirty-one years a Presiding Elder, and fifteen years a superannuated preacher, he thus for fifty-one years served the Church as a faithful minister of Jesus Christ. From 1832 to 1840 he was a member of the old Illinois Conference; 1840 to 1848 a member of Rock River Conference; 1848 to 1852 a member of Wisconsin Conference; 1852 to 1856 a member of Rock River Conference, at which time the Peoria, now Central Illinois Conference, was organized, of which he became and remained a member until his promotion.

He enjoyed the honor of representing his Conference in the General Conferences of 1852 and in 1856, where, as in every position to which he was assigned, he fully met the expectation of the Church.

In all the State of Iowa, most of Wisconsin, part of Minnesota, and with the exception of a small part of Illinois Conference, with part of Rock River Conference, he has served the Church in the

office of Presiding Elder, and throughout spiritual children rise up to call him blessed, and his "name is as ointment poured forth." Truly, his conversation was in heaven, and his ministrations were so saintly as to impress the churches that his was the ministry of one more than ordinarily familiar with divine things, in which God was honored, while by fellowship with him the members of the body of Christ were greatly edified, and his faithful proclamation of the truth to the unconverted won many, who will shine as stars in the crown which is to be given him "at that day." Correct analysis of his life is impossible. Of courage his life was a fountain; of pure manly dignity, an unexplored deep; so imbued with simplicity inspired by true modesty, that children were at home in his presence, and men of eminent name recognized in him a peer. As a preacher of righteousness he excelled. His simplicity was an element of power, while his candor, clearness of understanding and force of expression, touched by the fire of true eloquence, not unfrequently carried his congregation with him in thought and emotion, as if borne by an irresistible force. Socially no more welcome guest entered the house of the preachers and people, where his presence was a benediction. For five years he has traveled life's home companionless, waiting the appointed time for reunion with her whom God had exalted from the mystery of blindness to the sublimer mystery of glorified vision in the presence of the excellent glory, where she had been awaiting his coming.

For a number of years past he made his home with his son, Mr. J. B. Summers, in Farmington, Illinois, where five years since his wife died. On June 17th, he attended church, and at the close of the sermon, preached by Rev. J. S. Cumming, D.D., President of Hedding College, he led the congregation in prayer. On the morning of June 18th, he arose a little earlier than usual, but being troubled with dizziness he laid down until breakfast was announced, when he arose and partook of the morning repast with apparent relish. While in conversation with the family he was cheerful as usual. About nine o'clock, A. M., he walked into the yard a short distance, paused a moment, showed signs of dizziness, when his daughter-in-law and grandchildren ran to him and steadied him while he sank down, when he was helped into an invalid chair, and conveyed to his room, from which he in twenty minutes ascended to rest in the bosom of God.

On the 18th day of June, a large and sorrowful congregation attended his funeral, and we laid his body to rest in the beautiful cemetery of Farmington, where by the side of his wife his dust rests under the watchful eye of God, awaiting the resurrection of the just.

1883

REV. SAMUEL G. J. WORTHINGTON.

A brief memoir prepared by F. M. Chaffee was read, and a memorial address delivered by Rev. Wm. Underwood, setting forth the noble character and heroic labors of our departed father Worthington:

Born in Fredericktown, Maryland, October 10th, A. D. 1808. Died in El Paso, Illinois, of paralysis of the brain, September 29th, A. D. 1883, in the 75th year of his age.

When four years of age his parents removed to Baltimore, and three years later to Brooke County, Virginia.

At the age of sixteen he was converted and joined the Methodist Episcopal Church, remaining a devoted and consistent member until death. In the year 1832 he was married to Miss Mary Hedges, and in August of the same year, was licensed to preach. The same Quarterly Conference that gave him license to preach, recommended him to the Pittsburg Annual Conference to be admitted into the Traveling Connection on trial. The young itinerant began his ministry at Greenfield, as junior preacher, S. E. Babcock having charge of the Circuit. During this first year his health entirely failed, and he was discontinued at his own request. The next year, his health having recovered, he was readmitted on trial and appointed to Kingswood Circuit. In 1835 he was appointed to Barnesville Circuit, Ohio. At the close of this year he was ordained Deacon by Bishop Morris, and continued on the same Circuit for another year. In 1837 he was appointed to Mooresfield Circuit, and at the close of that year was ordained Elder by Bishop Waugh. Being thus fully prepared for the work of the ministry, he was appointed to the following charges: 1838, Smithville, Ohio, 1840; Lawrenceville, Pa. During this year his father died, rendering it, as he thought, necessary that he should locate for one year, and attend to the settlement of his father's business, which he did. In 1842, he was readmitted and appointed to Liberty Street Church, Pittsburg, Pa.; 1843, Wellsburg, Va.; 1845, Ohio Circuit, Va.; 1846, Beaver street, Allegheny City, Pa.; 1847, Clarksburg District, Va.; 1851, Morgantown, Va.; 1853, Wheeling, Va.; in 1855 he was transferred to the Rock River Conference and stationed in Rock Island; 1856, Groveland Circuit, 1858, Dillon Circuit; 1859, Peoria, First Church; 1861, Peoria District, 1865, Wenona District, 1869, Geneseo; 1872, Onarga; 1874, superannuated; 1875, made effective, and appointed to El Paso; 1876, Metamora and Eureka; 1877, Groveland Circuit, 1880, superannuated, which relation he sustained until death. In 1852 he represented the Western Virginia Conference in the General Conference held in the city of Boston. The entire period of his ministry was fifty years; forty-four effective, four superannuated, and two located. During these fifty years, no man has been more unimpeachable in character, and none more open,

more simple, and pure in life than he; and none ever sustained the superannuated relation in the ministry with more becoming grace. A much more than ordinarily long and useful life is closed to the things of earth! *He is no more among us!*

On Friday morning, September 14th, at about 6 o'clock, having bowed at his bedside in secret prayer, as was his custom, he fell over in a state of unconsciousness. From this condition, however, he rallied, and at times gave hope of recovery. All that medical skill and the kindly offices of loving friends could do was done to secure that end, but all proved unavailing. Twenty-five minutes after 12 o'clock Saturday morning, September 29th, he passed away to his final rest.

His Conference being in session, the Rev. W. H. Hunter, D. D., and Rev. W. P. Graves, were deputed to attend the last sad rites of his interment. Rev. Henry Apple, a former member of the Conference, and intimate friend of Brother Worthington, also attended and took part in the services. He was buried at El Paso, Ill., where he had resided for some years, and where his bereaved companion will continue to reside. The pastor of the Presbyterian Church in the place, Rev. Beavis, dismissed his congregation, and all attended the funeral services, he adding words of comfort to the family and friends. The occasion was one of deep interest and solemnity, as the large congregation and sad countenances fully attested. The address of Dr. Hunter was especially timely and able.

It had been but a few days since Brother Worthington had returned from the Normal District Camp Meeting. He frequently expressed his satisfaction with the meeting, and his enjoyment of its services. While there he preached a most excellent sermon, and in many ways rendered himself very useful throughout the meeting. In one of the love-feasts he asked the people to unite with him in singing his experience, and then led in singing the words:

"My God is reconciled;
His pardoning voice I hear,
He owns me for his child;
I can no longer fear;
With confidence I now draw nigh,
And 'Father, Abba, Father,' cry."

A few days before he was prostrated he said many things, which, considered from the stand-point of our great loss, seem much like the words of prophecy of such an event. Just before departing, he said: "My religion, which has comforted me in life, sustains me now." His favorite hymn, "My Latest Sun is Sinking Fast," was sung by his pastor, Rev. F. H. Cumming, assisted by S. H. Worthington, his son, to which he gave grateful recogni. tion.

Mother Worthington is left to weep alone, having walked and labored by his side for more than fifty years, as helpmeet and companion, but she expresses fullest confidence that he has en-

tered the Christian's rest, and is especially comforted by this assurance. Father Worthington was active and zealous in all Christian work. He combined to an unusual degree many desirable qualities of a Christian minister. His was a fine intellect, grasping, penetrating and active. He was a ready and impressive singer, and in agreeableness of manner, there are few, if any, who surpass him. He had a warm place in the hearts of all who knew him, and leaves a large circle of friends to mourn his death.

F. M. CHAFFEE.

WILLIAM MERRIAM.

The following memoir, prepared by Rev. M. C. Bowlin, was read, after which a memorial address was delivered by Rev. Dr. J. S. Cumming, giving an estimate of the life and character of Bro. Merriam.

William H. Merriam was born in Jefferson county, N. Y., February 28th, 1842, and passed triumphantly to his home in heaven February 12th, 1883, aged 41 years, 11 months and 14 days. His parents moved to Illinois in 1853, and settled in Fulton county, where, at the age of sixteen, William was converted. He united with the Methodist Episcopal Church soon after his profession of faith, and, like a true soldier, he was always faithful to Him whom he served. He attended Hedding College, at Abingdon, Illinois, about two years, where he was licensed to preach in 1872 by Rev. H. Richie. In March, 1873, Rev. R. Haney, Presiding Elder of Monmouth District, secured Bro. Merriam to supply Oneida until the close of that Conference year. In September, 1873, he was received into the Central Illinois Conference on trial, and appointed to Waldron circuit, Onarga District, where he remained two years. September 26th, 1875, he was ordained a deacon by Bishop Ames. He was ordained Elder by Bishop Peck, at Streator, in 1878. His appointments have been, Avon, one year; Olena, two years; Oquawka and Biggsville, one year; Biggsville, two years; Maquon, one year.

These facts concerning the places where he has labored will give but a faint conception of the work done by our brother. He was in every sense a loyal Methodist preacher. He labored faithfully, and accomplished good in every charge to which he was assigned. He forgot himself in his perfect devotion to his Master. In personal character he was uncompromisingly honest, unselfish in his motives, strong in his disposition, and rigidly loyal in every trust.

Brother Merriam was married to Miss Andrews, of Abingdon, September 10th, 1873, but the union was soon broken by death, January 19th, 1876. He was married August 28th, 1878 to Miss Josie A. Graham, who, with one child, is left to mourn his loss.

May our heavenly Father have them in His tender care.

"Servant of God, well done,—
Thy glorious warfare's past;
The battle's fought, the victory won,
And thou art crowned at last.

LAYMEN'S CONFERENCE.

REPORT

OF THE LAYMEN'S ELECTORAL CONFERENCE, OF THE CENTRAL ILLINOIS CONFERENCE, HELD IN ROCK ISLAND, SEPTEMBER 28, 1883.

The meeting was called to order by D. McWilliams, of Dwight, and T. J. Robinson, of Rock Island, was elected President and B. G. Hall, of Wyoming, Secretary.

Bros. Pease, McWilliams and Soule were appointed Committee on Credentials. A committee composed of one from each District was chosen on Permanent Organization.

The report of the Committee on Credentials was received, which was as follows :

Galesburg District, nine delegates ; Kewanee District, ten delegates ; Macomb District, ten delegates ; Normal District, ten delegates ; Onarga District, ten delegates ; Peoria District, nine delegates ; Streator District, sixteen delegates ; Rock Island District, fourteen delegates. Total, 88.

An invitation from the Ministerial Conference to visit the same was accepted, and Bro. McWilliams was appointed as messenger to notify the Conference of the acceptance of the invitation.

The Committee on Permanent Organization reported that the temporary organization be the permanent organization, which was adopted.

It was ordered that the names of delegates who may arrive hereafter be placed upon the roll by presenting the proper credentials to the Secretary.

The President was chosen to represent this body at the Ministerial Conference.

The Conference then repaired to the M E. Church building, and was introduced to the Ministerial Conference by the President. Bishop E. G. Andrews presented the Ministerial Conference and addressed the Conference in a very feeling and appreciative manner.

Bro. R. Haney also spoke to the Conference in his own inimitable way.

1:30 P. M.—Meeting opened by prayer by Rev. L. F. Cullom.

Bros. D. H. Gray, Barrett and Goodspeed were appointed Committee on Resolutions.

Bros. McWilliams, Hart and Apple were appointed Committee on the Memorial of Hon. Luke H. Goodrich.

Mrs. E. C. Cady and G. W. Butters were chosen Assistant Secretaries.

Dr. Adams was introduced, and addressed the Conference in behalf of the Wesleyan University.

The Conference then proceeded to ballot for delegates to the General Conference.

On the informal ballot a number of candidates were brought forward. On the third ballot Bros. R. Stevenson, of Lexington, and G. W. Butters, of Galva, were chosen to represent this body in the General Conference, and J. H. Bunn, of Peoria, and B. G. Hall, of Wyoming, reserve delegates.

An invitation was received from the Rock Island Street Railway Company to visit Black Hawk's Watch Tower.

Bro. Hendron was appointed to notify the company that the Conference declined accepting the invitation, with thanks.

The following resolution was passed unanimously:

Resolved, That we heartily endorse Bro. Cumming and his work in delivering Hedding College from debt, and we will use our influence to send scholars to its halls.

The Committee on Resolutions reported the following:

Resolved, That it is the sense of this Electoral Conference that the removal of the "time limit" to the pastoral term would operate unfavorably in the working of the itinerant system. We, therefore, instruct our delegates to the General Conference to oppose every attempt by that body to remove the said limitations.

The Committee on Memoirs reported the following:

WHEREAS, The Hon. Luke Hitchcock Goodrich, a member of the Laymen's Electoral Conference, of the Central Illinois Conference, held at Monmouth, September, 1879, and who was elected first reserve delegate at that time, has since deceased; therefore

Resolved, By the Laymen's Electoral Conference, held at Rock Island, September 28, 1883, that in the death of Bro. Goodrich we bow most submissively to the stroke which removed him from our midst, and that in his decease we feel that the community has lost an honored and faithful citizen, and the church one of her most faithful and devoted followers, and his family a kind and true parent.

Resolved, That this resolution be placed on our records, and a copy forwarded to his surviving family at Braidwood, Ill.

WM. HART,
D. MCWILLIAMS, } Committee.
H. APPLE,

A rising vote of thanks was taken, thanking the people of Rock Island for their hospitality, and the trustees of the First Presbyterian Church for the use of their building.

Resolved, That these proceedings be placed in the Conference Minutes and be published in the N. W. C. Advocate.

T. J. ROBINSON, President.

Therefore, in view of the mysterious surroundings of the case, your committee would recommend the passage of the following resolutions:

Resolved, That our hearts have been made sorrowful by the rumors that have come to us, touching the character and disappearance of our brother, W. M. Collins. But hoping that future developments may vindicate his innocence and integrity, we hereby authorize the Bishop to leave him without an appointment, and require that, in case of his reappearance, or the discovery that

he is yet alive, the Presiding Elder of the Monmouth District shall, as speedily as practicable, proceed to investigate and determine the case according to the law of the Methodist Episcopal Church as given in the Discipline."

REPORTS.

EDUCATION.

Your Committee on Education beg leave to make the following report:

NORTHWESTERN UNIVERSITY.

We take pleasure in reporting continued prosperity in all the departments of the University, which has, within the past year, observed its Twenty-fifth Anniversary. We heartily recommend this institution to any who may be within its reach. We recommend that Rev. Eli McClish be elected a member of the Board of Trustees.

GARRETT BIBLICAL INSTITUTE.

We are gratified at the steadily increasing power of Garrett Biblical Institute for good. We recommend to all young men preparing for the ministry that they, as far as possible, take a full course of training for their work in this grand "School of the Prophets." We recommend Revs. R. D. Russell and C. W. Ayling as Visitors.

BOSTON UNIVERSITY.

We are highly gratified to learn, through its annual report, that the School of Theology of the Boston University, is maintaining its well-earned reputation among our several theological schools. We are pleased to recommend it to the consideration of young men preparing for the Christian ministry.

HEDDING COLLEGE.

We are gratified to be able to report a year of prosperity in Hedding College. One hundred and ninety-three students have been in attendance within the past year. We are pleased to note the religious interest maintained, resulting in the conversion of many of the students and the spiritual growth of others. The present Fall term opened with flattering prospects. Of the $19,000 in pledges reported one year ago, $15,500 have been already collected, with a prospect of collecting the remainder early this year.

We feel that the hope of the College now is the early securing of an ample Endowment Fund. We recommend the election of the following persons as Trustees: Revs. P. A. Cool, M. C. Bowlin, W. B. Alexander, M. V. B. White, C. O. McCulloch, Messrs. T. M. Meachem, M. C. Soule, M. C. Kimball and A. B. Stickle.

We recommend as Conference Visitors the following brethren: W. H. Hunter D. D., James W. Haney, T. J. Wood, G. W. Gue, and J. D. Smith.

We also recommend the appointment of Rev. J. S. Cumming, D. D., President, and Rev. D. T. Wilson, A. M., Professor in the College.

GRAND PRAIRIE SEMINARY.

This school reports the usual prosperity that has attended it in its past history. Two hundred and nine students were in attendance the past year.

There is reported an entire change in the Faculty of the Academical Department. The plan of its finances has been changed, bringing all the funds into the hands of the Trustees, who are to defray all its expenses. The building has been repainted within and without, and in other respects repaired. The present year opens full of promise, with an increase of students. Through the labors of Rev. J. S. McCord the Endowment has been increased $4,000, and the Seminary feels prepared to meet all that is required of such institutions.

We recommend the appointment, by the Bishop, of Rev. Eli McClish, A. M., B. D., as President, and Rev. A. J. Newell, A. B., as Professor in the Seminary.

We recommend the following as Visitors: Revs. R. Crewes, W. W. Carr, M. A. Head, A. Bower, H. C. Birch, and E. S. Wilson.

ILLINOIS WESLEYAN UNIVERSITY.

There has been during the past year continued prosperity, as appears from the reports submitted to your committee from the Treasurer of the Board, and the President and Faculty of the University.

It appears from the reports submitted that the financial condition is steadily improving and the attendance of students about the same as last year.

A summary of the financial report shows:

Loans secured by first mortgage	$ 21,899 93
Real estate	16,826 00
Notes and subscriptions	23,730 00
Considered good	13,475 00
Building and grounds	100,000 00
Danville Seminary	20,000 00
Total	$172,200 93

There is a debt of $15,000, but to meet this there are $15,000 of interest bearing notes deposited in the People's Bank of Bloomington.

Valuable improvements have been made during the year in the Preparatory Building.

The results so far show the propriety and great advantage arising from the establishing of the Preparatory Department. A spirit of revival has pervaded the school during the year.

The Faculty has been strengthened, and large expenditures made in the Laboratory and Natural Science Departments.

The Danville Seminary, with $3,000 in money, has been turned over to the Trustees of the University, and M. D. Hornbeck, A. M., appointed in charge.

The Trustees make an earnest appeal for an increase in the Endowment Fund of $200,000, and for the full efficiency of the University this amount should be raised as soon as possible.

We recommend the election of the following as Trustees in place of those whose term of office has expired: W. B. Harvey, David Smith, W. M. Dever, and N. J. Orendorff as Trustees, and the appointment of G. J. Luckey, W. McPheeters, S. Van Pelt, B. W. Baker, M. C. Eignus, and J. W. Frizzelle, as visitors.

We are gratified to be able to note the large increase in contributions to the Educational Fund, and the growing interest taken in Children's Day, and to express the hope that during the coming year every charge in the Conference will observe that day.

We rejoice also in the increased contributions from the Church at large to the Educational Fund, and hereby express our thanks for the work done by our Board of Education.

Respectfully submitted,

C. W. AYLING, Chairman.

H. D. CLARK, Secretary.

BIBLE CAUSE.

Your Committee report as follows: That,

WHEREAS, The word of God is the seed of Divine Life, designed to germinate in the soul of man and bring forth fruit unto eternal life. Since it is written, "Man cannot live by bread alone, but by every word that proceedeth out of the mouth of God."

And since God hath said, "My word that goeth forth out of my mouth shall not return unto me void but it shall accomplish that which I please and it shall prosper in the thing whereto I sent it." And since the American Bible Society is among the principal agencies for the publication and distribution of God's word, issuing last year 1.808,215 copies of Scripture, in whole or in part, and during sixty-eight years nearly forty-four million copies; visiting in the last year, by its agents, 1,217,000 families in the United States, 150,000 of whom were found destitute of Bibles, and 101,500 of whom were supplied, incurring in the prosecution of its work, an expense of $762,000, while its receipts were $120,000 less than its expenses; and

WHEREAS, This society is a benevolent institution, and as such

is an agency through which God's people can supply a perishing world with the Word of Life: Therefore,

Resolved, 1. That the diligent study of the Word of God is the Sacred duty of every man, and we will endeavor to win our people to a love of this study, both by precept and example, and will urge parents to procure a copy of the Bible for each member of their families.

Resolved, 2. That we heartily commend the cause of the American Bible Society to our churches, and will urge that a liberal collection be taken up for the Bible Cause in all our congregations.

E. P. HALL, Chairman.

W. H. HITCHCOCK, Secretary.

CENTENNIAL COMMITTEE.

Your Centennial Committee appointed at the last session of this Conference, to continue until the close of the year 1884, unless otherwise ordered, met in Galesburg, December 26th, 1883, and organized by the election of J. S. Cumming, Chairman, and J. G. Evans, Secretary. A plan for Centennial work, in harmony with the action of the Conference, was adopted, and W. H. Hunter and C. Springer were appointed Centennial agents. Dr. Hunter found it unsafe for him, in view of the condition of his health, to enter upon this work, and in April resigned. Brother Springer has been prosecuting the work assigned him amid embarrassments growing out of the general depression of finances. His method has been that of organizing the work and securing the active co-operation of presiding elders and pastors in holding Centennial meetings. On several districts the presiding elders and pastors requested that no arrangements be made for Centennial meetings until after the present session of this Conference. Owing to this advise a large majority of the charges in the Conference are yet uncanvassed.

The Centennials held have not been as successful in financial results as we had hoped. About $10,000 have been realized in money, notes and subscriptions. A meeting of the committee will be held soon after the adjournment of this Conference session, to arrange for the carrying forward and completion of this work before the close of the present year, in which we hope to have the hearty co-operation and efficient service of presiding elders and pastors.

J. G. EVANS, Secretary.

BOOK CONCERN AND PERIODICALS.

Your Committee on Book Concern and Periodicals would respectfully submit the following:

Resolved, 1st. That we believe that the books and papers pub-

lished by our Book Concern are as cheap as the publications of the same grade by any other house, and cannot be made cheaper, except by increased circulation and prompt cash returns.

Resolved, 2d. That we recommend that hereafter failure to settle with the Book Concern, shall constitute a barrier to the passage of character.

Resolved, 3d. That we request the Bishops not to transfer to or from our conference a minister who is indebted to the Book Concern, until his accounts are satisfactorily adjusted.

Resolved, 4th. That we heartily approve of the editorial management of the *Northwestern Christian Advocate*, are also gratified by its constantly increasing circulation. We believe it to be well adapted to the wants of our people, and an efficient aid to the pastor in his work. We pledge ourselves to try to introduce it into all the Methodist homes in our respective charges.

Resolved, 5th. That we insist that all our Sunday Schools shall use our own Sunday School literature, believing it to be best adapted to the wants of our schools.

Respectfully Submitted,

B. F. TALLMAN, Chairman.

T. J. WOOD, Secretary.

DISTRICT CONFERENCE RECORDS.

DEAR FATHERS AND BRETHREN: Your Committee on District Conference Records beg leave to report as follows:

Records have come into our hands and have been examined from the following districts: Rock Island, Streator, Normal, Peoria and Onarga.

Some of the records are without a roll of members which your Committee think to be essential to complete records, and would recommend that the Conference so decide.

Some are without an index, either marginal or otherwise, which we regard as a serious defect, and would recommend that the Conference so consider.

We find the Normal District records omit the signature of the President of the Conference.

From the records of the Rock Island District Conference we learn that the Conference has been discontinued, and therefore recommend that the record book be placed in the hands of the Presiding Elder of the district and his successors.

The testimony in the preliminary trial of M. Spurlock has been placed in our hands which we also recommend to be placed in the hands of the Secretary of the Annual Conference.

All of which is respectfully submitted.

J. W. DENNING, President.

B. E. KAUFMAN, Secretary.

ON SANCTITY OF THE SABBATH.

Notwithstanding our action, repeated each successive year of our history as a Conference, is against the desecration of the Lord's Day, its demoralization still continues to an alarming extent. So far as we are in a position to judge, the work of its demolition is being pushed rapidly and vigorously.

We hold the abolition of the Sabbath, as a day of rest from secular pursuits, as due in part to the diversity of views obtaining among unorthodox religious bodies, as to the nature and extent of the command, "Remember the Sabbath Day to Keep it Holy." The tendency of such views is to introduce human interpretation, as questioning the wisdom of the Divine appointment. Such interpretation of the fundamental principles underlying human constitution and society, is contrary to and violates the spirit of God's just government of the world, in providing and setting apart one day in seven as a rest from secular toil and as a season of spiritual refreshing.

We also find a laxity of opinion and of discipline prevailing among members of the church. Christian parents permit their children to go out riding for pleasure. Many subscribe for secular Sunday papers and take into their homes profane literature, allowing such reading as is not helpful to devout feeling and reverence for God. Many desecrate the "Holy Day" by visiting for purposes of social enjoyment and spend their precious time in conversing upon topics of a purely secular character.

The violation of the Sabbath is due also to greed for gain. Our ears are greeted by the scream of the locomotive and the rumbling of excursion and freight trains. Thus the eye of youth and of age alike is constantly taught irreverence by these object lessons. Professing Christians are thus lending their influence to the demolition of our holy day. Trains bear thousands away every Sabbath to scenes of dissipation and rioting, such as bring the blush of shame to the cheek of every true patriot and Christian citizen.

We grieve to see that our foreign-born citizens are bringing with them and introducing into these United States, the European Sabbath, as a day devoted to pleasure and amusement. We hold such evasion of the requirements of God's law as inimical to the continued well-being of our civil liberties and political institutions.

We believe expediency, under color of which this evasion and violation of the Sabbath is carried on, such as that of buying and selling, of reaching by means of trains, appointments for holding religious services, is a certain and a powerful factor in carrying forward this gigantic sin. And this law of expediency is very rapidly enthroning itself as of far higher authority than the command, "Remember the Sabbath Day to Keep it Holy," therefore

Resolved, 1st. That the running of excursion trains is a prime agent in working the violation and abuse of the fourth commandment.

2d. It is our opinion that the discipline of home should be more strictly enforced, so as not to permit riding or driving for pleasure, or the doing of any kind of business inconsistent with the proper observance of God's most holy day, and that only those works which are of mercy and necessity should be performed.

3d. That we abate not one iota of our vigilance, but re-affirm all we have ever said on the subject, thereby condemning the law of expediency as most pernicious in its teachings.

WOMAN'S FOREIGN MISSIONARY SOCIETY.

WHEREAS, The Woman's Foreign Missionary Society has become a prominent factor in the missionary work of the Methodist Episcopal Church in foreign lands; and

WHEREAS, We learn with great gratification of the zeal and success of this society within our own Conference: therefore,

Resolved, That as pastors we heartily commend and will duly encourage, and so far as possible, will give our aid to those engaged in the work of the Society. W. J. MINIUM, Chairman.

E. N. BENTLEY, Secretary.

FREEDMEN'S AID.

The General Conference has made an appeal to the whole church for the sum of $500,000 for the educational work in the South as a Centennial offering.

The Freedmen's Aid Society, under this appeal, has asked of the Central Illinois Conference 33⅓ cents per member.

In view of the marvelous work already done by this Society, and the urgent and pressing needs of the poor, both white and colored, in the south, your Committee recommends:

That the action of the authorities in this matter be heartily endorsed by this Annual Conference.

V. C. RANDOLPH, Chairman.

H. K. METCALF, Secretary.

TEMPERANCE.

Your Committee on Temperance would respectfully report as follows:

WHEREAS, We believe that the liquor traffic is the cause of poverty and sin in the individual, and a force threatening the perpetuity of our republican government; therefore,

Resolved, 1, That we as a Conference heartily endorse the action of the late General Conference, in adopting the report of

their Committee on Temperance and Constitutional Prohiblion. ee Report.

Resolved, 2, That the sovereign people of the State of Illinois, in adopting the present State Constitution, reserved to themselves the right of amending that instrument as in their judgment the general welfare and happiness of the people might require, and any effort upon the part of politicians to deprive them of the right of giving expression at the ballot box upon the proposed Prohibitory Amenement is a usurpation of power that ought to be promptly rebuked.

Resolved, 3, That we cannot consistently vote for any man for office, State or National, who is not a pronounced Prohibitionist.

Resolved, 4, That as a Conference we are gratified with the course of the *Northwestern Christian Advocate*, in that it has so freely opened its columns to the discussion of the Temperance question, and we heartily commend Dr. Edwards, its able editor, for his fearless utterances for Prohibition.

Resolved further, That we respectfully request the Bishop presiding to appoint Rev. R. Haney, D. D., as Conference Temperance Agent for the ensuing year.

Respectfully submitted,

J. S. McCord, Chairman,

A. C. Calkins, Secretary.

ON THE USE OF TOBACCO.

Inasmuch as we are satisfied that the use of tobacco is a great evil, hurtful to both body and mind, therefore

Resolved, 1st. That we rejoice in the action of the late General Conference upon this subject.

2d. That we will discourage the use of tobacco everywhere, and especially among children and youth.

3d. That while we would not impose unreasonable hardships upon any ofour brethren who use tobacco, we affectionately beg them to join with the rest in self-denial "for conscience sake."

S. Van Pelt, Secretary.

CONFERENCE CLAIMANT'S SOCIETY.

1st. We recommend the appointment of W. H. Hunter, D. D., as agent, and pledge him our hearty co-operation in attending to the interests of said Society.

2d. The interests of the society are such as to demand an early meeting of the Executive Committee. We therefore recommend such meeting as soon as convenient after the adjournment of the Conference. M. V. B. White, President.

H. C. Birch, Secretary.

SUNDAY SCHOOLS.

The Sabbath School has been fully proven to be an institution owned of God to multiplied thousands of children and others of a larger growth, in their mental and moral developement.

Resolved, 1st. That as pastors, we will stand by our own Sabbath School literature.

Resolved, 2d. That we will faithfully follow the provisions of our Discipline, concerning the instruction of children.

Resolved, 3d. That we will seek the blessing of God, in all our charges, in such a manner, that large numbers may be saved from the ranks of our Sunday School children.

T. H. PRYOR, Chairman.

J. H. ANDERSON, Secretary.

TRACTS.

WHEREAS, The Tract Society has done very much practical good in the years gone by, in a modest yet effective manner; therefore,

Resolved, That as this means of speaking God's truth has always been abundantly blessed in the history of Methodism, we will do all in our power to speed and increase the circulation of the publications of our Tract Society. T. H. PRYOR, Chairman,

J. H. ANDERSON, Secretary.

MEMOIRS.

REV. WILLIAM HANEY,

son of the Rev. James and Hannah Haney, was born in Washington County, Pennsylvania, April 12, 1810, and died in Abingdon, Illinois, on the 27th day of February, 1884, nearly 94 years of age.

At the age of 5 years he, with the family, removed to Richland County, Ohio, where he grew to manhood and experienced religion under the ministry of the Rev. Elmore Yocum. Having studied medicine he came, in 1834, to Illinois to practice his profession. In 1836 he was licensed to preach by Peter Cartwright, and in the same year was recommended to the Illinois Conference, which he joined at the session held in Rushville, and was appointed to the Plattville Circuit, integral part of the territory of Michigan. In 1837 he was appointed junior preacher with Rev. E. Thompson, in charge of the Columbus Circuit. At the close of that Conference he was admitted into the Conference and ordained Deacon by Bishop Soule, and during the year was married to Miss Sarelda Galbraith, by whom he had four children, two sons and two daughters, and took a location and so remained until he was readmitted to the Rock River Conference, and served the following charges: Monmouth, Berwick, Oquawka, Farmington, La Fayette, Nauvoo, Tennessee, La Harpe, Maryetta, Vermont, New Albany, Milan, Wataga, Summit, Knoxville, Hermon, West Jersey. He sustained a superannuated relation for fifteen years, and for the greater part of the time was quite feeble. About two years before his death he was stricken with paralysis and from that time until his death there was a slow decadence of mental and physicial power. He was seldom a great but always a good preacher, usually plain and practical. A few times in his ministerial life he very greatly surprised his most intimate friends by the breadth, symmetry and power of his sermons. He had a kind, loving, genial soul, always a smile and a word of cheer for those he met. I presume no one can recall a single censorious or unkind word in reference to his brethren in the ministry or any one else during his long life in the ministry. He leaves a wife and three children, a large circle of friends to feel sorry for his absence from the circles where he moved here, but glad to believe he has gained the companionship and crown yonder.

The Memoir of William Haney came from the Committee too late to insert in the body of the Minutes.

The editor made all reasonable efforts to get the Memoir of J. L. Kirkpatrick but failed.

The postoffices are not given because the editor failed to get the report from the Committee on Postoffices.
